CM, GOV. GREET PEOPLE ON THE EVE OF UGADI FEST

DC CORRESPONDENT
VIJAYAWADA, APRIL 12

Chief Minister Y.S. Jagan Mohan Reddy greeted the Telugu people living in the state and worldwide on the eve of the Ugadi festival.

In a statement issued here on Monday, the CM wished that the state would witness adequate rainfall to help farmers yield good harvest and help all three regions in the state to flourish, with every house in the urban and rural areas to be happy. He wanted the Telugu culture and traditions to flourish all the time and wanted the Telugu people and the world to get rid of the Coronavirus pandemic forever. He called upon the people to celebrate the Sri Plava Nama Samvatsara Ugadi, relishing the Shadruchulu.

Similarly, Governor Biswabhusan Harichandan greeted the people of Andhra Pradesh and Telugu people in the world on the occasion of 'Sri Plava Nama Samvatsara Ugadi' festival to be celebrated on Tuesday.

In a statement issued on Monday, the Governor has extended the heartiest felicitations and greetings to the people in the state and said that Ugadi is a festival of joy and happiness as the New Year brings in a new hope of a bright future for the people. He appealed to the people to celebrate the festival with the family members while staying at home. Following appropriate Covid-19 behaviour, he called upon all the eligible persons to come forward and take the Covid-19 vaccine.

CBI RESUMES PROBE INTO VIVEKA'S MURDER

DC CORRESPONDENT
KADAPA, APRIL 12

Officials from Central Bureau of Investigation (CBI) resumed investigation into the murder of former minister Y.S. Vivekananda Reddy. They are camping at the Pulivendula R&B guesthouse.

It is learnt that some people close to Vivekananda Reddy were interrogated on Sunday evening and key documents were seized from them. Reportedly, Yerra Gangireddy, a close aide of the former minister and his personal secretary Inayatullah were summoned to the R&B guesthouse on Monday for questioning. Some other suspects were also questioned by the officials. Later, the officials went to Vivekananda Reddy house and inspected the surroundings.

Vivekananda Reddy was murdered on March 15, 2019. The CBI had last year launched an investigation into the case as per the directions of the state high court.

YSRC men toil for huge majority in bypoll

Ministers, legislators have been hitting the road on a daily basis to ensure the victory of Gurumoorthy

DC CORRESPONDENT
NELLORE, APRIL 12

Notwithstanding the winning spree of the YSRC in gram panchayat, civic bodies, and parishad elections across the state, the ministers and legislators of the party have been hitting the road on a daily basis to ensure the victory of Dr M. Gurumoorthy, the YSRC nominee for Tirupati Lok Sabha seat, with thumping majority.

"They are working as if it is their election for the success of Dr M. Gurumoorthy braving scorching heat as well as Covid-19 threat probably to prove their grip on the electorate to our boss Jagan Mohan Reddy," a party leader said.

Interestingly, even the senior-most politician in the district, Anam Ramanarayana Reddy, is seen going to every nook and corner of his Venkatagiri constituency seeking votes for the party nominee.

Incidentally, Ramanarayana Reddy's strategies during municipal election in Venkatagiri town paid rich dividends to the YSRC.

The party bagged all the ward member posts unlike never before despite TD's all-out efforts to secure the wards where the party had a strong base.

Unmindful of these victories, the former finance minister is campaigning round the clock. He said it is his duty to make sure about the huge majority for party nominee and he is not after any posts.

Like Ramanarayana Reddy, Sarvepalli legislator Kakani Govardhan Reddy is also knocking on his constituents' doors daily.

He said that all the MLAs of the party have been working hard to ensure a good majority, not less than last time.

Referring to speculations that they are working overtime to bag the highest majority to impress the CM with an eye on the ministerial berth, he said it is a notion of Opposition leaders.

Govardhan Reddy said they are banking on the welfare schemes launched by Chief Minister Y.S. Jagan Mohan Reddy besides development works they have implemented in every constituency.

He said the government has spent ₹30,000 crore worth of development works in Sarvepalli constituency alone.

Referring to ₹15,000 majority in Sarvepalli segment for YSRC nominee during Parliament election in 2019, he intends to double the figure this time.

Anil rebukes TD for not taking challenge on resignation of MPs

DC CORRESPONDENT
NELLORE, APRIL 12

Water Resources minister Dr Anilkumar Yadav criticised Telugu Desam for failing to take Panchayat Raj minister Peddireddy Ramachandra Reddy's challenge that TD MPs should quit if YSRC wins in Tirupati bypoll while offering the resignations of 21 MPs belonging to the ruling party if TD wins.

He also lambasted the TD leaders for their comments against the cancellation of Jagan's election campaign in Tirupati while reminding them that he dropped the visit in view of sudden spurt in Covid positive cases in the Chittoor region and to prevent the spread of the dreaded virus.

Speaking to the media here on Monday, Anilkumar Yadav said Chief Minister Jagan Saab will never fear of any 'Saab' while indirectly pointing to the Jana Sena chief Pawan Kalyan's latest film 'Vakeel Saab'.

Referring to the letter of Jagan Mohan Reddy to the people of Tirupati parliamentary constituency, the minister said the CM had explained what they accomplished since they came to power. He said the Opposition failed to explain what they did during their five-year term.

YSRC MLA defends govt on attacks against Dalits

DC CORRESPONDENT
NELLORE, APRIL 12

Condemning the reports in a section of the press that there is a rise in attacks on Dalits in the state, YSRC MLA Meruga Nagarjuna said attacks and atrocities on Dalits were more prevalent during the TD regime.

Speaking to the media at the district party office here on Monday, the MLA compared the attacks on Dalits in the past 10 years and said Dalits are safe and many welfare schemes are being implemented for them in the YSRC government.

He said a section of the media has been reporting only a few incidents that happened in Chirala, Rajahmundry, Kasibugga and Narsipatnam, citing an American Human Rights Report but not

mentioning the action taken by the government.

On Tirupati bypoll, asserting that Dr M. Gurumoorthy is a Dalit, the MLA slammed BJP leader Sunil Deodhar for targeting the YSRC candidate in the name of his caste and religion.

He questioned the silence of BJP leaders on the vandalism of idols by TD leaders. He said YSRC has been fighting for Special Category Status to the state and reminded them that Naidu took many turns on the issue.

He said the Opposition parties are running out of issues as the Chief Minister has been implementing all the welfare schemes promised during the 2019 elections. He urged the people of Tirupati to vote for the YSRC candidate and give him a thumping majority.

2019 polls by giving a thumping majority to the YSRC, and they repeated their stance even during the recent Panchayat and municipal polls too.

He lamented that the Opposition could not

Minister Dr Anilkumar Yadav said Jana Sena has always been facing a dilemma over which party to support. He said that the electorate of AP disowned TD in 2019 polls by giving a thumping majority to the YSRC, and they repeated their stance even during the Panchayat and municipal polls too.

understand the people's pulse while forecasting similar humiliation to them in Tirupati bypoll.

He took a dig on Jana Sena for teaming up with BJP even after opposing them in 2014, compromising the values.

Anilkumar maintained that people of the state are happy with the welfare programmes of the YSRC and the development in the state itself is a clear indicator for the quality of governance. Pointing to the government's decision against the enhanced prices of 'Vakeel Saab' movie tickets, he expressed surprise over concern expressed by the Opposition on the issue during his public meetings.

Taking strong objection to the comments that the Chief Minister is in fear because of Vakeel Saab movie's impact, the minister said their leader never fear for any 'Saab'.

Miscreants pelt stones at TD rally, Naidu protests

DC CORRESPONDENT
NELLORE, APRIL 12

Tense situation prevailed near Krishnapuram Tana in Tirupati when some miscreants pelted stones on the people attending the road-show of TD chief N. Chandrababu Naidu late on Monday evening.

A TD worker reportedly suffered a bleeding injury to his leg in the incident. Naidu became furious when a woman handed over the stone to him.

Taking serious view over the incident and absence of police, Naidu dared the miscreants hurling the stones to come out and blamed the government for the falling law and order situation. Squarely blaming the government for disturbing the campaign, he raised slogans against government stating that Rowdy Rajyam is prevailing in AP. The TD chief got down from the vehicle and squatted on the road while demanding the arrest of the culprits behind the attack.

Later the TD chief went to Tirupati Urban Police office and submitted a written complaint to Additional Superintendent of Police Supraja while demanding action against the miscreants behind the attack on a TD leader.

Speaking to the media, the former chief minister demanded the Election Commission of India to depote Para Military forces for Tirupati Lok Sabha bypoll as the police failed to provide security to the Opposition party leaders.

body elections also. He said that TD MPs will meet the Election Commission of India in Delhi on Tuesday and lodge a complaint on the issue.

He said they will also request the ECI to conduct bypoll with central forces.

TD state president K. Atchannaidu said that the attack is against democracy and not against Chandrababu Naidu while stressing that the Chief Minister should be held responsible for this. The Central Electoral Commission should take action on this immediately, demanded the TD leader.

Meanwhile, minister for panchayat raj and rural development Peddireddy Ramachandra Reddy said that the Opposition leader has been playing 'drama' with fear of defeat in the bypoll.

"It was a pre-planned drama scripted by the Telugu Desam before the end of the speech of Naidu. If anyone involved in the attack they would be punished and the YSRC would also demand action against them. The TD chief has been trying to get sympathy from the public without any injury in the bypoll," said Ramachandra Reddy. He said naidu is having a culture of pelting chappals on his own uncle NTR and also stones on BJP leader Amit Shah apart from Y.S. Jagan Mohan Reddy.

AP rulers ignored Seema, says Nadda

DC CORRESPONDENT
NELLORE, APRIL 12

BJP national president J.P. Nadda dwelt at length on the failure of all those who ruled Andhra Pradesh in developing the Rayalaseema region while assuring special attention to the neglected region if their party nominee is elected for Lok Sabha from the Tirupati parliament segment.

Addressing a large gathering at Naidupeta in SPSR Nellore district on Monday, he said that all the Chief Ministers, includ-

ing NTR, K. Vijayabaskar Reddy, N. Chandrababu Naidu, N. Kiran Kumar Reddy, and even Y.S. Jagan Mohan Reddy failed to address the issues affecting the development of the Rayalaseema region.

To justify his allegation, he reminded that irrigation projects such as Telugu Ganga, Handri-Neeva, Galeru-Nagari, and many others remained incomplete though they were launched decades back.

Nadda claimed credit to the Centre for the sanction funds under PM Awas Yojana for constructing

around 20 lakh houses in AP, besides allocating amount for the development of the state apart from funding promised under the smart cities scheme to 4 cities.

Referring to the central assistance for the Polavaram project, he expressed surprise over the ruling party's failure to complete irrigation projects in the Rayalaseema region on the fast track.

He alleged that the ruling YSRC is deep into corrupt practices, resulting in bad governance.

Pointing to the 150 insta-

nces of attacks on temples, he said no one was booked yet giving doubts over religion-based priority. He added that conversions have been taking place without barriers even though the party claims itself as secular.

Earlier in the day, Nadda offered prayers at the holy shrine in Tirumala. He greeted the people of AP on the occasion of the Ugadi festival. He also took part in a colourful rally in Tirupati before going to Naidupeta to address the public meeting.

Other states looking at our volunteer system: Speaker

DC CORRESPONDENT
VISAKHAPATNAM, APRIL 12

Several states in the country are looking at the AP volunteer system to emulate, said AP Assembly Speaker Tammieni Sitaram while felicitating the volunteers at a function organised at Rajam in Srikakulam on Monday.

Speaking on the occasion as the special guest, the Speaker said the volunteer system was most innovative, providing efficient service at the local level during the Covid-19 infection and lockdown period. He wished that the volunteers spread to more interior areas of the state where people are unable to reach the serv-

ice points due to lack of communication.

Deputy chief minister Dharmana Krishnadas, who was the chief guest at the felicitating function, said the system fulfilled the dreams of Mahatma Gandhi, who conceived the grama swarajya system. "It was the splendid decision of the Chief Minister Y.S. Jagan Mohan Reddy to launch this village secretariat and volunteer system free from politics, caste and religion," he said.

He said ₹228.74 crore was spent to honour 2,22,990 volunteers across AP. The cash awards include ₹10,000 for Seva Mitra, ₹20,000 for Seva Ratna, ₹30,000 for Seva Vajra.

Pharma cos asked to boost drug production

From Page 1

The drugs control administration is sending a communication to these firms to boost their production so as to avert short supply.

Pharma industry sources say that Hetero is the major supplier of remdesivir to AP and it has plans to extend the shelf-life of the vial to 12 months from the earlier period of six months. Notably, since the number of coronavirus infections had come down drastically before the start of the second wave, several unused Remdesivir vials were either returned to the firm or discarded after the expiry of the six months period.

after the expiry of the six months period. In view of this, the firm is coming up with a new policy to handle both issues.

A doctor attached to a government hospital in Vijayawada, Dr B. Nirmal Kumar, said, "We are administering six Remdesivir vials as a

course to Covid-19 patients with comorbidities and also in cases where the oxygen saturation levels fall below 94 per cent. The drug is helping them recover. However, the infected patients having other chronic diseases are not able to survive."

An official from the drugs control administration said, "The demand and supply for remdesivir drug are 3:1 in the state at present. We are expecting fresh stocks very soon. Moreover, new players are also stepping in to manufacture and supply the drug to help us overcome the shortage."

They said that a news became viral in a private TV channel that a gas leakage incident at the area, but, it was an old gas leakage incident and no such leakage happened at any of the pipelines of ONGC. The ONGC released a note that the people need not get panic.

MEDICAL STAFF TO BE RECALLED AS CASES SURGE

DC CORRESPONDENT
NELLORE, APRIL 12

Alarmed over the sudden spurt in the Covid-19 positive cases in Chittoor district, authorities decided to recall the paramedical and medical staff hired temporarily during the outbreak of the Covid-19 virus last year.

Chittoor district collector M. Harinarayanan directed the medical officials who served the Covid-19 patients last year to report on April 14 to offer their services.

During a review with medical and health officials on preparedness on the availability of hospitals, the need for proper isolation and quarantine facilities as well as critical care units was underscored.

The collector has advised the medical authorities to prioritise Covid-19 services in SVIMS, S.V. Ruia GGH in Tirupati, and district head-quarter hospital in Chittoor. Mr Harinarayanan hinted about a possible increase in the number of positive cases of Covid-19 in the next three months in Chittoor district.

He said that there are 876 beds available in Ruia, 450 beds in state Covid-19 hospital attached to SVIMS in Tirupati, around 1,000 beds in private hospitals and also another 1,000 beds in Padmavati Covid-19 care centre.

KGH is getting filled with Covid patients

Visakhapatnam has 2,846 active cases; 500 in hospitals

King George Hospital is getting filled with second wave Covid-19 patients. The CSR block, the most sophisticated ward in the government sector with 500 beds, has already taken in 361 patients. The load increased during the last two to three days, said the superintendent of KGH Dr P. Mythili.

After the CSR block is filled, the patients would be shifted to Government Hospital for Chest Diseases and Visakha Institute of Medical Sciences. She said doctors are being rescheduled to work in these three hospitals.

health institutions, the health sources said. The district has 2,846 active cases, and of them, around 500 patients are in hospitals, and others are in private hospitals and home isolation.

"The second wave has hit the younger persons, unlike the last year phase. Most of them are asymptomatic," Andhra Medical College principal Dr P.V. Sudhakar. He said this could be the reason why more patients prefer to get treatment at home.

District health authorities are hoping to resume mass vaccination from April 14 onwards. The stocks went dry all over north Andhra for two days. District Immunisation Officer Jeevan Rani said they have placed the indent and hope to get sufficient stocks in a day or two.

"We are planning to inoculate at 50,000 per day from April 14 onwards," she said. Since January 17, the district authorities inoculated 3.07 lakh people.

She also assured that there would not be any problem with the second dose.

But many who have taken the first dose are worried a lot now. They have been making enquiries with the media persons as they were not getting a response from the hospitals where they availed the first dose.

A senior government doctor said the persons who availed the first dose need not worry about the second. Since the name of the vaccine, person and Aadhaar number are uploaded.

AP GETS 4.40L DOSES OF COVISHIELD

DC CORRESPONDENT

MP DEFERS 10, 12 EXAMS AMID SURGE IN CASES

RABINDRA NATH CHOUDHURY | DC BHOPAL, APRIL 12

Madhya Pradesh government on Monday announced fresh curbs to tackle Covid-19 pandemic amid surge in Coronavirus cases in the state. Accordingly, the 10th and 12th board exams in the state have been deferred to June while total lockdown has been enforced in Bhopal for six days till April 19.

“The 10th and 12th board examinations, schedule to commence from April 30 and May 1 respectively, have been deferred to June. The date for these board examinations will be announced later”, state education minister Inder Singh Parmar said.

He said the school hostels barring that of Jawhar Navodaya Vidyalaya would be closed down till further order.

Meanwhile, the state government on Monday decided to enforce six-day shutdown in Bhopal in the wake of sudden spurt in Coronavirus cases in the capital.

Bhopal on Monday reported 823 fresh positive cases and three deaths.

Total lockdown for nine have been enforced in 11 cities in the state since six in the evening on Friday.

RAINFALL LIKELY IN SEVERAL PARTS OF INDIA

New Delhi, April 12: Several parts of the country are likely to receive rainfall in the next five days due to different cyclonic circulations, the India Meteorological Department (IMD) said on Monday.

According to the National Weather Forecasting Centre of the IMD, under the influence of trough and cyclonic circulations over the south peninsula, scattered to fairly widespread rainfall with thunderstorm, lightning and gusty winds of 30-40 kilometres per hour are very likely over southwest peninsular India in the next five days.

The IMD said isolated heavy rainfall is also likely over south and ghat areas of Tamil Nadu, Kerala and Mahe, coastal and south interior Karnataka during April 14-16.

Another cyclonic circulation lies over southwest Madhya Pradesh and neighbouring areas. Under its influence, isolated rainfall with thunderstorm, lightning and gusty winds (30-40 kmph) is very likely over Madhya Pradesh, Vidarbha, Telangana, Chhattisgarh, Gangetic West Bengal and Odisha during next 4-5 days and over Jharkhand during next 24 hours.

ON-BOARD MEALS BANNED IN FLIGHTS LESS THAN 2 HOURS

New Delhi, April 12: Airlines are not permitted to serve meals in flights that have a duration of less than two hours, the civil aviation ministry said on Monday, as Coronavirus cases continue to soar in the country.

The ban will come into effect from Thursday, the ministry said in its order.

When scheduled domestic flights were resumed on May 25 after Coronavirus lockdown last year, the ministry had allowed the airlines to serve in-flight meals under certain conditions.

Modifying the previous order, the ministry's fresh directive said: “The airlines, operating flights on domestic sectors, may provide meals services on board, where the in-flight duration is two hours or more.” The ministry stated it has decided to review the on-board meal services in domestic flights.

Don't scare BJP, you will serve under our feet: Ghosh to cops

Warns of sending Bengal cops to Bihar if they disagree with views of BJP

PRANMOY BRAHMACHARI | DC BEHRAMPUR (WEST BENGAL), APRIL 12

A day after warning of more Shitalkuchi-style killings in the remaining phases of the Assembly election in West Bengal, state BJP chief Dilip Ghosh threatened to send state police personnel to neighbouring Bihar if they disagreed with the views of the saffron party.

On Monday the Midnapore BJP MP, undeterred by complaints of intimidation and the TMC's demand for a ban on him for his threat of repeating the Shitalkuchi killings, told the police at a party rally at Suti in Murshidabad: “Don't try to threaten the BJP. Remember, we are coming to power, and you will have to serve under our feet. If you do not agree with us, go to Bihar, buy land and live there. I will arrange it for you.”

He also claimed: “We will bring back your lost pride and glory like the Ashoka symbol and independence, like the Uttar Pradesh police, so that no more Central paramilitary forces will be needed to combat law and order situations during elections.”

In the evening Ghosh, however, swung into damage control mode on his threat to repeat the Shitalkuchi-style killings. He said: “We do not want a repetition of the Shitalkuchi incident, where TMC miscreants tried to loot EVMs and the

‘Undeclared’ President’s rule in Bengal: Mamata

RAJIB CHOWDHURI | DC KOLKATA, APRIL 12

Accusing the Election Commission of imposing an “undeclared” Article 356 for the President's Rule during the Assembly election in West Bengal, Chief Minister Mamata Banerjee on Monday dared to quit politics if the BJP could show her even a single instance of its welfare work in comparison to her achievements of governance in the state.

“My request to the Election Commission with folded hands is: Please do not listen to the BJP only. Listen to all. If you are an impartial body, you will have to be impartial also...An undeclared Article 356, which is the President's Rule, has been

imposed here for the polls. Though it is not publicly spoken about anywhere, it has been put in place. I can challenge them every moment and at every

Constitutionally you are wrong. My point is constitutionally, factually and legally is correct,” the Trinamul Congress supreme told the EC at a party rally in Dum Dum of North Kolkata. She claimed, “We have undertaken a lot of development work. We will complete ten years in power in the next two months. The tenure includes four elections out of which two were about parliament while the two others were about Assembly. Meanwhile Covid-19 pandemic has been underway. So we actually got a time of only five-six years for work. If BJP can show me a single instance of its work against our volume of work in these years, I will then quit politics.”

guns of Central forces, instigated by Chief Minister Mamata Banerjee. We demand that she be punished.”

At another BJP rally at Farakka, Ghosh tried hard to woo Muslims, saying: “The Congress always won here. Though the situation is changing now, there is no change in the condition of poor Muslims. Murshidabad is one of the most backward districts in

India. Muslims were used as a vote bank here. While 70 per cent of Muslims remained backward, the youth of the community are either implicated in illegal activities like terrorism or are forced to work as migrant workers in other states. In comparison, Muslims are safe and living better in UP and Gujarat under the BJP.”

State Congress chief

Adhir Ranjan Chowdhury said at Bhagabangola: “Bengal is not the land of the fathers of Prime Minister Narendra Modi and Union home minister Amit Shah. It is our Bengal. It is the land of Hindus and Muslims. We are safe under the constitutional rights of India. We will not allow the Citizenship Amendment Act and the National Register of Citizens.”

TMC SPREADING LIES ABOUT NRC, SAYS SHAH

Kalimpong/Dhupguri (WB), April 12: Seeking to allay fears created among the people of the hills by TMC's “lies”, Union home minister Amit Shah asserted on Monday that the National Register of Citizens (NRC) will have no impact on the Gorkhas.

Shah, during an address after a roadshow in Kalimpong, said as long as the Narendra Modi-led BJP government is there at the Centre, no Gorkha will be harmed.

“NRC has not yet been implemented, but whenever it is done, not a single Gorkha will be asked to leave,” the senior BJP leader said.

“The Trinamul Congress is lying about the possible fallout of NRC on the Gorkhas in order to create fear among them,” he said.

Noting that Darjeeling and Kalimpong have suffered atrocities for long, Shah claimed in 1986, over 1,200 Gorkhas lost their lives, but they did not get justice.

The home minister also alleged that the Mamata Banerjee-government has also been responsible for the death of many Gorkhas in recent times.

“We will form an SIT and send those responsible for the wrongdoings behind bars,” Shah said. — PTI

Assam polls: 12 BPF candidates moved to C'garh

RABINDRA NATH CHOUDHURY | DC RAIPUR, APRIL 12

Bodoland People's Front (BPF), an electoral ally of Congress in Assam, has shifted its candidates to Congress-ruled Chhattisgarh fearing horse-trading.

Sources said nine out of 11 candidates of the party landed in Raipur on Monday and were taken to a private resort on the outskirts of the state capital.

“Nine candidates of BPF along with half-a-dozen senior leaders of the party arrived here. They were taken to a resort on the outskirts of Raipur. They are scheduled to spend their ‘vacation’ in Chhattisgarh till May 2 when the results of Assam assembly polls are scheduled to be announced”, a senior Congress leader told this newspaper here requesting not to be quoted.

Sources said Chhattisgarh Chief Minister Bhupesh Baghel who was appointed poll observer by Congress for Assembly elections in Assam, greeted the BPF

candidates after they arrived here.

When contacted by this newspaper, media cell chief of Congress in Chhattisgarh Sailesh Nitin Trivedy, however, said he was not aware of the development. “Let me verify it”, he said.

The three-phase Assembly polls in Assam which ended on April 6 promises to throw up a nail-biting verdict with ruling BJP locked in a keen contest with 10-party Opposition grand alliance led by Congress.

On Sunday, Pramila Rani Verma, the only BPF candidate who stayed put in Assam, told the local media in Guwahati that other party candidates left Assam on Saturday.

Assam's minority-based All India United Democratic Front (AIUDF), another constituent of Congress-led grand alliance, sent all its candidates to Congress-ruled Rajasthan in a chartered plane to thwart any bid by BJP to poach them.

Rajasthan Chief Minister Ashok Gehlot has sponsored their stay in Rajasthan.

‘Cyclone Fani’ to decide Pipili fate

AKSHAYA KUMAR SAHOO | DC BHUBANESWAR, APRIL 12

Nearly two years have passed since the cyclonic storm Fani ravaged Odisha's coastal Puri district. However, the wounds and injuries it inflicted are still explicitly visible on the landscape of the area. Many trees in villages still lie uprooted blocking walkways while other battered plants are yet to regain their green cover.

The degree of destruction the cyclone wrought can be seen in the pastoral villages. People are living in huts and shanties built with bits and pieces collected from the collapsed houses. The Union government had provided ₹95,000 ex-gratia for the affected people to rebuild their houses. However, discrepancy in identification of the affected persons and nepotism in selection of the beneficiaries has deprived many deserving people of the ex-gratia.

Scores of people are seen living perilously in shanties and sheds covered with torn and tattered polythene sheets and

coconut leaves. And this “deliberate” deprivation is going to immensely influence the outcome of the Pipili Assembly by-polls.

“On April 26, 2019, my house was razed to the ground in the 250-km per hour gusty wind of Fani. We were promised many compensations, including ₹95,000 ex-gratia for rebuilding our houses and ₹5,000 for livelihood support. However, I have not received any support. I doubt some influential people deliberately omitted my name suspecting that I do not support them politically,” says Mir Sabir, a mini-truck driver, hailing from Nuagudi village under Teispur gram panchayat.

Narendra Das, the ruling BJD supported Sarpanch of Teispur, admits the omission of deserving people in the beneficiaries' list. “Almost all affected persons who lost their houses in Fani were listed to get government assistance. However, after complaint petitions were filed by some people, a second survey was conducted by block-level officials. During this exercise many deserving people's names were dropped,” he said.

Declared dead, Covid patient alive

NAYYAR AZAD | DC PATNA, APRIL 12

In a shocking incident reported from Patna, a man, who had been admitted to Patna Medical College and Hospital (PMCH) with Covid-19 complications was mistakenly declared dead by the hospital authorities.

The dead body in sealed condition was handed to the family members along with a death certificate on Sunday. The issue snowballed into a controversy when the wife of the man wanted to have his last glimpse before the cremation. When the cloth covering was

removed from the face, the body turned out to be a person other than her husband.

The dead body was taken back to the hospital and after much hue and cry, the wife found her husband alive. The PMCH authorities later dismissed the health manager Anjali Kumari on charges of “negligence”.

Sources said that the hospital authority is also trying to find out whether other doctors or officials were involved in the incident. The health manager was dismissed by the hospital authorities immediately after the matter surfaced, sources said.

KARNATAKA CM: LOCKDOWN COULD BE IMPOSED IF THE NEED ARISES

Bengaluru, April 12: Karnataka Chief Minister B.S. Yediyurappa on Monday said the state government could impose lockdown if the necessity arises.

“People need to respond for their own good. If they don't heed then we may have to take stringent measures. If required and if necessity arises, we will impose lockdown,” Yediyurappa told reporters in Bidar. Reacting to queries on the growing

Coronavirus cases in the state, which saw the numbers breaching 10,000 on Sunday, he said the Prime Minister had also spoken to him about the measures taken by his government.

“(I told him) we have imposed night curfew in the districts where the Coronavirus cases are rising,” Yediyurappa said.

He insisted that people should wear face masks, use hand sanitisers and maintain social distancing.

HOLY BATH

Devotees defy Covid norms during 2nd royal bath of Kumbh Mela

Kumbh: Thousands take a dip in Ganga

Dehradun, April 12: Amid rising Coronavirus cases in the country, thousands of saffron-clad seers and ash-smearing Nagas flouted Covid-19 norms and converged at Har ki Pauri in Haridwar for a holy dip in the Ganga during the second royal bath of the Kumbh Mela on Monday.

The seers of different akhadas, led by their Mahamandaleshwaras, by

turns took out grand Shobha Yatras through the main thoroughfare of the pilgrimage city to gather at Brahma Kund, Hari ki Pauri for the holy bath on the occasion of Somvati Amavasya.

Marching barefoot to their destination with many of them not wearing masks or observing social distancing, the seers took a dip in the river as they were showered with flow-

er petals from helicopters flying above on behalf of Uttarakhand government.

While Har ki Pauri, considered the holiest of the Ghats was reserved exclusively for the akhadas from 7 am onwards, common people also took the holy dip on the other ghats of the Ganga, revered by millions as a goddess.

The mela administration claimed that approximately 17.31 lakh devotees had

taken the holy dip in the Ganga till 10 am.

Uttarakhand DGP Ashok Kumar said the Shahi Snan was being conducted smoothly throughout the Mela Kshetra from Haridwar to Devprayag. So far, seers of three out of a total of 13 akhadas have bathed in the river at Har ki Pauri while bathing by devotees is underway at the other ghats, the DGP said. Seers of Niranjani Akha-

da led by their Mahamandaleshwar Acharya Kailashanand Giri were the first to take a dip in the river on the occasion. Seers of Ananda Akhada also took bath along with them.

They were followed by Joona Akhada saints led by Acharya Kailashanand. Former King of Nepal Gyanendra Bir Bikram Shah was also among those who took a dip in the Ganga on the occasion. — PTI

SC judges to hold court from home after 44 staffers test +ve

PARMOD KUMAR | DC WITH agency inputs NEW DELHI, APRIL 12

With 44 Supreme Court staffers out of over 3,000 testing positive for the Coronavirus infection in the past one week, the Judges on Monday decided to hold the court through video-conferencing from their residences — a setback for hybrid hearing that the top court had started in March after a gap

of nearly one year.

While some judges had been coming to the apex court premises to hold court, few others have been presiding over proceedings from their residences till now.

As a consequence the hearing today was rescheduled with courts that were to assemble at 10.30 am assembled at 11.30 am and the courts that were to assemble at 11.00 am assembled at 12.00 noon.

The other notification sus-

pending physical mentioning of cases for urgent hearing by advocates from Monday till further orders. However, the mentioning of the matters for urgent hearing or listing through video-conferencing will continue.

The entire court premises including the court rooms were sanitised. While everything appeared to be in retreat, the top court officials said that the situation was not alarming.

IN BRIEF

34 migrants die as boat capsizes

Djibouti: Thirty-four migrants drowned on Monday after their boat capsized off the coast of Djibouti, the International Organisation for Migration (IOM) said, the second such accident in just over a month. Survivors reported that the boat capsized in rough seas at around 4.00 am (0100 GMT) after leaving Yemen with around 60 passengers on board, an IOM official in Djibouti said, asking not to be named.

Huthis claim attack on Saudi

Dubai: Yemen's Huthis claimed on Monday to have launched drone strikes against Saudi energy giant Aramco's facilities, amid an upsurge in fighting between the insurgents and the Riyadh-backed government in northern Yemen. Neither Aramco or Saudi authorities immediately reported any attack. Huthi spokesman Yahya Saree said in a statement that the strikes took place overnight, in retaliation for the six-year military campaign led by Saudi Arabia in Yemen.

Five new species found in Tibet

Beijing: Five new animal species have been discovered in Tibet, including three kinds of frogs, one old-world monkey and a bushmaster snake, challenging the long-held view that the Himalayan mountains are a desolate and lifeless region. The discovery of the five new species was the result of an eight-year investigation of the terrestrial wildlife in the Tibet Autonomous region carried out by the regional forestry bureau, state-run Global Times reported on Monday. The discovered species are: a type of macaque (a genus of gregarious Old World monkeys), bushmaster snake (venomous), and three kinds of frogs.

Activist on trial for pornography

Moscow: A Russian court on Monday opened the trial of a feminist activist and artist charged with disseminating pornography after she shared artwork depicting female anatomy online — a case in line with the Kremlin's conservative stance promoting "traditional family values" that has been widely seen as controversial and elicited international outrage. Yulia Tsvetkova, 27, from the far-eastern city of Komsomolsk-on-Amur, faces up to six years in prison on charges reportedly related to her group on the popular social network VKontakte where colourful, stylised drawings of vaginas were posted. Tsvetkova is not allowed to give details of accusations against her.

HUAWEI, HSBC AGREE ON PAPERS FOR EXTRADITION

Hong Kong, April 12: Chinese telecommunications equipment firm Huawei said on Monday that it has reached an agreement with HSBC in Hong Kong to obtain documents that its chief financial officer Meng Wanzhou hopes will help prevent her extradition to the US.

Meng, who was detained in Canada in 2018 at the behest of US authorities, has been fighting a legal battle over the last two years as the US seeks to extradite her over allegations of bank fraud and violations of sanctions against Iran.

The US accuses Huawei of using a Hong Kong shell company called Skycom to sell equipment to Iran in violation of US sanctions. It says Meng committed fraud by misleading HSBC about the company's business dealings in Iran.

An earlier request by Meng's legal team for documents from HSBC was rejected by a court in Britain. In a court hearing on Monday, Hong Kong High Court judge Linda Chan approved the document-sharing agreement between Huawei and HSBC.

"An agreement has been reached with HSBC in relation to the Hong Kong legal proceedings for document production and an order has been approved by the court," Huawei said in a statement on Monday. It is not clear which documents Huawei has obtained or what the scope of the agreement covers.

Report: Syria used chemical weapons

2018 Saraqib attack involved chlorine: OPCW

The Hague, April 12: The Syrian regime's air force used the chemical weapon chlorine in an attack on the town of Saraqib in 2018, the global toxic arms watchdog said on Monday after an investigation.

The report is the second by an investigations team set up by the Organisation for the Prohibition of Chemical Weapons (OPCW), which has the new power to apportion blame for attacks.

The OPCW said in a statement that the Investigations and Identification Team (IIT) "concludes that units of the Syrian Arab Air Force used chemical weapons in Saraqib on 4 February 2018".

"There are reasonable grounds to believe that, at approximately 21.22 on 4 February 2018, a military helicopter of the Syrian

THE TEAM issued its first report a year ago, in which it said Syrian President Bashar al-Assad's air force used the nerve agent sarin and chlorine in two attacks.

Arab Air Force under the control of the Tiger Forces hit eastern Saraqib by dropping at least one cylinder," the OPCW report said.

"The cylinder ruptured and released chlorine over a large area, affecting 12 named individuals," OPCW investigators interviewed 30 witnesses, analysed samples collected at the scene, reviewed symptoms reported by victims and medical staff and examined satellite imagery to reach their conclusions, the Hague-based organisation said. "Symptoms... included

shortness of breath, skin irritation, chest pain, and coughing," the report said.

However, it said it "regrets" that the Syrian regime refused to grant access to the site, some 30 miles (50 kilometres) south of Aleppo, despite repeated requests.

The team issued its first report a year ago, in which it said Syrian President Bashar al-Assad's air force used the nerve agent sarin and chlorine in two attacks on the village of Lataminah in March 2017.

Despite strong objections by Damascus and its ally Moscow, OPCW member states voted in 2018 to set up the team to attribute blame for attacks. Previously the watchdog could only say if chemical attacks had happened or not. — AFP

EU tries to save Iran N-talks

Iran blames Israel for sabotage at Natanz site

Brussels, April 12: The European Union on Monday warned against attempts to derail talks aimed at returning the United States to the Iran nuclear deal, after Tehran accused Israel of an attack on its main Natanz site.

EU spokesman Peter Stano said the reported incident "could have been an act of sabotage" but insisted that there had been no official attribution over who was responsible.

"We still need to clarify the facts in detail as quickly as possible," he said, adding: "We reject any attempts to undermine or weaken diplomatic efforts on the nuclear agreement."

The Natanz site near Tehran was hit by a power outage on Sunday that Iran labelled "terrorism", a day after officials announced the country had started up advanced uranium enrichment centrifuges.

Washington, April 12: President Joe Biden holds a rare meeting on Monday with opposition Republican lawmakers, as well as Democratic allies, to push his more than \$2 trillion infrastructure bill — a daring bid to rebuild the United States and cement his place in history.

The White House meeting between Biden and eight members of Congress is being stage managed to show that the new president has made good on his promise to end the divisiveness that turned Washington into a permanent dog fight

powers aimed at curbing Iran's nuclear ambitions, after former president Donald Trump withdrew. The EU's mediator on Friday described the talks

as "constructive", as those involved look to persuade Washington to drop sanctions reimposed by Trump and for Tehran to roll back breaches of the deal. New US President Joe

Biden has said he wants to revive the agreement, which places limits on the Islamic republic's nuclear programme in return for relief from biting economic sanctions. — AFP

Russia threatens to force-feed Navalny

Moscow, April 12: Russian prison officials are threatening to start force-feeding jailed Kremlin critic Alexei Navalny, his team said on Monday, after he lost eight kilograms (18 pounds) since starting a hunger strike.

"Seeing the seriousness of the hunger strike, the administration is threatening every day to start force-feeding," Navalny's team said in a post on his Twitter account.

It said Navalny, who last week said he had a cough and fever, had been transferred back to the prison barracks from his infirmary. "They are still not allowing a doctor to see him," it said. The 44-year-old opposition politician now weighed 77 kilograms

(169 pounds), it said, down from 85 kilograms (187 pounds) when he started the hunger strike on March 31. Navalny, who barely survived a poisoning with nerve agent Novichok last August, began refusing food in protest at what he said was a lack of proper medical treatment in prison for severe back pain and numbness in his legs.

Navalny, President Vladimir Putin's best-known opponent, was arrested in mid-January when he returned to Russia from Germany, where he had been treated for the poisoning, and was sentenced to two and a half years in prison on old embezzlement charges in February. — AFP

Astra's diabetes drug suffers setback

London, April 12: British pharmaceutical giant AstraZeneca on Monday said that following a trial, its diabetes drug Farxiga was not successful in treating Covid patients at risk of severe complications.

AstraZeneca, whose separate Covid vaccine rollout has been hampered by health concerns, said its trial "assessing the potential of Farxiga to treat patients hospitalised with Covid-19 who are at risk of developing serious complications... did not achieve statistical significance".

The trial was carried out alongside Saint Luke's Mid America Heart Institute and looked at potential complications including diabetes and heart failure.

"While the trial did not achieve statistical significance, the findings are very interesting and valuable, and will inform future clinical science," Saint Luke's cardiologist Mikhail Kosiborod said in a joint statement.

Public confidence in AstraZeneca's Covid-19 vaccine has meanwhile been badly shaken by reports linking it to rare, but potentially fatal, blood clots, and by conflicting recommendations over its use. — AFP

Virus may give rise to crimes: Europol

The Hague, April 12: The Coronavirus pandemic could fuel organised crime for years to come in Europe, a continent already at "breaking point" from an unprecedented flood of cocaine, the EU's policing agency warned Monday.

In its flagship four-yearly report, Europol said increasingly violent criminal gangs are likely to muscle in on legitimate businesses left vulnerable by the economic damage caused by Covid-19.

Criminals are also offering fake Coronavirus vaccines and home-testing kits as they seek to capitalise on global

efforts to recover from the virus, the Hague-based agency said.

"We are at the breaking point," Europol's director Catherine De Bolle said.

"The impact on the lives of citizens, on the economy, on the rule of law is too big. That's what we see from this... report." The "Serious and Organised Crime Threat Assessment" is an in-depth report issued every four years which will be used by EU member states to set crime-fighting priorities until 2025. — AFP

TOKYO ADOPTS STRICT RULES TO FIGHT COVID

Tokyo, April 12: Tokyo adopted tougher measures against the Coronavirus on Monday as it struggles to curb the rapid spread of a more contagious variant ahead of the Olympics in a country where less than 1 per cent of people have been vaccinated.

Japan started its vaccination drive with medical workers and expanded on Monday to older residents, with the first shots being given in about 120 selected places around the country.

The measures remain through May 11. — AP

BORIS URGES PUBLIC TO 'BEHAVE RESPONSIBLY'

United Kingdom, April 12: British Prime Minister Boris Johnson urged people to "behave responsibly" as the country that has had Europe's deadliest Coronavirus outbreak took a big step on its roadmap toward a resumption of normal life.

Monday brought the easing of restrictions that have been in place in England since early January to suppress a surge in infections linked to a more transmissible new virus variant first identified in the southeast of the country.

Long lines formed outside some stores, including a branch of Nike Town on London's busy Oxford Street, and pubs and restaurants with outdoor space reported a flood of bookings.

Helen Dickinson, chief executive of the British Retail Consortium, said businesses that have endured months of enforced closure were "excited and desperate" to welcome customers back. — AP

Suu Kyi hit with a new criminal charge

Yangon, April 12: Myanmar's ousted civilian leader Aung San Suu Kyi was hit with a fresh criminal charge on Monday, as the junta's tough crackdown on dissent rolls on.

The 75-year-old Nobel laureate has not been seen in public since being detained in the early hours of February 1 as the military deposed her government and seized power.

The generals have used increasingly bru-

tal methods to try to quell a growing protest movement against their rule, while Suu Kyi faces a raft of criminal charges that could see her barred for life from office.

"Amay Suu has been charged again under section 25 of the natural disaster management law," lawyer Min Min Soe said after a court hearing in the capital Naypyidaw, where Suu Kyi appeared by video link.

"She has been charged in six cases altogether — five charges in Naypyidaw and one in Yangon." The most serious charge Suu Kyi faces falls under Myanmar's official secrets laws.

Min Min Soe said Suu Kyi, who is under house arrest in Naypyidaw, appeared in good health but it is not clear if she has any idea of the turmoil that has unfolded in Myanmar over the past two months. — AFP

Yuri Gagarin almost died on first space odyssey 60 years ago

Moscow, April 12: Crushed into the pilot's seat by heavy G-forces, Soviet cosmonaut Yuri Gagarin saw flames outside his spacecraft and prepared to die. His voice broke the tense silence at ground control: "I'm burning, Goodbye, comrades." Gagarin didn't know that the blazing inferno he observed through a porthole was a cloud of plasma engulfing Vostok 1 during its re-entry into the Earth's atmosphere, and he was still on track to return safely.

It was his quiet composure under pressure that helped make him the first human in space 60 years ago. Gagarin's

GAGARIN'S PIONEERING, single-orbit flight made him a hero in the Soviet Union and an international celebrity.

steely self-control was a key factor behind the success of his pioneering 108-minute flight. The April 12, 1961, mission encountered glitches and emergencies — from a capsule hatch failing to shut properly just before blastoff to parachute problems in the final moments before touchdown. From the time 20 Soviet air force pilots were selected to train for the first

crewed spaceflight, Gagarin's calm demeanor, quick learning skills and beaming smile made him an early favorite.

Two days before blastoff, the 27-year-old Gagarin wrote a farewell letter to his wife, Valentina, sharing his pride in being chosen to ride in Vostok 1 but also trying to console her in the event of his death. "I fully trust the equipment, it mustn't let me down. But if something happens, I ask you Valyusha not to become broken by grief," he wrote, using a nickname for her. Authorities held onto the letter and eventually gave it to Gagarin's widow

seven years later after he died in an airplane crash.

She never remarried. Gagarin's pioneering, single-orbit flight made him a hero in the Soviet Union and an international celebrity. After putting the world's first satellite into orbit with the successful launch of Sputnik in October 1957, the Soviet space program, rushed to secure its dominance over the US by putting a man into space.

"The task was set, and people were sleeping in their offices and factory shops, like at wartime," Fyodor Yurchikhin, a Russian cosmonaut, recalled. — AP

Ration' app

The government's 'Mera Ration' mobile app has been downloaded by more than 5 lakh people within a month of its launch, a senior government official said. The app, launched on March 12, is helpful to ration card holders, particularly migrants, for identifying the nearest fair price shop and checking details of their entitlement and recent transactions. The Android-based app is currently available in Hindi and English.

Panic wave in mktRAVI RANJAN PRASAD
MUMBAI, APRIL 12

Sensex and Nifty-50 fell close to 3.5 per cent on prolonged lockdown fears, as the second Covid wave became more severe with 1.69 lakh people affected in a single day.

Investors suffered a notional loss of over Rs 8.77 lakh crore, as BSE's market capitalisation dipped to Rs 200,85,806 crore from Rs 209,63,241 crore last Friday.

The Sensex fell 1898 points intra-day to 47693.44 with the weekend spike in cases making investors jittery, who resorted to profit taking in stocks and sectors that had run up sharply in recent weeks.

The Sensex closed below the 48000-mark, down by 1707.94 points at 47883.38 while the Nifty-50 closed 524.03 points down at 14310.80, after touching an intra-day low of 14248.70.

Foreign portfolio investors net sold stocks worth Rs 1,746.43 crore and there was little support coming from the domestic institutions as they were net buyers by just Rs 232.76 crore.

"The rising cases of Covid-19 and a fear of probable lockdown in some parts of the country led to a sell-off in our markets which resulted in a huge under performance compared to the global peers," said Ruchit Jain, analyst-technical and derivatives, Angel Broking.

NSE's India VIX index, an indicator of market volatility in coming days, climbed up 16.22 per cent to 23. Among the sectoral indices the top losers were Nifty Metal (-6.07 per cent), Realty (-7.50 per cent), Bank (-5.10 per cent).

Choppy times ahead for rupee

FALAKNAAZ SYED
MUMBAI, APRIL 12

The rupee plunged below 75 against the dollar for the first time in eight months on Monday as investors worried over the likely economic fallout of several states considering lockdown restrictions and a strong dollar globally. Analysts believe volatility is ahead for the rupee, with more states joining localised lockdown to contain the Covid-19 second wave. This was the sixth straight session of loss for the rupee, during which it has depreciated by 193 paise.

At the interbank forex market, the rupee closed at 75.05 against the dollar after trading in the 74.78-75.14 range, down 32 paise.

Adding to the panic was the Reserve Bank's policy of providing more and more liquidity to the system through the government securities acquisition programme, under which it will purchase Rs 1 lakh crore worth bonds from the market. GSAP, though positive for the bond market (where yields have softened by 5-8 basis points) is not so for the cur-

rency. There is now excess liquidity of Rs 7 lakh crore in the reverse repo basket and there will be an infusion of Rs 25,000 crore on the 15th of this month. Such high liquidity means interest rates will remain low. The problem is, the US 10-year yield is now at 1.66 per cent, while Indian bonds are being driven down. This makes India less attractive for investors.

"Choppy times are ahead for the rupee, which was definitely not expected as the liquidity dimension added by the RBI and the commentary provided have spooked the market," said Madan Sabnavis, chief economist at Care Ratings.

MUMBAI, APRIL 12

Tata Consultancy Services (TCS) on Monday ushered in the March quarter earnings season, reporting a 14.9 per cent rise in its consolidated net profit to Rs 9,246 crore.

The country's largest software services firm had posted a net profit of Rs 8,049 crore in the year-ago period.

In a regulatory filing, TCS said its revenue grew 9.4 per cent in the March 2021 quarter to Rs 43,705 crore from Rs 39,946 crore a year ago.

"Our investments over the last decade in building newer capabilities, and in research and innovation, position us well for the multi-year technology services opportunity ahead. While we continue to dominate in our traditional areas of strength, we are making good progress in gaining share in the growth and transformation opportunity," Rajesh Gopi-nathan, chief executive officer and managing director, TCS, said.

The company's net profit for the financial year ended March 2021 was up at Rs 33,388 crore (excluding legal claim provisions) against Rs 32,340 crore in the previous financial year. Its net profit on a reported basis stood at Rs 32,430 crore for FY21.

The board has proposed a final dividend of Rs 15 per equity share.

SMEs to get ₹250 cr

CHENNAI, APRIL 12

Micro, small and medium enterprises, which account for the majority share of the food processing industry, will receive incentives valued at a mere Rs 250 crore in six years under the recently announced Rs 10,900-crore Performance Linked Incentive Scheme for the segment.

The draft PLI scheme says Rs 9,040 crore has been allocated for companies producing ready-to-cook and ready-to-eat foods, processed fruit and vegetables, marine products and mozzarella cheese. But only 2 per cent, or Rs 250 crore, of this amount will go into the

kitty of SMEs, that too, to those who produce organic and innovative products.

"This includes Rs 250 crore or approximately 2 per cent of the outlay, which has been earmarked for innovative/organic products in the SME sector..." said the draft. The remaining will be allocated to select large manufacturers of food products.

"The allocation for SMEs is less and is only for those who produce organic and innovative products. We will reach out to the government on this," said Piruz Khambatta, CMD of Rasna.

He says some 30,000 to 40,000 FSSAI-registered SMEs are there in the food processing industry.

NEW DELHI, APRIL 12

With a sharp spike in food inflation, retail inflation jumped to 5.52 per cent in March, the highest in three months, while the Index of Industrial Production (IIP) contracted by 3.6 per cent in February, data from the statistics ministry showed.

Food inflation saw a steep rise of 4.94 per cent in March from 3.87 per cent in February, but vegetable prices fell to 4.83 per cent last month from 6.27 per cent in February.

The IIP also showed a worrisome trend by contracting 3.6 per cent against an expansion of 4.5 per cent in February 2020. The IIP had contracted 1.6 per cent in January 2021 as well.

PASSENGER VEHICLE SALES
DROP 2.24% IN FY21: SIAM

Pune, April 12: Passenger vehicles sales fell 2.24 per cent to 27.11 lakh units in financial year 2020-21, down from 27.73 lakh units sold in FY20, the Society of Indian Automobile Manufacturers (SIAM) said on Monday. The two-wheeler industry has been badly hit, with a significant 13.19 per cent contraction in year-on-year sales at 151.19 lakh units. Commercial vehicle sales dropped 20.77 per cent at 5.69 lakh units and three-wheeler sales saw a 66 per cent decline at 2.16 lakh units. This dip in sales has largely been a fallout of the Covid-19 pandemic, when sales came to a complete halt in April 2020. While monthly passenger vehicles sales in the last few months have set new records, the surge fuelled by more discretionary spending on cars and an affinity towards personal mobility has not compensated for the subdued months during last year's lockdown. — *Michael Gonsalves*

London: Manchester United staged a superb fightback to shatter Tottenham's top-four bid with a 3-1 win, while West Ham climbed to fourth place in the Premier League as the revitalised Jesse Lingard inspired a 3-2 victory against Leicester on Sunday.

Ole Gunnar Solskjaer's side trailed to Son Heung-min's first half strike, but United scored three times after the break through Fred, Edinson Cavani and Mason Greenwood. Second-placed United's fourth successive league win avenged their embarrassing 6-1 home defeat against Tottenham in October. — *AFP*

London: Tottenham Hotspur are to take action after Korean star Son Heung-min was subjected to "abhorrent racist abuse" on social media following Sunday's 3-1 defeat by Manchester United. Son is the second Spurs player in as many matches to suffer such abuse following Davinson Sanchez after the 2-2 draw with Newcastle United on April 4. Son scored Spurs's goal but was involved in a controversial incident when he went down clutching his face after contact with Scott McTominay. "Another matchday and more abhorrent racial abuse suffered by one of our players," said a Spurs statement. — *AFP*

Milan: Antonio Conte's Inter Milan tightened their grip on the Serie A title on Sunday with Matteo Darmian scoring the only goal in a 1-0 win over Cagliari to stretch their winning streak to 11 games. Champions Juventus consolidated third place with a 3-1 win over Genoa as Atalanta battled to a 3-2 victory over Fiorentina to stay fourth ahead of Napoli who won 2-0 at Sampdoria. "We're starting to see the finish line," said Conte after Inter restored their 11-point lead on second-placed AC Milan who won 3-1 at Parma on Saturday. Achraf Hakimi came off the bench and set up Darmian to grab the winner with 13 minutes to go at the San Siro. — *AFP*

Hideki goes green at Augusta
Matsuyama becomes first Japanese to win Masters

Augusta (United States), April 12: Hideki Matsuyama became the first Japanese man to win a major golf championship on Sunday, holding his nerve down the stretch to capture the 85th Masters after a dramatic final round.

Carrying the hopes of a nation on his shoulders, Matsuyama calmly ground out clutch pars and struck for crucial birdies in a pressure-packed march at Augusta National, hanging on over the final holes for a historic one-stroke victory.

Matsuyama took the green jacket symbolic of Masters supremacy, a top prize of \$2.07 million and a place for the ages in Japanese sports history.

"I'm really happy," he said through a translator. "Hopefully I'll be a pioneer in this and many other Japanese will follow. I'm happy to open the floodgate and many more will follow me."

"Maybe a lot of younger golfers thought, 'That's an impossibility,' but with me doing it they will realize it is possible and if they set their minds to it they can do it," he added.

After seeing his seven-stroke lead with seven holes remaining shaved to two shots with three to go, Matsuyama watched Xander Schauffele find water off the 16th tee on the way to a triple-bogey disaster. Matsuyama settled for bogey but closed with par at 17 and a bogey at 18 to fire a one-over-par 73 and finish 72 holes on 10-under 278.

USA's Will Zalatoris was second on 279 with Jordan Spieth and Schauffele sharing third on 281.

Matsuyama became only the second Asian man to win a major title after South Korea's Yang Yong-eun at the 2009 PGA Championship.

Matsuyama, ranked 25th, hadn't won since the 2017 WGC Akron tournament. The best prior majors by Japanese men were Isao Aoki's runner-up effort at the 1980 US Open and Matsuyama's share of second at the 2017 US Open. — *AFP*

Tears, cheers and shares rise
as Hideki win thrills Japan

Tokyo, April 12: Thrilled Japanese golf fans welcomed Hideki Matsuyama's historic Masters victory on Monday, with broadcasters close to tears and the prime minister hailing the win as a bright spot during the pandemic.

"Matsuyama Masters" trended on Twitter and golf-related shares rose on the Tokyo stock market after the 29-year-old became the first Japanese man to capture a major golf title.

"Matsuyama opens the door of history," declared the Asahi Shimbun newspaper.

In Japan, the one-stroke victory was sealed just after 8.00 am Monday morning, with some broadcasters carrying live footage of his final-round

73 that saw him finish on 10-under par.

On the TBS station, broadcasters and commentators choked up as Matsuyama sank the final putt to claim the green jacket symbolic of Masters supremacy.

"Congratulations. Thank you," a presenter said as two golf commentators next to him struggled to hold back tears.

TV networks ran breaking news flashes announc-

ing the victory and several newspapers published special editions online, usually reserved for major stories.

As Tokyo's stock market opened, shares in Value Golf, which provides services linked to the sport, jumped 14 percent, while golf club maker Graphite Design rose 16 percent.

Fans flooded to congratulate the country's new sporting hero as social media lit up.

"I can't see through my tears," one fan tweeted.

Japan's prime minister, Yoshihide Suga, told reporters Matsuyama's performance had been "really wonderful". "I think it encouraged and excited people across Japan at a time when the impact from coronavirus is lingering," he said.

Women's Challenge not to be expanded

The BCCI is likely to stick to three teams for the Women's T20 Challenge tournament, usually held during the IPL play-offs. The Board had planned to increase the exhibition event to four teams last year but it will continue to be a three-team affair due to the COVID-19 pandemic. Since the delayed IPL was held in the September-November window last year, the Women's Challenge clashed with the WBBL, making the Australian players unavailable. "There is a good chance that it will be held in Delhi. Talks are on with the leading Australian and England players," a BCCI official said.

Parag 'underarm' raises eyebrows

Riyan Parag went as low as illegally allowed in cricket to release a ball when bowling to Chris Gayle during the Punjab Kings innings against Rajasthan Royals in the IPL on Monday. The umpire was seen having a word with the bowler after the delivery, as the commentary box exploded in surprise.

"How low is a legal sidearm delivery?" was the question raised by Harsha Bhogle. "Underarm deliveries are not allowed any more, as the Australians know well," he said.

Avesh cherishes Dhoni's wicket

Delhi Capitals' pacer Avesh Khan said he fulfilled a long-cherished dream when he got former India skipper Mahendra Singh Dhoni's prized wicket in their IPL opener against Chennai Super Kings. "Three years ago, I had a chance to take Mahi *bhai's* wicket, but somebody had dropped the catch. But now my dream of taking Mahi *bhai's* wicket is fulfilled, so I am very happy about it," Avesh said. "Since he has not played competitive matches for some time, we had planned to put pressure on him and because of that pressure I could take his wicket," he added.

ROYAL FUMBLE!

Samson's hundred in vain as Rajasthan falter at finish line

Mumbai, April 12: Sanju Samson's magnificent 119 went in vain as Punjab Kings beat Rajasthan Royals by four runs in their IPL match here on Monday.

Rajasthan needed 13 off the last over and five off the last ball. Samson who denied a single to partner Chris Morris in the penultimate ball was caught at sweeper cover.

"I don't have words to explain my feelings. Would have loved to finish it off for my team. I don't think I could have done better than that. I thought I timed it well for a six but somehow. Catches go down and good catches were also taken. It's part of the game," said Samson who became the first player to hit a century on captaincy debut.

Earlier, KL Rahul and Deepak Hooda pummelled the Rajasthan Royals bowlers into submission with their sensational stroke play, propelling Punjab Kings to an imposing 221 for six in the IPL here on Monday.

While Rahul smashed seven fours and five sixes in his 50-ball 91, Hooda, playing his first game since the last IPL, plundered six maximums and four boundaries as he blazed his way to 64 off just 28 balls.

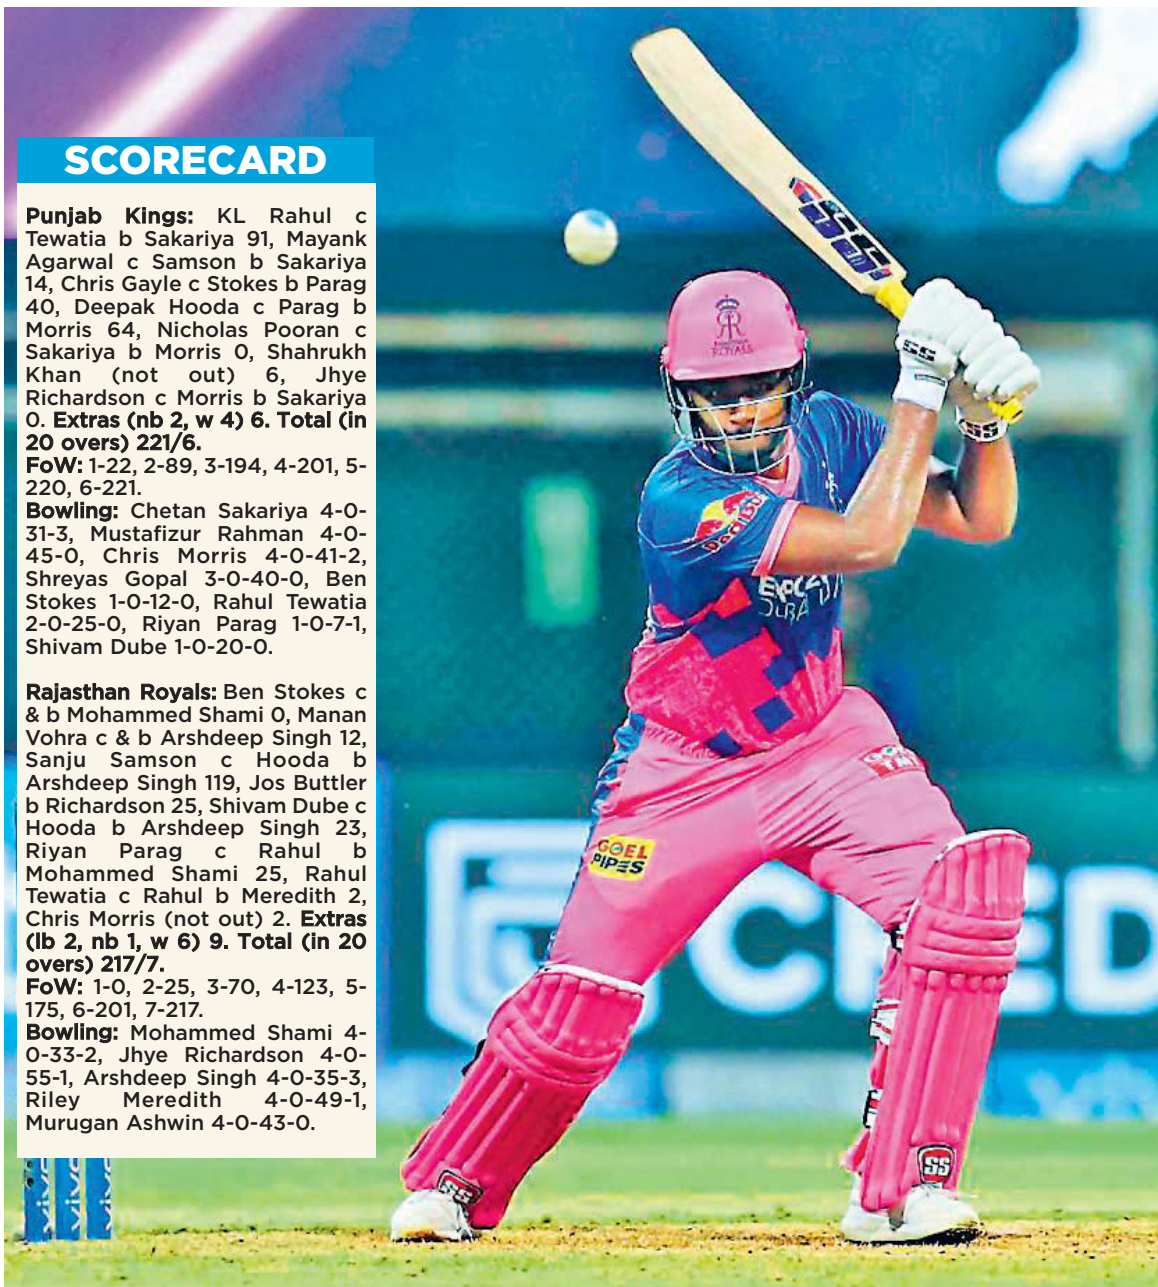

Put into bat, Punjab lost opener Mayank Agarwal (14) early, who edged it back to Royals captain and wicketkeeper Sanju Samson for IPL debutant Chetan Sakariya's first wicket.

He ended being the pick of the bowlers, conceding only five runs in the 20th over.

Rahul, who got his first four with a glance to the fine-leg fence, and Chris Gayle (40 off 28) gave the team a good start with their 67-run stand.

Rahul got a 'life' after Ben Stokes dropped him at the fence in the seventh over even as Gayle, looked in his elements.

The duo then took on Stokes, as Gayle hit his

350th IPL six, a pull over deep square in the 8th over with Punjab racing to 70 for one.

Gayle was dropped by leggie Rahul Tewatia (0/25) off his own bowling and the very next ball, the left-hander smashed a six.

However, in the 10th over, Riyan Parag (1/7) removed Gayle, who was

holed out to Stokes in the deep.

Rahul then changed gears and got to his fifty with a six over Shivam Dube's (0/20) head in the 13th over.

Hooda then smashed two maximums in the same over and then struck three sixes off Shreyas Gopal (0/40) in the next as

Punjab went ballistic.

It was Rahul and Hooda's show at the Wankhede that made the difference to their total as the duo tore into the opposition attack on way to their 105-run stand.

Courtesy their monstrous hitting, Punjab added 111 runs in the final eight overs.

Hooda, who had made a 62 against CSK in his last competitive game in November, had stormed out of the Baroda camp ahead of the Syed Mushtaq Ali Trophy after claiming that Krunal Pandya misbehaved with him. Hooda was subsequently suspended. — PTI

We have destructive batting unit: Morgan

DC CORRESPONDENT
CHENNAI, APRIL 12

Knight Riders skipper Eoin Morgan said the Kolkata franchise have one of the most destructive batting line-ups in the IPL. He warned rivals that they would soon be firing on all cylinders.

"One of the many strengths we have within our squad is two of the most talented guys in the country opening the batting for us," Morgan said after beating Sunrisers Hyderabad by 10 runs on Sunday.

"It was quite magnificent the way the guys at the top of the order batted.

Tripathi today at No. 3 played beautifully, and the middle-order we have is extremely versatile. When Dinesh plays like that or Andre plays the game he can play, you're going to see a very destructive batting unit that has potential to win you matches," Morgan added.

Morgan also hailed his bowling unit. "Certainly the bowling, we couldn't have asked for a better start. Chopped and changed a bit in the power-play. Huge amount of structure that goes into the decisions on the field. We have got a fantastic head coach in (Brendon) McCullum," said Morgan.

Fit-again Padikkal raring to go

Chennai, April 12: The "setback" called COVID-19 behind him, Royal Challengers Bangalore opener Devdutt Padikkal says he is now completely ready to play his part in the IPL and confident of replicating his stupendous domestic form in the ongoing league.

Padikkal contracted the deadly virus on March 22 and was in isolation, but has since completely recovered and resumed practice with his RCB teammates.

"COVID was a setback. I wish that it didn't happen but that's something I couldn't control...I had to accept the way it was and just make sure that I kept myself fit so that when I comeback I can be ready for the game," he said in a video posted on RCB's Twitter handle.

Devidutt Padikkal

"Right now I am completely fine, most importantly I am able to move around well, I am able to react to balls and that's the most important part...in IPL you always have to be ready, you always have to be 100 per cent in every situation.

Unless you are 100 per cent, you can't really push yourself."

The 20-year-old Karnataka left-hander was RCB's highest run-getter in IPL 2020 with 473 runs from 15 matches, including five half-centuries in what was his debut season.

Padikkal continued rich form in the last Syed Mushtaq Ali Trophy (218 runs at an average of 43.60 in six matches) and Vijay Hazare Trophy (737 runs in seven matches).

"...last IPL was amazing for me. It was such a great experience and exposure for me, the opportunities I got and the fact that I was able to contribute to the side is all that matters in the end.

"Mushtaq Ali was decent, not up to what I was expecting and in

Vijay Hazare I was just looking to get back into my rhythm and focus on what I am doing and really improve my game every time I went out to bat.

"It was really great to have the runs behind me, so coming into IPL, I know that I am confident," Padikkal said.

Having missed RCB's two-wicket win over Mumbai Indians in this year's IPL opener, Padikkal is expected to feature in his side's second game against Kolkata Knight Riders here on April 18.

And the young batsman can't wait to open along side skipper Virat Kohli when the opportunity comes. "Definitely, it's something new...I am definitely looking forward to that," he said. — PTI

Knights run into nemesis Mumbai

DC CORRESPONDENT
CHENNAI, APRIL 12

After a familiar script in their season-opener, defending champions Mumbai Indians would be eager to get off the mark when they take on Kolkata Knight Riders here at the M.A. Chidambaram Stadium on Tuesday.

While Mumbai went down to Royal Challengers Bangalore in a last-ball thriller, Kolkata Knight Riders got off to a rousing start by getting the better of Sunrisers Hyderabad.

Though KKR are fresh from their impressive win, Mumbai will go into the match as favourites having a stranglehold over the head-to-head. Mumbai have won 21 matches in their 27 previous meetings.

The failure of Mumbai's fancied middle-order batsmen in the death overs can be attributed to their stumbling start. And none of the batsmen managed to get past 50. Reserve opener Chris Morris who was drafted in because of Quinton de Kock's unavailability was Mumbai's top-scorer with 49.

Now that de Kock is out of quarantine, it would be interesting to see who walks in with Rohit Sharma to open the innings.

Barring Rahul Chahar, all the Mumbai bowlers had a decent outing against RCB. Lanky South African Marco Jansen who had an impressive debut with figures of 2/28 in his four overs holds a lot of promise.

Two uncapped Indians — Rahul Tripathi and Nitish Rana — were the main architects in Kolkata Knight Riders' win. The contribution of Dinesh

Karthik who scored an unbeaten 22 off 9 balls proved to be vital in the final analysis.

Pacer Prasidh Krishna who recently made his India debut has evolved in Kolkata colours. Andre Russell who failed to fire as a batsman made amends with the ball. It was his superb final over which carried KKR past the finish line.

Eoin Morgan is unlikely to change Kolkata Knight Riders' combination of overseas players as Aussie Pat Cummins and Bangladesh's Shakib Al Hasan had provided vital breakthroughs.
