Farmers, farm union leaders held for jam Oct. 2 deadline to repeal laws: Tikait

BALU PULIPAKA | DC
HYDERABAD, FEB. 6

Hundreds of farmers, representatives of farmer unions, along with leaders and workers from various political parties were arrested at many locations around Hyderabad for obstructing traffic as part of the nationwide 'chakka jam' protest on Saturday.

The largest of such protests was held near the Hayathnagar bus depot on the Vijayawada highway for about an hour from noon.

In all, 50 such protests were held across Telangana state with no reports of any untoward incidents. Protests were held on the highways including Bodhan, Armoor, Kammarpally, Makur in Nizamabad district, Wardhannapet, Narsampet and Mandarpet in Warangal

Centre time till October 2 to withdraw the laws.

Farmers, he added, will return home only after the government repeals the contentious legislation and makes a law ensuring legal guarantee for minimum support price (MSP).

"There will be no compromise on this," he said and asserted that the agitation is for the whole of India and not one state.

Sangharsh Coordination Committee, was in solidarity with striking farmers who have been camping outside New Delhi.

SHORT TAKES
MINISTER: SEC SEEKING MP NOMINATION

From Page 1

The minister was quoted as saying that the SEC was trying to gain an MP or MLC nomination from the Telugu Desam.

The SEC said that the intention for issuing such an order was to carry out the mandate given to the Election Commission to hold free and fair elections and to insulate collectors and returning officers from fear psychosis following the minister's threats. The SEC's order will come into effect immediately.

The SEC said that the minister's utterances were a serious breach of rule of law and unconstitutional. It said that the threats transgressed election laws and abuse of office for wrongful ends.

The SEC justified its action on the minister by saying that his exhortation in favour of forced unanimous elections was nothing but a veiled threat administered to disintegrate the citizens to participate in the election process as contestants and voters. However, it said that the restrictions imposed on the minister would not prevent him to access his medical aid and other exigencies and also to dispose of his official papers and matters.

TRS PLANS TO WIN MAYORAL POLLS WITHOUT MIM

From Page 1

The Deputy Mayor will be elected thereafter. If, for any reason, the mayoral elections are not held on February 11, polling will be held the next day – February 12 – even if it is a holiday for the GHMC.

According to official records, ex-officio members of the TRS have been reduced from 38 to 32 since MLA and MLCs Yegge Mallesham, Garikapati Rammohan Rao, Katelyan Janardhan Reddy and minister Sabitha Indra Reddy utilised their votes in the Tukkuguda municipality. They are thus ineligible to vote in GHMC polls.

MLA Manchirreddy Kishan Reddy, MLC M. Srinivas Reddy and Rajya Sabha MP Banda Prakash have cast their vote in Adibatla municipality. MLCs Kurumaiyahari Naveen Kumar and Patham Mahender Reddy have utilised their vote in Pedda Amberpet municipality.

Rajendranagar MLA T. Prakash Goud and Chevella MP Gaddam Ranjith Reddy have voted in the Narsangi municipality; labour minister Ch. Malla Reddy and MP A. Revanth Reddy in the Budupur Municipal Corporation and MLA K.P. Vivekananda in the Komppally municipality.

TRS is learnt to have chalked out plans to elect a Mayor from its own party without the support of MIM. After the newly elected corporators take oath, a quorum of at least 50 per cent of elected members is required for electing the Mayor and his deputy. Majority corporators, including ex-officio members, can elect the Mayor and Deputy Mayor without the support of any political party, whose members can also avoid participating in the meeting. Technically, the TRS does not even require the support of its 32 ex-officio members to elect one of its corporators as the Mayor. The presence of MIM's 10 and BJP two ex-officio members will in no way affect the outcome of the mayoral polls.

MINIMUM TEMP DROPS IN COASTAL AP

DC CORRESPONDENT
VISAKHAPATNAM, FEB. 6

Minimum temperature dropped in many coastal Andhra Pradesh parts for the second day on Friday. Nandigama in Krishna district witnessed a fall of 3.50°C, followed by Visakhapatnam where the minimum temperature dropped by 3.40°C and recorded 15.80°C.

The minimum temperature dropped by 3.40°C in Anantapur which recorded 15.4 degrees Celsius. Kalingapatnam in Srikakulam registered a drop of 3.90°C and recorded 15.40°C. Director of IMD, Amaravati S. Stella told Deccan Chronicle that northerly winds particularly blowing from Odisha caused the drop in the temperature. The situation will continue till February 11, she added.

All dams have enough water for summer

Good storage due to heavy rains during monsoon last year

L. VENKAT RAM
REDDY | DC
HYDERABAD, FEB. 6

Most reservoirs in the Krishna and Godavari basins in Telangana state have more water than previous years, just before the onset of summer. At others, the water is close to the levels seen in 2020.

The government is confident it can sail through this summer without facing drinking water shortage either in the city or in the districts.

The good storage is the result of heavy rains received during the southwest monsoon that lasted till October. The state received 1,259.7 mm of rainfall from June 1, 2020, against the norm of 852.8 mm, an increase of 48 per cent. In the GHMC limits, the total was 1221.1 mm against 723.5 mm usually, which is higher by 68.8 per cent.

Nagarjunasagar in the Krishna basin remains the major source of drinking water for the GHMC limits and south Telangana districts. As on Saturday, the water level at Nagarjunasagar dam stood at 559.50 ft against the full reservoir level (FRL) of 590 ft. It has 231.22 tmc ft against gross storage of 312.05 tmc. The same day last year, it had 551.30 ft and 212.43 tmc ft.

In Sriram Sagar dam, water stood at 867.30 ft against 868.8 ft last year (FRL 885 ft) and the storage was 130.96 tmc ft against 138.93 tmc last year (total capacity 215.81 tmc ft).

Same is the case with the major dams in Godavari basin.

Sriramsagar had water at 1083.30 ft on Saturday (last year 1,084.4 ft, FRL 1,091 ft) and storage of 61.77 tmc (last year 64.99 tmc, gross capacity 90.31 tmc)..

The Mid-Manair dam is brimming with water at 1040.72 (last 1,039.93 ft, FRL 1043.31 ft) and storage

Smitha Sabarwal, secretary to the Chief Minister's Office, on Saturday inspected the construction work at the Malkapet reservoir Malkapet of Konaraopet mandal in Rajanna Sircilla district. The work is part of package-9 of the Kaleshwaram Lift Irrigation Scheme (KLIS).

After inspecting the underground surge pool, tunnel, pump house, ventilation shaft, delivery cis-

ters on Bund-5 works, the official inquired with the officials about the progress of work and ordered them to speed up the works and to complete lining of the tunnel for at least 80 metres every day.

Speaking at a review meeting held with the officials and contractors, Smitha Sabarwal said that as per the orders issued by Chief Minister K. Chandrasekhar Rao, work should go on round the clock in shifts to meet the deadline.

"By maintaining quality

complete stone pitching works of all the bunds," she said and wanted a dry run of the second pump by April and a trial run of the project in May.

The senior official said that the Chief Minister was very keen to complete Package-9 as early as possible and was tracking its progress.

She further asked the collector D. Krishna Bhaskar to resolve land acquisition and revenue issues and bring to her notice if they face any major problem.

of 25.52 tmc ft (last year 24.92 tmc ft gross capacity 27.50 tmc ft).

The Yellampally project, which also supplies the city, had water at 484.25 ft (last year 477.13 ft, FRL 485.56 ft) and storage of 19.06 tmc ft (13.60 tmc ft last year against gross capacity of 20.18 tmc ft).

As per the latest reservoir storage bulletin

issued by the Central Water Commission (CWC), live storage available in the reservoirs in the southern region is 33.12 billion cubic metres (BCM), which is 63 per cent of the total capacity.

The storage during corresponding period of last year was 61 per cent at this time of the year. The average storage in the last 10

years during the corresponding period was 42 per cent.

The southern region includes the states of Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu. There are 36 reservoirs under the Central Water Commission (CWC) monitoring having total capacity of 52.81 BCM.

After agri laws, market lost money

NARENDER PULLOR | DC
NIZAMABAD, FEB. 6

The revenue of agriculture market committees has drastically dropped in undivided Nizamabad district over the last six months, after the farm laws that were passed last month took effect. Market committees were unable to collect market fee from the traders and the revenues have fallen by 65 per cent.

The marketing department collects 1 per cent of the value of the business transaction as market fee from the traders. The fee is collected on transactions held in market yards

or elsewhere in its regulated area. It is the main resource to provide basic amenities to farmers in the market yards.

The families of thousands of farmers, traders and workers depend on market yards for their livelihood. Usually, farmers prefer to sell their agriculture products in market yards for better prices.

For instance, Nizamabad agriculture market committee has collected ₹4.31 crore as market fee so far in the 2020-21 financial year. It had set ₹13 crore as the target for the market fee collection which may

now not be met. In 2019-20, the Nizamabad market committee had collected ₹11.76 crore as market fee.

Following the ordinance on farm laws, following by the enactment of the legislation, the collection of market fee outside of market yards was stopped on June 5, 2020. Incidentally, the benefit is not reaching either farmers or consumers.

Market committee check posts were withdrawn in the district. Rice milling is a major industry in Nizamabad district and the rice millers enjoyed exemption from paying the 1 per cent market fee.

In view of revised orders, the collection of market fee began on January 12, official sources said. Check posts resumed

on market committee regulated area limits and began market fee collection. Market committee officials are hopeful that peak turmeric season in February and March would improve the market fee collection.

TPCC stages dharna across Telangana

HYDERABAD, FEB. 6

Responding to the call given by the All India Congress Committee (AICC) to participate in protests against the farm laws passed by the Centre last year, the Telangana unit of the party staged 'dharnas' on highways across the state.

Former PCC president V. Hanumantha Rao joined the agitating farmers at Khammam bypass road and extended his support to the farmers.

THE SENIOR Congress leader said that though farmers were agitating for 70 days in Delhi, the Centre led by Prime Minister Narendra Modi was ignoring their demands regarding minimum support price (MSP) and against the three farm laws.

till their demands are met, Hanumantha Rao said.

Congress supporters led by Malreddy Ramreddy and Anil Kumar Yadav joined the protest. The police intervened and cleared the traffic and said that several people were taken into preventive custody. Police also removed the protesters who were agitating on a highway on the outskirts of Hyderabad.

TRS cadre and leaders in Adilabad district are in confusion over the party's stand on new farm laws enacted by the BJP-led government at the centre. As a result, they are unable to answer farmers who are asking them about whether the TRS is in favour or against the farm laws.

Earlier, the party high command asked its cadre

and leaders to participate in Bharat Bandh against the farm laws. TRS cadre outnumbered all others during the Bharat Bandh in the district against the three central laws.

However, news has now spread that Chief Minister K. Chandrasekhar Rao is supporting farm laws. Because of this, TRS cadre and leaders are remaining silent on this topic. They are refraining from openly supporting the agitating

farmers on borders of Delhi. A senior TRS leader of Adilabad said there is no clear direction to cadre and second rung leaders from party high command about the party's stand on the three farm laws. They are thus remaining silent even as the Congress party has taken the lead in organising protests in Adilabad district. TPCC state general secretary Gandraha Sujatha accused TRS of taking a U-turn on farm laws.

Take Covid vaccine, DGP urges police personnel

BALU PULIPAKA | DC
HYDERABAD, FEB. 6

The second phase of Covid-19 vaccination programme kicked off in Telangana state on Saturday with Director-General of Police M. Mahendar Reddy getting the first jab as police personnel began getting inoculated against the disease.

Mahendar Reddy, who got vaccinated at the Urban Health Centre in Tilaknagar, called on all police personnel to get their shots.

The top police official allayed any apprehensions people may have over the vaccine and said that while the vaccination programme is voluntary, there is no cause for any fears or worries as the

vaccines have proven to be safe. The DGP called on all senior police department officials to dispel any worries or apprehensions in the ranks of the force over the vaccination programme.

Recalling the services provided by police personnel during the lockdown, Mahendar Reddy said the department served the people during the time of crisis. This work has been recognised by everyone, he added.

With expectations that all of the 60,000 state police personnel will come forward to take the vaccine shots, Mahendar Reddy said that while the current drive was for four days for police personnel, he would request the health

department to extend it should the need arise.

Several senior officials including Mahesh Bhagwat, commissioner of Rachakonda police, received their first round vaccine jabs on Saturday.

Phase II of the vaccination drive is for personnel from various frontline departments including the police, revenue, municipal workers, and those from the panchayat raj departments.

According to the health department, on Saturday, against the target of 41,666 vaccinations for the day, only 15,437 took the shots accounting for just 37 per cent of the target. Only two cases of some mild reactions were reported for the day, the department added.

Protesters want TS to reinstate procurement

From Page 1

The protesters also demanded that the state government reinstate procurement of crops and all measures to ensure minimum support price (MSP) to farmers, and demonstrate its opposition to the three farm laws by passing a resolution in the Assembly and by amending the state APMC Act to nullify the effects of the Central laws.

The laws enacted by the government, according to Kiran Vissa from Rythu Swarajya Vedika, were designed to hand over agriculture to agribusiness corporates.

The government, he said, should also enact a law that guarantees minimum support price to various crops.

Those arrested during the protest included AIKSCS farmer union leaders, Pasya Padma Ramarao (AIKMS) and Upender Reddy (AIKF); Political party leaders

He stressed the need to hike the salaries of contract employees who were "cheated" by the TRS government after the elections. "It is high time the TRS government fulfils its promise," he said.

Addressing a press conference here on Saturday, he emphasised the need for supporting farmers who have been protesting

farmers' well-being.

Justice Shavili said that the earlier orders were adequate.

He issued notices to the respondents in the petition to file the counter within three weeks.

While the Budget expected ₹10,525 crore, the Centre has released ₹11,000 crore so far. The non-tax revenue earnings also took a severe beating due to the pandemic. Against of the target to earn ₹30,600 crore, only ₹2,450 crore was realised due to the slump in registration of new vehicles, collection of transport taxes and mining cess.

The earnings through imposition of other taxes and duties also nosedived from ₹6,041 crore expected to ₹2,650 crore.

The excise duty collected on liquor also fell due to closure of liquor shops for nearly three months closure of bars, pubs from mid-March to September-end. The budgetary target was ₹16,000 crore but the state has earned only ₹8,874 crore so far.

Rachakonda police commissioner Mahesh Bhagwat said the SanghaMitra programme to empower and train women from Ibrahimpatnam, Choutuppal, Bhongir and Yadadri had received a good response.

He said that the initiative has inspired thousands of women in the state by way of awareness and instilling self-confidence over issues like abolition of crime, fraud against women, and prevention of social evil against women, among others.

He was speaking at a meeting of SanghaMitra, the Rachakonda police commissionerate's flagship programme that is held in collaboration with the Rachakonda Security Council.

Bhagwat called for active and continued participation of the SanghaMitra trained along with Rachakonda police in creating awareness amongst women to act as ambassadors. He sought prevention of child marriages and encouraged the progress of girls.

TRS MLC Kalvakuntla Kavitha stated that women in Telangana state, taking inspiration from the statehood movement, should aspire and work together to build a progressive and forward state besides working towards empowering women.

She appreciated Bhagwat for his friendly policing initiatives and prompt actions ensuring prevention of violence against women.

The senior TRS leader further said that the intention of guidelines, mission, and programs of SanghaMitra was in line with the She Teams initiative of Chief Minister K. Chandrasekhar Rao.

Indians likely to miss Haj pilgrimage again

Saudi Arabia bans arrivals from 20 nations till May 17

ATHER MOIN | DC
HYDERABAD, FEB. 6

Indians looking forward to performing the Haj this year might be in for a disappointment again as there is no official word yet on whether the annual pilgrimage to Islam's holiest place is on.

It may be recalled that last year, the pilgrimage was scrapped because of the Covid-19 pandemic. This year too, with con-

tinuing fears of the pandemic, Saudi authorities have banned arrivals from 20 nations till May 17, including those from India.

Every year, some two lakh Indians travel to Mecca to perform the Haj, but this year, pilgrims are waiting for a call from the Haj Committee for completing pre-selection formalities.

10 meeting between Indian diplomats and Saudi authorities to finalise the Haj pilgrims' quota for this year and arriving at a mutual agreement. A source in the State Haj Committee said chances of allotment of quota looks bleak with the pilgrimage dates drawing near.

The Haj is scheduled for July this year. Officials in the Haj Committee believe that even if Saudi Arabian government allows Indians, it is likely that the quota will be reduced.

Few adverse reactions to Covid-19 jab: Docs

KANIZA GARARI | DC
HYDERABAD, FEB. 6

Around 12 deaths have been reported across India after Covid-19 vaccination till January 31, according to the Union health ministry. These deaths are being investigated by experts who are examining the possible causes.

This data was provided in a reply presented in the Lok Sabha on the adverse effects following immunisation (AEFI). It was stated that a total of 7,580 adverse effects were reported after 44,49,552 persons were vaccinated.

AEFI is stated to be 0.2 per cent.

The major side-effects noted in the first 30 minutes after vaccination were anxiety, vertigo, giddiness, dizziness, fever, pain, rashes and headaches. Due to this, many of those who took the vaccine were asked to stay at the vaccination centre for an hour. Many people recovered between 24 and 48 hours, the Lok Sabha was told.

There were 14 hospitalisations in the country which is 0.000372 per cent of those vaccinated till January 31, the Centre said.

Asked about the data, a senior pharmacologist on condition of anonymity said, "There could be underlying illness or allergic reaction, which are not known to lead to death. There is no evidence so far that links vaccination to death. The number of people safe after vaccination is very high."

To ensure that anaphylaxis or reactions due to allergies are immediate-

ly controlled. There is a need to have emergency specialists in far-flung and remote areas, experts said.

Dr Kiran M., senior government anaesthetist, said, "The number of adverse effects is less which also means that the vaccines are safe. Those who have a history of allergies must mention the same and get evaluated before vaccination."

A national expert group on vaccine administration for Covid-19 (NEGVC) has been established. This is closely looking into the adverse effects and is documenting the same.

OGH docs pay to get job cards

STUDENT ENDS LIFE AFTER TEACHER SCOLDS HIM

Hyderabad, Feb. 6: A Class 10 student allegedly died by suicide on Friday at his home in Kulakacherla Mandal village of Chellapur in Vikarabad district.

Police said that he had been admonished earlier in the day by his school teacher.

A suicide note allegedly written by the student, Mukesh, was recovered from the house in which he mentioned the incident involving the teacher, identified as Ramesh.

Reports said that the teacher had asked Mukesh to attend the classes. Locals were said to have been asking why Mukesh was not going to school.

"Please take care of my parents, Ramesh sir," Mukesh purportedly wrote in the letter. The police have booked a case on the basis of a complaint from the boy's father and are investigating.

BHATTI WANTS PROBE INTO PUUVADA LANDS

DC CORRESPONDENT
HYDERABAD, FEB. 6

CLP leader Mallu Bhatti Vikramarka on Saturday lashed out at minister Puvvada Ajay Kumar for regularising his land in Khammam by utilising GO Nos. 58 and 59, which is meant for the poor.

Bhatti criticised the government for its failure to create better infrastructure in Khammam town. He said that the state government has been illegally registering police cases on anyone questioning the government's failure pertaining to development.

The CLP leader alleged that Ajay Kumar was allocating works only to his own contracting company or to his supporters, which was against the spirit of democracy. He said that the minister's actions were causing concern among the locals.

Bhatti criticised the government for regularising thousands of acres of government land by using GO No 58 and 59. He said that Ajay Kumar has blatantly misused his position for boosting his personal business. He demanded a vigilance inquiry into his alleged irregularities.

The CLP leader announced that a booth level committee meeting pertaining to Khammam municipal corporation election would be held on Sunday.

Economy witnessing V shape recovery: Anurag

DC CORRESPONDENT
HYDERABAD, FEB. 6

Union minister of state for finance Anurag Singh Thakur is felicitated by BJP state president Bandi Sanjay Kumar (left) and BJP OBC Morcha president Dr K. Laxman (right) at the party office in Hyderabad, on Saturday.

stment as several PSUs that were divested earlier have grown up faster later," Thakur said.

Addressing a press conference here at the BJP office, he said the country is witnessing a 'V' shaped recovery post the Covid-19 pandemic, which is evident from the increasing GST collections during the past four months.

"India has forex reserves more than \$590 billion, which is the highest ever. It is up by \$119 billion from the previous year," he said. The external debt is \$554 billion, making the country a "net creditor", Thakur said.

He said the GST collections indicate that the economy is in recovery as the Centre has taken the right steps saving lives and the economy as well.

"India is standing back on its feet. The economy is witnessing a V-shaped recovery and that is why in the last four months we have seen GST collection of more than ₹1 lakh crore per month. In January, the total collection was close to ₹1.20 lakh crore, he told reporters at the press conference.

The minister said India received the highest foreign direct investments even during

Covid-19 times due to its "decisive leadership."

On the recent Union Budget, Thakur said that except the Opposition parties, all sections of the people had appreciated it. Thakur said the budget estimates for the current fiscal was ₹30.42 lakh crore, while it was increased by over four lakh crore to ₹34.50 lakh crore for the next fiscal.

He hoped that India would become a USD five trillion economy in the next four or five years. Describing the Budget as a "transparent one," the minister explained its features.

Owaisi to focus on Murshidabad and Malda for Bengal elections

PRANMOY BRAHMACHARI I DC
BERHAMPUR, FEB. 6

AIMIM chief Asaduddin Owaisi and his brother Akbaruddin Owaisi will kickstart their poll campaign from Murshidabad and Malda, a party leader said on Saturday.

Murshidabad MIM convener Asadul Sheikh said, "Asaduddin Owaisi and his brother Akbaruddin will address at

least 10 public meetings in Murshidabad and Malda after the poll schedule is declared. We hope that we will be able to open our account in Murshidabad like Bihar."

He added, "As we need good orators and organisers, our party leadership from Jharkhand, Bihar, Delhi and Maharashtra have been entrusted the task of spearheading the campaign for the next two

months. Since the Muslim population is around 66.27 per cent in Murshidabad and 51.30 per cent in Malda, these districts have been earmarked by us."

According to sources, five AIMIM MLAs from Bihar state youth wing president Adil Hasan will be camping in Murshidabad from February 13, others from neighbouring states have started camping in Murshidabad from Friday.

Murshidabad, Malda and North Dinajpur, another minority-oriented district, before fielding candidates there.

While AIMIM MLA Akhtarul Iman and Bihar state youth wing president Adil Hasan will be camping in Murshidabad from February 13, others from neighbouring states have started camping in Murshidabad from Friday.

Jagan writes to PM on VSP sale

DC CORRESPONDENT
VIJAYAWADA, FEB. 6

Chief Minister Y.S. Jagan Mohan Reddy requested Prime Minister Narendra Modi to reconsider disinvestment plans of Rashtriya Ispat Nigam Limited (RINL), popularly referred to as Visakhapatnam Steel Plant (VSP). The CM suggested that the PM explore other opportunities to put the plant back on track.

In a letter to the PM, he assured that AP will closely work with the Centre in reviving VSP. In particular, he sought three measures for the revival of VSP.

First, the CM suggested, was continuing operations to achieve turnaround. He pointed out that RINL achieved its highest ever capacity utilisation of 6.3 MTPA against the

capacity of 7.3 MTPA in December 2020.

Second, Jagan Mohan Reddy sought captive iron ore mines to reduce input costs. He stated that RINL is purchasing iron ore from NMDC Bailadila mines at market price, which puts a cost disadvantage of around ₹5,260 per MT of steel.

Third, the CM sought financial restructuring under which loans could be converted into equity, taking off repayment pressures and interest burden. The high cost debt, which is ₹22,000 crore, is being serviced at interest rates as high as 14 per cent. Conversion of these loans into equity by banks can remove the interest burden. Listing VSP on the stock exchange would give banks the exit option through the stock exchange route.

Minister says AP will buy VSP

DC CORRESPONDENT
NELLORE, FEB. 6

Industries minister Mekapati Goutham Reddy said the government would buy the Vizag Steel Plant (VSP) if the Centre intends to privatisate the unit, while reminding that the project was manifested from a people's agitation.

"The Centre is already obligated to provide a steel plant to Andhra Pradesh as per the AP Reorganisation Act. We appeal to the Centre to hand over VSP to us instead of giving it to

someone else as part of privatisation," Goutham Reddy said while speaking to mediapersons at Tirupati.

He said the Centre should bear the existing financial commitments and loans of the unit and give it to AP. He said he would take the proposal to the notice of the Chief Minister on behalf of the industries department.

Goutham Reddy said that the Centre had not reacted to their appeals to fulfil the assurances made as part of AP Reorganisation Act.

GUTTA: KCR RUNS 'GANDHIAN ADMINISTRATION'

DC CORRESPONDENT
HYDERABAD, FEB. 6

Applauding the sacrifices made by Mahatma Gandhi, Legislative Council chairman Gutta Sukhendar Reddy opined that Chief Minister K. Chandrashekhar Rao was discharging his duties in the manner the Father of the Nation had envisaged.

Sukhendar Reddy was speaking to the media after releasing a calendar of Mahatma Gandhi in the Council premises here on Saturday.

He said kings and rulers are revered because of the manner they took care of their subjects.

MANAGER BOOKED FOR MISBEHAVING WITH 30-YR-OLD WOMAN JOB ASPIRANT

Hyderabad, Feb. 6: A case has been registered against the manager of a private airline's baggage handling company for allegedly misbehaving with a woman job aspirant, police said on Saturday.

The woman, who had applied for a job in the company around two months ago, was reportedly told by the manager to meet him alone in his room where he alleged.

Following the woman's complaint, a case under the IPC was registered against the manager, police said.

The manager lodged a complaint alleging that the woman was blackmailing him for a job.

IN BRIEF
MODI HAILS COUNTRY'S JUDICIARY

Ahmedabad, Feb 6: Prime Minister Narendra Modi on Saturday praised the country's judiciary, saying that it has performed its duty well in safeguarding people's rights and upholding personal freedom, and added that it has also strengthened the Constitution.

He said the Supreme Court in India has conducted the highest number of hearings via video-conferencing from among the top courts of all the countries in the world during the coronavirus pandemic.

Modi also said that in order to make the country's justice system future-ready, the possibility of using Artificial Intelligence was being explored. He was speaking after virtually releasing a commemorative postage stamp on the Gujarat High Court for sixty years of its establishment. "Every countryman can say that our judiciary has worked with firmness to uphold our Constitution. Our judiciary has strengthened the Constitution by its positive interpretation," Modi said.

"The Supreme Court has conducted the highest number of hearings through video-conferencing in the world during the pandemic," he said.

Through constructive and creative interpretation of the Constitution, our judiciary has strengthened the Constitution itself, he added.

"Whether it is to safeguard the rights of citizens, question of personal freedom, or a situation wherein the interest of the country is to be given top-most priority, the judiciary has both understood and fulfilled its responsibilities," he said.

He said the root of good governance is in law, as has been held in the ancient Indian scriptures, he said. "This idea has been a part of our 'sanskar' since ancient times. This mantra gave moral strength to our freedom struggle, and the makers of our Constitution also gave it top priority," he said. This trust towards the judiciary has given confidence to the common man, given him the strength to stand for truth, Modi said.

Nadda: People have decided to bid adieu to dynastic rule

Nadda flags off BJP's rath yatra in Bengal; takes on Mamata, nephew

RAJIB CHOWDHURI | DC
KOLKATA, FEB. 6

Flagging off the Bharatiya Janata Party's first ever Rath Yatra calling for 'Parivartan' (change) in poll-bound West Bengal a day before Prime Minister Narendra Modi's visit, BJP president J.P. Nadda on Saturday predicted that the people of the state have already decided to "bid adieu" to the dynastic rule of chief minister and Trinamul Congress supremo Mamata Banerjee and her MP nephew Abhishek Banerjee to welcome the saffron party in the ensuing Assembly Election.

Mr Nadda led the first of the five Rath Yatras from Chotir Math Ground at Nababip in Nadia after he participated in a massive BJP roadshow from Foara. More to Rabindranath Tagore statue and also had lunch with the farmers in Malda.

Attacking the ruling TMC, he then sarcastically asked the crowd, "Tell me who is rice thief, who is the tarpaulin thief and who extorts money? You will bloom lotus here to usher development led by the Prime Minister in Bengal."

Mr Nadda, silent on the nationwide farmers' protests against the three farm laws, also alleged, "Mamata meted out a

BJP national president J.P. Nadda addresses a rally in Malda on Saturday. - PTI

very big injustice to the farmers. PM through his Kishan Samman Nidhi scheme allotted ₹6,000 per year to each farmer for welfare. But Mamata did, only to satisfy her arrogance and ego, did not allow the implementation of the central scheme, leaving more than 70 lakh farmers deprived here. However when 25 lakhs among the affected farmers sent their applications for the scheme on their own, only then she talked of implementing it."

He argued, "Mamata, at

the election has come. So what is the point in trying to take advantage of what has already been lost! The way farmers and labourers have been deprived, Bengal, under her rule, has slipped to 24th position among the states in the list of 29."

Mocking Ms Banerjee for her allergy to 'Jai Shree Ram' slogan, the BJP chief wondered, "When I talk, 'Jai Shree Ram' slogan is raised in front of me. Same happened on my way here from the helipad. As I waved my hands at

the crowd, I was greeted with 'Jai Shree Ram.' But why does Mamata feel so angry about it? Why does she have so much hatred for 'Jai Shree Ram' slogan? What is the problem?

Is it wrong to be associated with the Indian culture? Is it wrong to remember the legend? If someone chants the slogan, her face turns red in so much anger. This reflects politics of these people is above the culture. They will not protect culture rather bring it down to serve their political interests."

SOUmen MITRA NAMED NEW KOLKATA POLICE COMMISSIONER

DC CORRESPONDENT
KOLKATA, FEB. 6

The Mamata Banerjee government on Saturday transferred Anuj Sharma from the post of the Kolkata Police Commissioner and replaced him with Soumen Mitra, a Bengali face having previous experience in handling polls with iron hands, in a list of major reshuffle of 24 senior IPS officers, for their completion of a term of three years at the same post or unit, ahead of the Assembly Election.

Incidentally, this is also the second stint for Mr Mitra, who was posted as the additional director general (ADG) for training in the state police in his last assignment, as the Kolkata Police Commissioner. He earlier served the post on the orders of the Election Commission after it removed Rajeev Kumar as the city police chief before the Assembly Election in 2016 following allegations by the BJP of partiality.

which state government employees are found to have been voicing secessionist sentiment on various platforms.

Asserting that it was not only harming the national interest, security sources said that such activities of a section of government employees was hampering the development activities of the state as well.

Directing all the heads of the departments to sensitize the state government employees in the regard, the commissioner and secretary to governor in his letter to the state chief secretary said, "I have been directed to request the state government to take serious cognizance of such misconducts and initiate appropriate legal and disciplinary action against the delinquent government servants.

The letter of the governor has also been marked to union home secretary Mr Ajay Kumar Bhalla for necessary action and to check such seditionist and subversive acts of state government employees.

State government sources told this newspaper that departmental proceedings have been initiated against the particular officer.

Farmers' stir: UN Rights office calls for restraint

DC CORRESPONDENT
NEW DELHI, FEB. 6

The United Nations' Office of the High Commissioner, Human Rights (UN-OHCHR), on Saturday called for "maximum restraint" by both,

the agitating farmers and the government, during the ongoing farmers' protest in India against three new agriculture laws. It also called for an "equitable solution" in the matter and people's right to peaceful assembly and expression should be pro-

ected both offline and online. It's crucial to find equitable solutions with due respect to human rights for all," the United Nations Office of the High Commissioner tweeted late on Friday night.

The United Nations Human Rights tweet comes days after international celebrities like Rihanna, Swedish climate activist Greta Thunberg and several others came out in support of the farmers' protest in the country.

TWO SUMATRAN
TIGERS ESCAPE
INDONESIAN ZOO

Pontianak, Indonesia, Feb. 6: A critically endangered Sumatran tiger was shot dead on Saturday while another is still on the loose after they escaped from a zoo on Borneo island, leaving a zookeeper dead, an official said.

The tigers, both female and about 18 months old, escaped from Suka Zoo in the town of Singkawang, West Kalimantan late Friday after days of torrential rain caused a landslide and opened a tunnel allowing their exit. A 47-year-old zookeeper was found dead with scratches and bite wounds on his body. Authorities also found a cassowary, ostrich and monkey near the tiger cage. Police and conservation officials were immediately dispatched to search for the tigers. Nearby tourism attractions were ordered to close and locals were told to stay at home while police searched for the animals.

CHINA PROBE
SENDS FIRST
IMAGE OF MARS

Beijing, Feb. 6: China's Tianwen-1 probe has sent back its first image of Mars, the national space agency said, as the mission prepares to touch down on the Red Planet later this year. The spacecraft, launched in July around the same time as a rival US mission, is expected to enter Mars orbit around February 10.

The black-and-white photo released late Friday by the China National Space Administration showed geological features including the Schiaparelli crater and the Valles Marineris, a vast stretch of canyons on the Martian surface.

The photo was taken about 2.2 million kilometres from Mars, according to CNSA, which said the spacecraft was now 1.1 million kilometres from the planet.

The robotic craft ignited one of its engines to "make an orbital correction".

THREE CLIMBERS
MISSING ON
K2 MOUNTAIN

Islamabad, Feb. 6: Three climbers have gone missing attempting to summit the world's second-highest mountain, K2, their expedition manager and the Alpine Club of Pakistan said Saturday.

Climbers John Snorri from Iceland, Juan Pablo Mohr from Chile and Muhammad Ali Sadpara from Pakistan reportedly lost contact with base camp on Friday.

"It's already been more than 30 hours, we (at base camp) have received no news of John Snorri, Ali Sadpara, and Juan Pablo Mohr; since none of the GPS trackers seem to be working", Chhang Dawa Sherpa, expedition manager, said.

An army helicopter has conducted a search flight for the missing climbers, Sherpa said in a separate statement.

"Unfortunately, they cannot trace anything and the condition up in the mountain and even at the base camp is getting poor", he said. News of the missing men comes a day after a Bulgarian mountaineer was confirmed to have died on K2.

WORLD'S TINIEST
REPTILE FOUND
IN MADAGASCAR

Paris, Feb. 6: Scientists have identified Earth's smallest known reptile, warning at the same time that sustained destruction of forests in northern Madagascar threatens its survival. Tiny enough to perch comfortably on a fingertip, the ultra-compact chameleon — dubbed Brookesia nana — has the same proportions and world-weary expression as its larger cousins around the world.

"We discovered it in the mountains of northern of Madagascar," Frank Glaw, curator of herpetology at the Bavarian State Collection of Zoology, said in an interview.

A joint expedition in 2012 of German and Malagasy scientists did not know whether the two specimens collected — one female and one male — were adults until much later, he explained.

"We found out that the female had eggs in her body, and that the male had large genitals, so it was clear that they were adults."

Exceptionally large genitals, it turned out, accounting for nearly 20 percent of its body size, Glaw and colleagues reported in the journal *Scientific Reports*.

Rana attorney: No
hint India let go
Headley extradition

Washington, Feb. 6: There is no indication that India has given up on the extradition of David Coleman Headley, the Mumbai terror attack accused, attorney of his co-accused Tahawwur Hussain Rana has told a US court.

Rana, 59, a childhood friend of Headley, is facing extradition request by India for his involvement in the 2008 Mumbai terror attack in which 166 people, including six Americans, were killed.

Rana, who has been declared a fugitive by India, is opposing his extradition. In a submission early this week before the US District Court Judge in Los Angeles Jacqueline Chelonian, opposing his extradition, the attorney of Rana claimed that as of now there is no indication in the record that India has agreed to forgo Headley's extradition to India. "India presumably could have agreed to forgo Headley's extradition in return for his assistance to the US, but there is no indication in the record that it did so," the court submission said.

"In fact, the opinion of the Indian prosecutor serving as the government's expert states: 'The present opinion is specific to the extradition request in respect of fugitive Tahawwur Hussain Rana. This opinion may not be construed in any manner to indicate that the various extradition requests pending with different sovereign nations in respect of the above-mentioned case which includes the case in respect of Accused No. 1, David Coleman Headley, is either being given up or not being pursued vigorously,' said the motion filed by his attorneys.

involved in plotting the 2008 Mumbai terror attack. He was made an approver in the case, and is currently serving a 35-year prison term in the US for his role in the attack.

Rana's attorneys said that the Court should not lightly assume (as the government appears to suggest) that the government circumvented its treaty obligation to India through "a sham interpretation" of Article 6 of the India-US Extradition Treaty as part of its deal with Headley.

The government's conclusion in Headley's plea agreement that Article 6 defines offences in terms of conduct rather than elements and thus bars Headley's extradition must be taken as its good-faith interpretation of the Treaty's terms, it said. Rana, in the court filing, described his childhood friend Headley as a liar. Headley lied to federal agents, judges, and presumably prosecutors in relation to these cases.

After his first heroin sentence (reduced because of his cooperation), he went back to dealing heroin despite promising that he would not. "He disregarded the agents' instructions regarding his dealings with targets and travelled to Pakistan without permission.

After his second heroin conviction, he used his status as a DEA cooperator to deflect government scrutiny of his activities with Lashkar and his statements supporting jihad," his lawyers alleged.

Turkish Prez
pulls up varsity

Istanbul, Feb. 6: Turkey's president has ordered the establishment of two new departments in the country's most prestigious university, which has been rocked by weeks of demonstrations protesting his appointment of a new rector with government links.

President Recep Tayyip Erdogan's decision, published in the Official Gazette Saturday, says law and communications faculties are to be launched in Bogazici University. Critics say the establishment of new departments would allow the presidentially appointed rector to staff them with government loyalists.

Officials from the United States, the United Nations and the European Union have criticized Turkey's handling of the protests as well as a series of homophobic comments that were made by Erdogan and other officials while denouncing the demonstrations. With the same order, the president opened new faculties in several universities, closed down some others and appointed 11 rectors elsewhere.

The students in their letter said they knew its publication would likely result in criminal complaints, including for insulting the president, but they vowed to continue speaking out and protesting.

"Your attempts to pack our university with your own political militants is the symptom of the political crisis you have fallen into," the letter said.

Police have detained

hundreds of demonstrators at the university and in solidarity protests elsewhere, some taken away following raids of their homes. Most were later released.

Top government officials have said terrorist groups are provoking the protests, and Erdogan has called the protesting students terrorists.

Istanbul governor's office press statements have listed detention numbers with alleged links to outlawed leftist and Kurdish militant groups.

"I made clear the US will defend our national interests, stand up for our democratic values, and hold Beijing accountable for its abuses of the international system," Blinken said on Twitter of his call with senior Chinese official Yang Jiechi.

Blinken told Yang that the United States "will continue to stand up for human rights and democratic values, including in Xinjiang, Tibet and Hong Kong," a State Department statement said of the call, which took place on Friday Washington time.

Blinken also "pressed China to join the international community in condemning the military coup in Burma," it said, using the former name of Myanmar.

UN: Reverse Myanmar coup

'Essential' to carry out UNSC's calls for return to democracy: Guterres

United Nations, Feb. 6: Secretary-General Antonio Guterres pledged Friday that the United Nations will do everything it can to unite the international community and create conditions for the military coup in Myanmar to be reversed.

The UN chief told a news conference it is "absolutely essential" to carry out the Security Council's calls for a return to democracy, respect for the results of the November parliamentary elections, and release of all people detained by the military, "which means the reversal of the coup that took place." "It is absolutely essential that that moves forward, and for that, I believe, we need to have all possible areas of pressure to make it happen," Guterres said.

Myanmar's military announced Monday on the eve of the meeting of new Parliament that it will take power for one year, accusing leader Aung San Suu Kyi's government of not investigating allegations of voter fraud in the November elections, where its party did poorly. It detained Suu Kyi, whose party swept that vote, and other lawmakers, activists, journalists and members of civil society.

The election commission had refuted the military's allegations. In its first statement following the military's takeover on Thursday, the Security Council "stressed the need to uphold democratic institutions and processes, refrain from violence, and fully respect human rights, fundamental freedoms and the rule of law."

It also "emphasised the need for the continued support of the democratic transition in Myanmar," Guterres said. Christine Schraner Burgener, the UN special envoy for Myanmar, had a first contact Friday with the military since the coup and expressed the UN's strong opposition to the takeover.

According to UN spokesman Stephane Dujarric, she reiterated to Deputy Commander-in-Chief Vice Gen. Soe Win "the secretary-general's strong condemnation of the military's action that disrupted

Myanmar junta
blocks net access

Yangon, Feb. 6: Myanmars new military authorities appeared to have cut most access to the Internet on Saturday as they faced a rising tide of protest over their coup that toppled Aung San Suu Kyi's elected civilian government.

Yangon, Feb. 6: Hundreds of members of Myanmar's deposed ruling party declared themselves Friday to be the sole legitimate representatives of the people and asked for international recognition as, protests against the military takeover swelled.

Nearly 300 politicians from ousted leader Aung San Suu Kyi's party announced they had named a committee to carry out the functions of Parliament, according to a National League for Democracy party Facebook page.

In a letter to the United Nations and the international community posted on social media, the party also asked for targeted sanctions and for businesses to cut ties with the military, which has vast lucrative holdings. — AP

Blinken presses China on Uighurs, HK
Biden revokes terrorist designation for Houthis

Washington, Feb. 6: President Joe Biden's administration is moving to revoke the designation of Yemen's Houthis as a terrorist group, a move that limited the provision of aid to the beleaguered Yemeni people, who have suffered under a years-long civil war and famine.

President Donald Trump's administration had branded the Iranian-backed Houthis as a foreign terrorist organisation, a move that limited the provision of aid to the beleaguered Yemeni people, who have suffered under a years-long civil war and famine.

A State Department official confirmed the move Friday after members of

Congress were notified of the administration's plans. The official, who wasn't authorised to speak publicly and spoke on condition of anonymity, said the removal changed nothing about the Biden administration's views of the Houthis, who have targeted civilians and kidnapped Americans.

"Our action is due entirely to the humanitarian consequences of this last-minute designation from the prior administration, which the United Nations and humanitarian organisations have since made clear would accelerate the world's worst humanitarian

crisis," the official said. The move comes a day after Biden announced an end to offensive support to Saudi Arabia's campaign against the Houthis.

The Houthis have launched multiple drone and missile strikes deep into Saudi Arabia. The US says the Saudi-led campaign has entrenched Iran's role in the conflict, on the side of the Houthis. — AP

BIDEN'S SON
PENS MEMOIR
OF SURVIVAL

New York, Feb. 6: US President Joe Biden's son Hunter will come out with his memoir of addiction, loss and survival on April 6.

"Beautiful Things" will be published by Gallery Books, an imprint of Simon & Schuster. "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter, a lawyer, writes. The book details his descent into substance abuse and his tortuous path to sobriety. Holly Harris, publishing director (non-fiction) at Simon & Schuster UK, acquired UK and Commonwealth rights from Cappi Dennis at Abner Stein on behalf of Laura Nolan and David Granter at Aevitas Creative.

"This book is an extraordinary accomplishment — as gripping as it is courageous. I cannot wait to publish it," says Harris. — PTI

Dilip Kumar's Pak house owner won't sell at govt rate

Peshawar, Feb. 6: The owner of legendary actor Dilip Kumar's ancestral house in Pakistan's Khyber Pakhtunkhwa province has refused to sell it at a rate fixed by the government, saying he would demand Rs 25 crore for the prime location property which is severely undervalued by the authorities.

Mohammad said he had purchased the property in 2005 for Rs 51 lakh after completing all formalities required for transfer of the land and possesses of the documents of the house. He said it is unjust on part of the government to fix the rate at Rs 80.56 lakh for the property after 16 years.

The property is very expensive in Mohallah Khudadad qissa Khwani bazar where the rate of one Marla land is above Rs 5 crore, he said, adding that he would demand Rs 25 crore through his lawyer from the authorities for the house.

"How can a four marla property be sold in the said area for Rs 80 lakh?" he asked.

Earlier, the owner of the ancestral house of Bollywood actor Raj Kapoor demanded Rs 200 crore for the six marla (151.75 square metre) property in Peshawar. The government had fixed the rate of the property at Rs 1.50 crore.

Raj Kapoor's ancestral home, known as Kapoor Haveli, is situated in the Qissa Khwani Bazar. It was built between 1918 and 1922 by the legendary actor's grandfather Dewan Bisheswar Nath Kapoor.

Raj Kapoor and his uncle Trilok Kapoor were born here. The building, which is in shambles, has been declared a national heritage site by the provincial government.

Khyber Pakhtunkhwa chief minister's special assistant on information Kamran Bangash said last month that he is hopeful that the provincial government would reach an amicable settlement with the owners of both the buildings for their purchase to convert them into archaeological museums as both structures have already been declared as national heritage buildings.

In January, the provincial government approved the release of Rs 2.35 crore to purchase the ancestral houses of the two legendary actors located in the heart of this city.

The owners of the two buildings have made several attempts in the past to demolish them for constructing commercial plazas in view of their prime location but all such moves were stopped as the archaeology department wanted to preserve them, keeping in view their historic importance. — PTI

Biden: No need for Don to get intel briefings

Data will provide a look at operating status, including how many are offering remote learning

Washington, Feb. 6: US President Joe Biden has said his predecessor Donald Trump should not be given access to classified intelligence briefings, as is tradition for past presidents, because of his "erratic behaviour". Former American presidents are frequently given routine intelligence briefings and access to classified materials after they leave office.

I'd rather not speculate out loud. I just think that there is no need for him to have the intelligence briefings. What value is giving him an intelligence briefing? What impact does he have at all, other than the fact he might slip and say something?" Biden said in an interview on "CBS Evening News" with Norah O'Donnell. The interview is scheduled

to be aired on Sunday. Excerpts of the interview were released on Friday. Early this week, the White House said it is reviewing if Trump should receive the intelligence briefings.

Biden said that Trump should not have such briefings "because of his erratic behaviour unrelated to the insurrection." He said that Trump represents an "existential threat" and

"dangerous."

In remarks following the January 6 insurrection in the US Capitol by pro-Trump supporters, Biden told reporters, "I've been saying for now, well, over a year, (Trump's) not fit to serve. He's one of the most incompetent presidents in the history of the United States of America." White House press secretary Jen Psaki on Thursday said

that "the intelligence community supports requests for intelligence briefings by former presidents and will review any incoming requests, as always have," CNN reported.

During his presidency, Trump was not known to fully or regularly read the President's Daily Brief, the highly classified summary of the nation's secrets. — PTI

Virus impact: Biden admin to survey schools

Washington, Feb. 6: The Biden administration will soon begin collecting data from thousands of US schools to find out how they have been affected by the pandemic, including how many have returned to in-person instruction, officials said

BIBI'S MINISTRY VOW TO MUSLIM IF HE WINS POLL

Jerusalem, Feb. 6: Israeli Prime Minister Benjamin Netanyahu said Friday he would appoint an Arab Israeli, the first-ever Muslim candidate on the premier's Likud party list, as a minister if the party wins March elections.

"I'm proud that Nail Zoabi, a renowned educator who has given many years to Arab society, is joining the list" of Netanyahu's right-wing Likud party, the premier said in a video on Facebook. "I will name him minister for the advancement of Arab society in my government," he said, standing alongside Zoabi.

A caption on the video said it would be "the first time that an Israeli Muslim citizen joins Likud".

Netanyahu's announcement coincided with the defection of the Raam movement from the Joint List, a coalition of Arab parties which in the last election in March 2020 had achieved its highest-ever score of 15 seats in the Knesset. — AFP

\$22K FLUTE LOST ON TRAIN TURNS UP IN PAWN SHOP

Chicago, Feb. 6: Anyone who's left so much as a hat on a Chicago Transit Authority train knows that whatever leaves the station without its owner often is gone forever.

Except, apparently, a \$22,000 gold and silver flute. Donald Rabin is once again holding — and playing — the flute left to him by his grandmother that he forgot on a train seat when he hopped off last week in the Logan Square neighbourhood.

"I'm just thankful that I have the flute in my hand, that I can make music again and I can make people smile," said Rabin, a 23-year-old Boston-based flutist.

Rabin was riding a Blue Line train from O'Hare International Airport during a layover before his return to the Berklee College of Music in Boston.

When he got off, he realized he'd left behind his flute. — AP

IN '20, UAE CUT FUNDING FOR PALESTINIANS

Jerusalem, Feb. 6: The United Arab Emirates drastically reduced its funding to the UN agency for Palestinian refugees in 2020, the year it signed a US-brokered normalization accord with Israel that was heavily criticized by the Palestinian Authority.

The agency known as UNRWA provides education, health care and other services to 5.7 million registered Palestinian refugees across the Middle East, mainly descendants of the 700,000 Palestinians who fled or were driven out of Israel during the 1948 war surrounding its creation.

The UAE donated \$51.8 million to UNRWA in 2018 and again in 2019, but in 2020 it gave the agency just \$1 million, agency spokesman Sami Mshasha said Friday, after it was first reported by Israeli media. "We really are hoping that in 2021 they will go back to the levels of the previous years," he said. — AP

Russia, Italy in ATP Cup final

Melbourne: Alexander Zverev tweaked his back in the second set of his must-win ATP Cup match against Daniil Medvedev here on Saturday.

He left the court for treatment and returned, taking the match to three sets before Medvedev finally converted to secure Russia's win over Germany and a spot in the final.

No.4-ranked Medvedev lifted when Zverev started to struggle but he got tight in the end, twice double-faulting on match point before serving out for 3-6, 6-3, 7-5.

Andrey Rublev had earlier beaten Jan-Lennard Struff after dropping the first set for a 3-6, 6-1, 6-2 victory.

Russia will meet Italy in the final after Fabio Fognini beat Pablo Carreno 6-2, 1-6, 6-4 and Matteo Berrettini swept Roberto Bautista 6-3, 7-5 to account for 2020 runners-up Spain. —AP

Osaka, Azarenka out of warm-ups

Melbourne: World number three Naomi Osaka and two-time major winner Victoria Azarenka pulled out of Australian Open warm-up tournaments Saturday, joining Serena Williams and Simona Halep with injury concerns.

Japan's Osaka, the 2019 Australian Open winner, was set to play Elise Mertens in the Gippsland Trophy semifinal but withdrew. "Sorry to Tennis Australia and the fans to have to withdraw today," she said on the WTA's Twitter account. "I have a niggle injury and in light of the AO on the horizon I need to be cautious. I look forward to competing next week."

Two-time Australian Open champion Azarenka was also a casualty, opting not to play her quarter-final clash with Anett Kontaveit at the Grampians Trophy due to a lower-back injury. —AFP

Top table clash

Pepped up City look to cash in on struggling Liverpool

London, Feb. 6: Manchester City's dominant position at the top of the Premier League ahead of Sunday's trip to champions Liverpool has been built on the solid foundations of an impenetrable defence.

Pep Guardiola's men have conceded just two goals in their past 13 league games, winning nine in a row to open up a seven-point lead over fourth-placed Liverpool, with a game in hand.

Liverpool took City's crown as champions last season, romping to a first league title in 30 years.

But the contrasting fortunes at centre-back for both clubs this season have helped City reassert their position as the team to beat in English football.

After a humbling 5-2 home defeat by Leicester in their second game of the season, City splashed out \$85 million on Ruben Dias from Benfica.

In 27 games, the Portuguese international has been on the losing side just once and has kept 18 clean sheets, forming a formidable partnership with a revitalised John Stones. So strong has that pairing been that Aymeric Laporte has largely been left in reserve along with another 40 million summer centre-back signing, Nathan Ake.

Despite injuries to Kevin De Bruyne and Sergio Aguero, City's attacking play has begun to click into gear in recent weeks.

In contrast to the wealth of centre-back options available to Guardiola, Liverpool have been hit hard by long-term injuries to Virgil van Dijk, Joe Gomez and Joel Matip.

VILLA BEAT ARSENAL

Meanwhile on Saturday, Aston Villa maintained their push for a finish in the European qualification positions by beating Arsenal 1-0 in the Premier League thanks to a goal after 74 seconds by Ollie Watkins.

Bertrand Traore pounced on a loose pass by Cedric Soares and crossed to Watkins, whose first-time shot from a central position took a deflection off Rob Holding and squirmed into the net past Mat Ryan, an Arsenal debutant in goal. —AFP

Perisic, Barella blast Fiorentina

Milan, Feb. 6: Nicolo Barella and Ivan Perisic scored in either half as Inter Milan moved top of Serie A' on Friday with a 2-0 win at Fiorentina.

Antonio Conte's side pulled one point clear of AC Milan to keep the pressure on their city rivals who host lowly Crotone on Sunday.

Inter bounced back after their midweek Italian Cup semifinal, first leg defeat to Juventus in the San Siro.

Barella curled in the opener from a distance after half an hour with Achraf Hakimi setting up

Perisic for the second seven minutes after the break to give Inter a first league win in Florence in seven years.

Conte sat out a touchline ban but Inter controlled the game against 12th-placed Fiorentina who were without injured French midfielder Franck Ribery.

"We're not thinking about putting pressure on anyone, just our own journey," said Conte's assistant Cristian Stellini.

"It wasn't easy after playing three days ago but we're satisfied, we created a lot of scoring chances

and our forwards worked well together," Stellini added.

Fiorentina could thank goalkeeper Bartlomiej Dragowski for key saves, denying Barella early, with the Polish international also keeping out Hakimi, Perisic and Lautaro Martinez in the second half. At the other end of the pitch Samir Handanovic saved from Giacomo Bonaventura and Cristian Biraghi before the break.

"We could have closed it down earlier but these are three important points, we're there in first place

and that's what matters," said Perisic.

"Now we'll go to Turin to win," added the 32-year-old of next week's Italian Cup semifinal, second-leg game against Juventus.

Inter play Lazio next weekend before a derby clash with Milan on February 21. Champions Juventus, in fourth, host third-placed Roma on Saturday. Just behind fifth-placed Napoli play Genoa with Lazio looking to push their winning streak to six matches against a Cagliari side without a league win in 13 attempts. — AFP

Double barrel Mickil is top shot as A-1 shootouts start

Mickil Jaiswal slammed a quickfire double century to emerge standout performer on the opening day of the Hyderabad Cricket Association's A-1 Division one-day knockout tournament on Saturday.

Mickil cracked 18 boundaries and a whopping 15 sixes to score 229 in just 135 balls to propel MP Colts to 453 for 7 in 50 overs and put the game beyond Apex CC. Mickil's teammate A. Akash made 101 in 99 balls with three fours and four sixes to play second fiddle. Apex could manage only 216 for 8 in reply.

The 229 completed a batting set for Mickil, who has scored a century, double century and a triple century this season. Fantastic scores of 305 and 75 not out against Enconse; 181 not out against AOC; 5 for 29 against Hyderabad Bottling and Saturday's 229 took his tally to an impressive 850-plus runs and 10 wickets in 5 matches.

Abdul Ela Qureshi was the next best on show. The

off-spinner took 5 for 24 to bowl Gemini Friends to a six-wicket win over Gouds XI, who were bundled out for a paltry 107.

This was Qureshi's second consecutive five-wicket haul in HCA games and took his tally to 40 wickets this season.

Kavin Gupta was the other bowler to take five wickets. The right arm medium pacer got 5 for 45 to help Hyderabad Bottling beat Sportive CC.

The match between Central Excise and South Central Railway threw up two good shows. Sumanth scored 104 to help Excise to 249 for 6 but Hemant Singh's 93 coupled with his 3/56 tilted the scales in the Railway side's favour for a three-wicket win.

HYDERABAD, FEB. 6

Agasara Nandini of Telangana took top honours by winning the Girls Under 18 long jump event on the opening day of the 36th National Junior Athletics Championships being held in Guwahati, Assam, on Saturday.

Nandini leapt to 5.80 metres to leave Lakshmi Gemmela of Andhra Pradesh in second place at 5.38m. M. Kavya Manoharan of Tamil Nadu was third with an effort of 5.33m.

Mohammed Mohsin Qureshi brought up Telangana's second medal when he got bronze in the boys U-16 shot put with a throw of 16.36 metres. Anurag Singh Kaler of Uttar Pradesh was first with a national record effort of 20.16m while Nikhlesh of Haryana took silver with 18.13m.

Anurita, Pavana, Anurag rewrite nat'l marks

In 2016, Uttarakhand's Ankita Dhyani provided a glimpse of her immense potential as a long distance runner by breaking Sunita Rani's National U-20 record in the women's 5,000 metres.

Pavana claimed gold with a national U16 record with a clearance of 1.73m in her third and final attempt as she edged out Mohur.

Mohur cleared 1.69m and 1.71m on her first attempts while Pavana needed two tries to equal the national mark of 1.69m.

The pair was not even born when the national U16 record was pegged at 1.69m by Kavya Muthanna (Karnataka) in Kollam in 2003. Daughter of national record holder Sahana Kumari, Pavana drew from the reserves of her energy to clear the 1.73m.

Stokes all praise for captain Joe

DC CORRESPONDENT
CHENNAI, FEB. 6

Ben Stokes said Joe Root made him "feel rubbish" during their stand of 124 runs against India on Saturday. "That's pretty much where he is at the moment. He makes everyone around him not look very good. He is an amazing player and I am not sure we have ever had an England player play spin so well, with such control, such ease," said Stokes. "He is so consistent. He has a game plan for all types of spin," he further added. Having lost their previous Test that was played in Chennai in 2016 despite scoring 477 in the first innings, Stokes knows the importance of scoring big in the subcontinent.

DOUBLE ROOT

Joe slams double ton as England make India toil

C. SANTHOSH KUMAR | DC
CHENNAI, FEB. 6

Joe Root has an insatiable appetite for scoring runs. And it goes up a notch when the England skipper takes guard in India and Sri Lanka where he averages in the mid 60s. Close on the heels of notching up a double hundred and a 186 in Sri Lanka, on Saturday, Root feasted on Indian bowlers for another big knock.

His stroke-filled 218 that steered England to 555/8 (180 overs) in the first innings of the opening Test here at the M.A. Chidambaram Stadium has put him on a high pedestal. Of the many firsts he achieved on Saturday, he would definitely cherish the feat of becoming the highest individual scorer in a 100th Test.

Continuing from where he left off on the opening day, Root found another able ally in Ben Stokes (82) and forged a century stand to give impetus to a huge total. England have made it clear that they will bat, at least, for one more hour on day three.

Having made a quiet start, Stokes pulled off a surprise when he popped his 16th ball back over R. Ashwin's head for a six. That shot sparked the day's play into life. Stokes also enjoyed some luck. He was dropped twice in the next two overs — once by Ashwin, off his own bowling, and then by Cheteshwar Pujara, off Shahbaz Nadeem. The dangerous Stokes eventually fell to left-arm spinner Nadeem after mistiming a slog sweep. This time, Pujara, stationed at deep backward square leg, held on to the ball after a fumble.

Exhibiting great technique and temperament, Root brought up his double ton in style by charging down and launching Ashwin over long on for a six. He became the first England player to do it with a big hit.

India heaved a huge sigh of relief when Nadeem's quicker delivery crashed into Root's pads. The England skipper reviewed instantly, but the third umpire upheld the on-field decision, ending Root's marathon 377-ball vigil.

As he walked back drenched in sweat, Kohli was the first to applaud his effort with a pat on his back.

Playing a long innings in Chennai's humid conditions is not easy. Root has left a lasting impression by making the highest individual score for a visiting batsman at Chepauk, surpassing Aussie Dean Jones' 210.

Indian bowlers who slogged through the day found some solace in the final session by taking four wickets. Ishant Sharma bowled his heart out. The pacer's persistent line and length finally earned him rewards. He castled Jos Buttler (30) and Jofra Archer (0) off consecutive balls.

The fact that Washington Sundar and Nadeem, who shared 70 overs between them, could manage only six maidens highlighted their lack of control. As many as 19 no-balls and a few dropped catches — Rohit Sharma dropped a dolly — didn't help India's cause either.

NUMBERS GAME

JOE ROOT FIRST TO SCORE DOUBLE TON IN 100TH TEST
● Joe Root became the first batsman to score a double century in his 100th Test match. He achieved this feat by making 218 on the second day of the first Test against India in Chennai on Saturday.
● Pakistan's Inzamam-ul-Haq, who had posted 184 against India at Bangalore in 2004-05 in his 100th Test match, held the previous record.
● Roots 218 was his fifth double century in 182 innings of 100 Test matches. With this double hundred he became England's third and 16th batsman overall to score five or more double hundreds in Tests.
● Root also became the first captain after 94 years to register a hat-trick of 150-plus scores in Test cricket. The England captain became only second skipper after legendary Don Bradman to achieve the feat. Australia's Bradman was the first captain to notch up three successive 150-plus scores in Test way back in 1937.
● Root had scored 228 and 186 in his previous two Tests in Sri Lanka. He is the 7th player to make 150-plus runs in three consecutive Tests as he joins an elite list including New Zealand's Tom Latham, Sri Lanka's Kumar Sangakkara (4 consecutive Tests), Pakistan's Mudassar Nazar and Zaeer Abbas, Bradman, and England's Wally Hammond.

Pak increase lead against Proteas

Rawalpindi, Feb. 6: The lower order increased Pakistan's lead to 200 runs against South Africa on the third day of the second and final Test on Saturday.

Allrounder Faheem Ashraf and Mohammad Rizwan were dropped off successive deliveries before featuring in a 52-run sixth-wicket stand which guided the home team to 129-6 in the second innings and stumps.

Rizwan was unbeaten on 28 but Ashraf fell late in the second session for 29 when he sliced a catch at point to give George Linde (3/12) his third wicket.

Earlier, fast bowler Hasan Ali's (5/54) five-wicket haul earned Pakistan a vital 71-run first innings lead as the visitors were bowled out for 201, half an hour after lunch.

Hasan, returning to the five-day format after a two-year absence due to

injuries, picked up three wickets on Saturday, but poor running cost South Africa with two batsmen getting run-outs.

Temba Bavuma fought a lone battle to remain unbeaten on 44 off 138 balls before Hasan wrapped up the innings by claiming the last two wickets of successive deliveries. The diminutive Bavuma successfully overturned a leg before decision against him in the fourth over of the day, but could not get enough support from the lower order.

Bavuma and Wiaan Mulder (33) dug in for 90 minutes and raised a half century stand before Pakistan struck with two quick wickets.

Brief scores (Day 3):
Pakistan 272 & 129/6 (Rizwan 28 batting, Hasan 0 batting; Linde 3/12) vs **South Africa 201** (Bavuma 44 not out, Hasan 5/54).

Haque's hundred puts WI in trouble

Chattogram (Bangladesh), Feb. 6: Captain Mominul Haque hit his 10th Test century and off-spinner Mehidy Hasan continued his good form for Bangladesh on the fourth day of the first Test against West Indies on Saturday.

Winders got a glimmer of hope when Rahkeem Cornwall struck early, dismissing Mashfiqur Rahim for 14. Mashfiqur reviewed the decision in vain.

With the ball keeping low, Mominul and Liton had to be watchful. Mominul completed his 10th century off 173 balls, pushing the ball toward cover for a quick single.

Brief scores (Day 4):
Bangladesh 430 & 223/8 dec. (Haque 115, Das 69, Warrican 3/57, Cornwall 3-81) vs **WI 259 & 110/3** (Mayers 37 batting, Bonner 15 batting, Miraz 3/52).
