TS to go in for jumbo Budget
Revenues appear promising

DC CORRESPONDENT
HYDERABAD, MARCH 13

With the state economy bouncing back in the last three months, the Telangana state government is likely to present a jumbo Budget for 2021-22 with an outlay ranging from ₹1.85 lakh crore to ₹2 lakh crore.

The Budget will be presented on March 18. The 2020-21 Budget had an outlay of ₹1.82 lakh crore. However, revenues fell short by nearly ₹30,000 crore due to the Covid-19 lockdown.

There were then reports that the state government may slash the Budget size to less than ₹1.50 lakh crore. The plans were reversed with the economy showing signs of

revival from December last and gathering momentum in January-March.

Revenue earnings from all the sectors have almost reached the pre-Covid levels. The government is hopeful of sustaining this momentum in the new fiscal starting on April 1, to pay for the huge outlay.

Chief Minister K. Chandrashekhar Rao is learnt to have directed finance minister T. Harish Rao and finance officials to draft a jumbo Budget.

He has been giving the final touches to the proposals by holding meetings with senior officials for the past week.

WARANGAL
CIVIC POLLS TO
BE DELAYED

DC CORRESPONDENT
HYDERABAD, MARCH 13

Elections to the Warangal and Khammam municipal corporations will be delayed further, with the exercise of delimitation of wards still going on as there is a demand for an increase in their number. The term of both the corporations will end on Sunday.

The state government wants to take a call on when to hold the elections only after the Nagarjunasagar Assembly bypoll for which the Election Commission is yet to announce the schedule.

While the elections were due before March 14, the government issued orders only on February 1 for delimitation of wards.

**It's TRS versus rest in MLC
polls for 2 grad seats today**

Polls likened to 'mini-general elections', cover 21 districts

HYDERABAD, MARCH 13

Polling for the biennial graduate MLC elections from the Hyderabad-Ranga Reddy-Mahbubnagar and Warangal-Khammam-Nalgonda constituencies will be held from 8 am to 4 pm on Sunday. The high-decibel campaigning suggests it will be the TRS versus rest in both these constituencies.

Counting of votes will be on March 17. Though the two seats cover 21 districts, it is Hyderabad, Medchal and Ranga Reddy which have the highest number of graduate voters, that will decide on the outcome at this seat.

The TRS has pinned all its hopes on new PRC, 29 per cent fitment and job notifications to fill over 50,000 posts for emerging victorious. The Hyderabad-RR-Mahbubnagar constituency covers nine districts with 5,31,268 registered voters. Ninety-three candidates are in the

fray. A total of 880 'jumbo ballot boxes' and 'ballot papers the size of a newspaper are being used in view of the large number of candidates. Voters have to use the pen provided by officials for marking their preferences by writing 1, 2, 3 and so on adjacent to the candidates' names in their order of preference. If voters use their own pens, votes will be considered invalid. The Warangal-Khammam-Nalgonda constituency has 5,05,565 voters covering 12 districts. A total of 71 candidates are in the fray. Here too, 880 jumbo ballot boxes are being used.

Sig Sauer rifles beef up infantry

PAWAN BALI
NEW DELHI, MARCH 13

Indian Army's Infantry battalions across the country have started getting the deadly US made advance assault rifles Sig Sauer in a big boost to their capability.

According to sources, the Infantry soldiers who were deployed at the LAC and LoC first started getting Sig Sauer rifles.

Now soldiers in other Infantry commands are also getting the rifles. "At least two companies in each Infantry battalion are getting Sig Sauer rifles," said sources. Many units are conducting firing practices with the gun. Till now INSAS (Indian small arms system) rifles manufactured locally by the Ordnance

Factories Board was the main weapon of the Indian Army. However there were many glitches in INSAS rifles. It used to get jammed. The 5.56 mm bullet in many cases didn't kill the terrorist in one shot which was another major drawback.

Sig Sauer bullet is 7.62 mm which is bigger than INSAS. "Sig Sauer is shoot to kill weapon. One bullet for one enemy," said an official.

Sig Sauer has an effective killing range of 600 metres against around 400 metres for INSAS. Another advantage is that Sig Sauer can be used by both left and right handed soldier. It has sights to aim fire. "SIG Sauer fire is very precise and the metal is also very good," said the official.

who also received burns in the same incident are receiving treatment for burn injuries.

It may be recalled that a group of 11 Chenchus from Mallapur Penta, a hamlet deep inside the tiger reserve, were reported to be out in the forest searching for tubers and to tap honey when they were caught in the fire.

The months leading up to the peak summer are considered the fire season in the state's forests.

petition in this regard after Justice C. Hari Shankar found passengers not wearing masks during a flight. The court had said that if a passenger, despite being reminded more than once in flight, refuses to follow this protocol, then action should be taken against the passenger, including placing the passenger on a "no-fly" regimen, either permanently or for a stipulated time. Observing that some passengers after entering the airport do not wear their mask properly and maintain social distance while being in the airport, the

DGCA said that some passengers have been noticed not wearing their masks properly while on board the aircraft. "On board, in case any passenger does not adhere to wearing a mask properly even after repeated warnings, he/she should be deboarded before departure. In the case of any passenger on board an aircraft refusing to wear a mask or violates the 'Covid-19 Protocol for passengers' even after repeated warnings, during the course of the flight, such passengers may be treated as 'Unruly' passengers," the DGCA circular said.

CM favours new fitment for staff

From Page 1
With reports of the Chief Minister K. Chandrashekhar Rao favouring extending 29 per cent fitment to government employees and pensioners under new Pay Revision Committee from April 1, the government needs to allocate an additional ₹8,000 crore towards salary and pensions. The Chief Minister wants to extend unemployment allowance of ₹3,016 per month in the 2021-22. The cost is estimated at ₹8,000 crore. Besides, he wants funds for crop loan waiver for which another ₹10,000 crore is required. To accommodate these three requirements, the Budget will go back to having a bigger outlay than the previous year.

Candidates focus on 7 districts

From Page 1
Essentially, all parties and a couple of independents are focusing on seven districts with the highest voter enrolment, which can make or mar their chances in the election. In Hyderabad-RR-Mahbubnagar constituency, Ranga Reddy district has the highest number of 1,44,416 voters, followed by Medchal-Malkajgiri 1,31,284 and Hyderabad 1,10,243 voters. HYDERABAD, MARCH 13

The first dose of Covid-19 vaccine given to senior citizens is causing mild side-effects of fever, rashes and muscle pain, which has become a matter of worry for most of them. With 1,52,035 senior citizens vaccinated in the state, majority of them in the city, they are reaching out to each other for help and information.

Vimal Reddy, a 70-year-old, said, "I had fever for 24 hours after vaccination. I rested at home and did not carry out any normal chores. The fever subsided on its own."

Some senior citizens, who developed fever, became stressed and rushed to their doctors. Others got so frightened with the side-effects that they told their friends to wait before taking the shot. A feverish 60-year-old wrote to her friends on social media that she got very ill after the vaccine. This got a group of about 50 senior citizens frenzied. They called their doctors for urgent medical check-up. However, after two days, the senior citizen completely recovered. But some in the group skipped the chance of vaccine due to fear.

Sudip Bandopadhyay, Rajya Sabha member Derek O'Brien, and state minister Subrata Mukherjee welcomed Sinha in the party in Kolkata.

Sources revealed that both had a conversation of around 40 minutes over the phone. Hailing the CM for her patriotism, Sinha claimed, "Mamata has always been a fighter. She is still a fighter. I would like to tell you that when we were at a Cabinet meeting after the Indian Airlines flight (IC-814) was hijacked by terrorists and was taken to Kandahar, she proposed to the Cabinet that she was ready to offer herself in exchange of the hostages. She would be taken into their custody and make whatever sacrifice possible. All of it was for the country."

The veteran politician also spewed venom against the BJP government at the Centre over its style of rule and decisions including the three farm laws, asking "Who stands by it now?" He alleged, "The country is facing an unprecedented situation today. The strength of democracy lies in the institutions of democracy. All these institutions including the judiciary have become weak now."

Ahead of PM's rally, BJP woos Shuvendu dad

DC CORRESPONDENT
KOLKATA, MARCH 13

After roping in his two sons, Shuvendu and Soumendu Adhikari, the BJP has finally reached out to Sisir Adhikari, three-time Trinamul MP from Contai, also a rebel, with an offer to join its fold during Prime Minister Narendra Modi's mega rally in his constituency on March 24.

On Saturday afternoon, Hooghly BJP MP Locket Chatterjee met the head of the Adhikari family at their residence in Shantikunja in East Midnapore and had lunch with him. Another brother of Shuvendu, Dibyendu, who is a TMC MP, was present there.

According to sources, Modi has wished to see Sisir Adhikari at his rally where he would campaign for Shuvendu who is contesting from Nandigram against Trinamul Congress supremo and Chief Minister Mamata Banerjee.

"I had shukto and machh bhat which is a favourite Bengali dish. Sisir and other in the family hosted me nicely. Sisir's wife gave me paan after lunch. Shuvendu is the bhoomiputra of Midnapore. He lives with his father and family members in Shantikunja. Like a son stands by his father, a father also stays on his son's side always. This is the norm in our families," she said.

Asked about the possibility of the senior TMC MP's defection to the BJP, Locket Chatterjee added, "No political talks were held. But a man like him, whom Midnapore and Bengal needs, will always be welcomed if he joins. I have known him for a long time. Whenever I made a speech in Parliament, he encouraged me. He praised me in my fight. I sought his advice and blessings. Shuvendu will definitely win because Midnapore means Shantikunja and the Adhikaris."

While Sisir Adhikari acknowledged of the BJP MP's visit, Trinamul spokesperson Kunal Ghosh pointed out that some family members of turncoats have been in touch with their rivals which he claimed would be of no help to them.

Union home minister Amit Shah will embark on a two-day visit to the state on Sunday to campaign for the BJP candidates including actor Hiran Chatterjee in the Assembly constituencies of the western districts.

youth through his promises.

An exclusive department to address the grievances of people, received during Stalin's visit to various constituencies, within 100 days was among the important promises, which include efforts to work towards a law for reservation of jobs in the private sector, too.

First generation graduates would get preference in jobs and employment exchanges would be made skill development centres, the manifesto said, adding that in five years 50 lakh students would undergo skill development training.

Nearly 3.5 lakh vacancies in government departments and educational sectors would be filled up and two lakh new jobs would be created, Stalin said. A Tamil Nadu with-

out huts' was one of the defining slogans of the manifesto, which promised provision of land pattas for those living in unobjectionable spaces in urban areas and also in rural areas.

To help the people tide over huge electricity bills, Stalin assured that the once-a-month billing system would be brought back and promised flyovers in big corporation areas, where piped water would be provided to avoid supply of water through tankers.

Live telecast of Assembly proceedings, no tax increase in view of the havoc wreaked to be economy by the Coronavirus and ₹4,000 cash relief for card holders to overcome the lockdown disaster were some of the promises the Stalin gave if his party was voted back to power.

NIA summons Sachin Waze Police grill terror cell chief in Tihar

DC CORRESPONDENT
NEW DELHI, MARCH 13

The special cell of the Delhi police on Saturday visited the Tihar Jail and questioned Tehseen Akhtar, chief of the Indian Mujahideen, in connection with a mobile phone recovered from his barracks in Central Jail No. 8. Akhtar, alias Monu who was arrested by the Delhi police special cell in 2014 after he replaced Yasin Bhatkal, co-founder of the Indian Mujahideen, who was arrested earlier.

According to a senior police official, the police had secured permission from a Delhi court to question Akhtar in connection with the phone. It is suspected to

have been used for operating a Telegram channel that was used to claim responsibility for the recent terror threat acts and threats.

On Friday, the Delhi police had said that based on information provided by the special cell, Tihar Jail authorities had seized a mobile phone from a jail where terror convicts are lodged.

On Thursday, a senior Mumbai Police official had said a Telegram channel through which an organisation named Jaish-ul-Hind had claimed responsibility for placing an explosives-laden SUV near industrialist Mukesh Ambani's residence in Mumbai last month was "created in the Tihar" area of Delhi.

India look to grab momentum in second T20 game

Ahmedabad, March 13: Left shaken by a bunch of world-class operators, the Indian team's white-ball stars will be aiming to put up an improved batting effort in the second T20 International against England here on Sunday.

It was India's first white-ball game in three months and the rustiness of some of the premier shorter-format players like K.L. Rahul, Hardik Pandya, and Yuzvendra Chahal's showed in the first game in which the hosts were clinically outplayed.

One defeat is never the end of the story and no critic can rule this Indian team out of the series on the basis of a singular performance especially because of their zeal to fight.

However, as skipper Virat Kohli talks about players with X-factors doing the job, he would expect Rishabh Pant and Pandya to do a bit more with their explosive hitting, which should not be confined to one audacious reverse scoop (Pant off Jofra Archer) or a falling ramp shot (Pandya off Ben Stokes).

They are more than capable and will be expected to give a far better account of themselves, trying to play more shots square of the wicket like Shreyas Iyer did during his innings of 67 off 48 balls. Both Pandya (19 off 21 balls) and Pant (21 off 23 balls) weren't able to gauge the pace of the track as Archer and Mark Wood bowled fast and straight denying them any width for the cut shot. The extra bounce also didn't allow them to drive on the up.

"The wicket didn't allow you to hit the kind of shots you wanted to. Shreyas' innings was an example of how you could use the depth of the crease, ride the bounce because there was variable bounce at times, and hit the areas square of the wicket which others failed to do.

"It was just a below-par batting performance and England made us pay for it," Kohli said after the match.

However, Kohli's propensity to change his playing XI at the drop of a hat is well documented.

NUMBERS GAME

RECORDS ARE EVEN FOR INDIA AT MOTERA:

- India have won one and lost one in two Twenty-20 Internationals played at Narendra Modi Stadium in Ahmedabad where the second Twenty-20 International match of the series will be played on Sunday.
- The home team recorded a 11-run victory over Pakistan in the first encounter here on December 28, 2012. England defeated India by 8 wickets in the second match at this ground which was also the first of the five-Twenty-20 International series.
- India have won three and lost two in last five Twenty-20 Internationals played against England.
- Virat Kohli, who scored 2,928 runs in 80 innings of 86 matches at an average of 49.62 and a strike rate of 138.11, needs 72 runs to become the first batsman to score 3,000 runs in Twenty-20 cricket.
- Yuzvendra Chahal with 60 wickets at an average of 25.00 in 46 innings of as many matches is the highest wicket taker for India in Twenty-20 Internationals.

ISL-7 | FINAL

Maiden title for Mumbai

Goa, March 13: Mumbai City FC muscled their dominance in the seventh edition of the Hero Indian Super League with an emphatic 2-1 win over ATK Mohun Bagan at the Fatorda Stadium, pocketing an enviable achievement of capping the season title with the League Shield.

Sergio Lobera's men made it two trophies in two weeks becoming just the second team to top the group phase and win the title.

“They have done exceedingly well but will have to wait for their turn,” the influential official further added.

NZ TOUR FOR WOMEN

After a disappointing 2020 when they didn't have a single international tour, the Indian women's team ahead of the 50-over World Cup will be touring Australia at the end of the year followed by a short preparatory series in New Zealand before the World Cup.

— PTI

■ Bipin Singh scored a 90th-minute winner after a Tiri own goal (29') had dragged Mumbai level. Bagan had earlier taken the lead through David Williams (18').

est.

Thereafter, it was all about the Mariners. The Kolkata side pinned their opponents with a high pressing game which forced the Islanders into errors. The first real threat for Mumbai came from a Javier Hernandez free-kick which brushed the crossbar. Roy Krishna then forced a save from Amrinder Singh from a tight angle.

With pressure mounting on Mumbai's defence, the Kolkata side broke the deadlock first. Krishna dispossessed Ahmed Jahouh just outside the box and slipped a pass to Williams. The Australian got on to his stronger right foot and fired a firm shot past Amrinder. — Agencies

KENYAN RUNNER SENTENCED FOR FALSE MEDICAL RECORDS

OLYMPIC PROBABLE ATHLETES FAIL NADA DOPE TESTS IN IGP

Nairobi, March 13: Kenyan long distance runner Florence Jepkosgei Chepsoi has received a one year community service sentence for faking documents as part of her defence on a doping charge, the Anti-Doping Association of Kenya (ADAK) announced.

She becomes the first Kenyan athlete to be found guilty in a criminal court.

The verdict was handed down after the trial in Eldoret following an investigation lasting a number of years.

The 36-year-old marathon runner was banned for two years in 2017 for using performance-boosting drug Prednisolone. She was found guilty of providing false medical records from Eldoret's Uasin Gishu Hospital to support her defence case when she appeared before the Kenyan Sports Disputes Tribunal.

Caribbeans win a thriller, seal series

North Sound (Antigua and Barbuda), March 13: West Indies turned a leisurely canter into a desperate scramble to achieve a series-clinching five-wicket victory over Sri Lanka with two balls to spare in the second One-Day International of their three-match series at the Sir Vivian Richards Stadium in Antigua on Sunday.

Lewis' hundred, which came off 121 balls and was embellished by eight fours and four sixes, earned him the man of the match award. "Our best chance was chasing so it was good to see the boys sticking to their plans," said West Indies captain Kieron Pollard.

Earlier, Danushka Gunathilaka just missed out on a century as Sri Lanka posted a competitive 273 for 8.

BRIEF SCORES

Sri Lanka 273/8 in 50 overs (Gunathilaka 96, Hasaranga 47, Mohammed 3/47) lost to West Indies 274/5 in 49.4 overs (Lewis 103, Hope 84).

On March 11, 2001 Gopi had beaten Chen Hong of China 15-12, 15-6 in the men's singles final played at the National Indoor Arena in Birmingham to become the second Indian after Prakash Padukone to win the coveted title — the hugely popular All England is to badminton what Wimbledon is to tennis.

Mumbai's Shaw stopper out to upstage UP

New Delhi, March 13: The focus will firmly be on Prithvi Shaw and the national selectors keeping a Hawk Eye on Mumbai captain's performance as his team takes on Uttar Pradesh in the Vijay Hazare Trophy final on Sunday.

Shaw's stupendous 754 runs in the tournament, which includes 105 not out, 227 not out, 185 not out and 165, has made him a contender for a comeback during the three ODIs, in case Rohit Sharma avails the option of taking rest.

It's still not clear whether that will happen or not but the 21-year-

old Shaw, has certainly learnt his on and off-field lessons well which has showed in his consistency during the National One Day Championships.

He is a cut above others at the domestic level and it is difficult for the national selectors to keep him out of the mix.

For Uttar Pradesh, a very steady outfit under coach Gyanendra Pandey, they have played solid cricket without being spectacular with a young captain Karan Sharma leading the team well.

Their left arm pacer Yash Dayal might fancy bringing the ball

back in to check out whether Shaw's problems against inswingers have been sorted. However, Dayal doesn't have Mitchell Starc's pace and along with fellow Aaqib Khan, could be cannon fodder that the opener requires on a short on side Kotla ground.

The other Mumbai batsmen, who have been overshadowed by Shaw's blitzkrieg, would also need to play their roles. Be it Yashasvi Jaiswal, Sarfaraz Khan, experienced wicket-keeper batsman Aditya Tare, all-rounders Shams Mulani or Shivam Dube.

In case, Shaw, who now holds the record for highest individual score in the tournament and highest score by an Indian in a List A chase, fails to come good, one of them will have to take the responsibility.

The Mumbai bowlers led by experienced pacer Dhawal Kulkarni (14 wickets), and comprising Tushar Deshpande and the spin-trio of Prashant Solanki, Tanush Kotian and Shams Mulani, have delivered more than once and will need to bowl in the right areas at the Arun Jaitley stadium.
