# Doc suspended five months after death Army convoy stalled in Ambala

TRIBUNE NEWS SERVICE

AMBALA, SEPTEMBER 25

An Army cavalcade was blocked and pro-Khalistan slogans were raised during a protest by farmer outfits in Ambala on Friday.

On the Bharat Bandh call given jointly by over 30 organisations, including All-India Farmers Union, Bharatiya Kisan Union and All-India Kisan Mahasangh, to protest against the three contentious agricultural legislations passed by Parliament recently, hundreds of farmers from the district hit the streets to demand the legal guarantee of minimum support price (MSP).

## 'COVID DELAYED SUSPENSION ORDER'

On January 4, Dr Prem Ahalawat had appeared in a Hisar court as a witness in some case. The Judge stated: "He appears to be in an inebriated condition. So the Chief Medical Officer is directed to get him medically examined."

Subsequently, the process to suspend Dr Ahalawat was started.

The suspension order could not be issued then because of Covid and procedural lapses involving two branches, the Health Department said

court as a witness in some case. District and Sessions Judge Arun Kumar Singh

had stated: "He appears to be in an inebriated condition. So the Chief Medical Officer is directed to get him medically examined and to report back regarding the consumption of liquor, if any." Subsequently, the process to suspend Dr Ahalawat was started.

On September 15, the department also suspended three medical officers — Dr Rajiv Dabla, Dr Poonam Dahiya and Dr Neeraj Khatak — on the charges of submitting a wrong medical report in the court about the condition of Dr Ahalawat.

However, their suspension was revoked three days later following the intervention of the Haryana Civil Medical Services Association, which termed the suspension order "baseless".

On January 4, Dr Ahalawat had appeared in Hisar

## 'Will continue stir till Bills are withdrawn'

**YAMUNANAGAR:** Addressing farmers at Mehrampur in Yamunanagar on Friday, Gurnam Singh Chadhuni, Bhartiya Kisan Union state president, said their agitation would continue until the demand of withdrawal of three farm Bills was met.

Farmers also blocked roads in Radaur and Bilaspur. TNS

## BHARAT BANDH

- Senior police officers persuaded protesting farmers to allow the Army cavalcade on emergency duty to pass through, but in vain
- So, the police made way for the convoy and let it pass through the wrong side of the highway
- Later, an Army Gypsy was also stopped by the protesters

protesters. Instead of giving it passage, they shouted pro-Khalistan slogans, forcing the Army vehicle to move back.

The heavy police force deployed in Ambala to check the movement of protesters, however, remained mute spectators.

Before converging on the busy highways passing through here, the groups of agitators held a protest march in the main bazaars and streets of the twin towns to ensure that all shops and commercial establishments, except those dealing with emergency services, were closed for the day.

No sooner did the protesters laid siege to the highways, the movement of vehicular traffic to and fro Ambala was badly hit and long queues of vehicles could be seen on both sides

of the highway.

Raising slogans against Prime Minister Narendra Modi, Union Agriculture Minister Narendra Singh Tomar, Haryana Chief Minister Manohar Lal Khattar and both local BJP MLAs (Home Minister Anil Vij and Aseem Goel), the protesting farmers alleged that the BJP-led NDA government at the Centre was opening up the farm sector to big corporate houses and pushing small and marginal farmers to starvation.

Sensing trouble, the police had blocked the Haryana-Punjab interstate borders by erecting barricades to stop the protesters from moving ahead since morning.

However, no untoward incident was reported and the situation remained under control in the district.

## Minister blames Cong for agitation

CHANDIGARH, SEPTEMBER 25

Agriculture Minister JP Dalal on Friday blamed the Congress for the farmers' agitation, alleging that it was misguiding peasants on the three farm Bills.

Addressing a press conference, Dalal claimed that while an overwhelming

majority of farmers were supporting the Bills, certain vested interests were

sector, which suited the vested interests.

He said the NDA had tried to change status quo and taken revolutionary steps like the farm Bills to increase farmers' income.

He claimed that the Congress was opposing the Bills for political reasons. — TNS

**NMC tasked to end inspector raj**

Medical Assessment and Rating Board will grant permission for new colleges

ADITI TANDON  
TRIBUNE NEWS SERVICE

NEW DELHI, SEPTEMBER 25

The country's new medical education regulator, the National Medical Commission (NMC), came into force today with the mandate to improve the quality of the medical graduate and end inspector raj in the running of medical colleges.

The Medical Assessment and Rating Board, one of the four autonomous boards under the NMC, has been tasked with ending inspection culture in grant of permissions for new medical colleges with plans afoot to scrap the existing system of annual renewal permissions.

**MODALITIES FOR EXIT TEST TO BE WORKED OUT**

- National Exit Test, once finalised, will serve as PG entrance even to institutes of national importance like AIIMS, PGI & JIPMER
- The NMC is now set to draft the uniform national pattern for MBBS final-year exams to ensure the same level of skills in MBBS
- The Medical Assessment Board will grant permissions for new colleges and lay down norms for them to follow.
- Once colleges have been permitted to operate and they conform to the norms, there would be no need for annual renewals," said a government source.
- The board will also develop national rankings for medical colleges to help students choose better.
- As the NMC Act provisions roll from today, modalities of the new National Exit Test will also be developed. The exit test will be
- The final-year MBBS exam, which, once ready, will serve as a licensiate exam for MBBS pass-outs and entrance test for PGs and foreign medical graduates.
- The exit test will also be used for PG entrance to the institutes of national importance like AIIMS, PGI, Chandigarh, and JIPMER, Puducherry.
- Results of the exit test will determine the college rankings with the focus shifting to output of medical education rather than input (land, infrastructure, etc) as was the norm under the now abolished Medical Council of India.
- The NMC is now set to draft the uniform national pattern for MBBS final-year exams so that all medical graduates who get the licence to practise conform to uniform national standards and quality," a Health Ministry source said.

graduates all over India

Plans afoot to scrap existing system of annual renewal permissions for institutes

the final-year MBBS exam, which, once ready, will serve as a licensiate exam for MBBS pass-outs and entrance test for PGs and foreign medical graduates.

"At present, different medical colleges have different MBBS exam patterns which means we are never sure of the quality of the medical graduate passing out of MBBS. The NMC proposal is to ensure a uniform national pattern for final-year MBBS exam so that all medical graduates who get the licence to practise conform to uniform national standards and quality," a Health Ministry source said.

The Centre today said the NMC constitution paved the way for "historic reform".

The Enforcement Directorate (ED) today said it has issued a provisional attachment order under the Prevention of Money Laundering Act (PMLA) to seize Rs 127-crore London flat of Yes Bank co-promoter Rana Kapoor in connection with a money laundering probe against him and others.

A senior ED official said, "The property was purchased by Kapoor in 2017 for 9.9 million pounds (Rs 93 crore) in the name of DOIT Creations Jersey Limited and he is the beneficial owner."

The ED later in a statement claimed that the agency obtained "information from a reliable source that Kapoor was trying to alienate this property in London and that he has hired a reputed property consultant".

It further said enquiries from open sources confirmed that this property had been listed for sale on several websites.

The officials said, as per the procedure, the ED would now approach their counterparts in the UK to execute the attachment order and would issue a proclamation that the asset cannot be sold or purchased as it has been seized under the criminal sections of the PMLA in India. The ED had earlier attached assets in the US, Dubai and Australia worth Rs 2,011 crore.
