SCHOOLS TO RUN FROM 8.45 AM TO 4 PM IN CITY

From Page 1

This syllabus will not be part of internal assessments and year-end summative assessment/board examinations. The remaining 70 per cent syllabus will be taught in schools and online.

The schools will operate from 9.30 am to 4.45 pm in other districts, while in Hyderabad and Secunderabad, the timings will be from 8.45 am to 4 pm. Online/digital classes for Class 10 will be held from 10 am to 11 am and for Class 9 from 4 pm to 5 pm.

A total of 204 working days including 115 days from September 1, 2020, to January 30, 2021 (online/digital classes) and 89 days from February 1 to May 26 (offline and online classes) have been calculated by the department for the academic year. Attendance will not be mandatory at school, which will seek written consent from parents. Students willing to study from home with the consent of the parent may be allowed to do so, the academic calendar said.

According to the calendar, SMC and parents' meetings are mandatory to be conducted before reopening of the schools to create awareness on Covid-19, immunity development, mental health and hygiene, physical distancing and precautions to be taken after reopening of the schools.

The schools have been directed to organise regular health check-up of students. The headmasters need to keep phone numbers of the nearest primary health centre or any reliable medical facility, which can be contacted in case of medical emergency. Schools have been instructed to arrange isolation rooms for staff/students having symptoms of COVID-19.

"In case, the child has or develop symptoms (of Covid-19), the parents should be contacted and transport should be arranged to send the child back to their residence with a proper escort," it read.

The parents body Hyderabad School Parents Association has urged the government to simplify the process of examination by limiting the syllabus to 50 per cent instead of the 30 per cent that has been announced. They said that the government should provide study material in the form of video lessons, exercises and Q&A type worksheets to the students.

N-ENERGY VITAL FOR GROWTH: BARC SCIENTIST

DC CORRESPONDENT
HYDERABAD, JAN. 23

"The words 'nuclear' and 'atomic' normally frighten us, but nuclear energy and related technology have been critical tools in uplifting human life and standard of living, and very few people know of their peaceful and societal applications," said Dr Tirumalesh Keesari, Bhabha Atomic Research Centre (BARC) scientist.

He was speaking at a seminar on peaceful applications of nuclear energy, organised by Social Cause, a Hyderabad based think-tank and not for profit organisation on the occasion of Netaji Subhas Chandra Bose's birth anniversary. Explaining the role of nuclear and atomic energy, Dr Keesari said that the BARC of the department of atomic energy has been playing a pivotal role in promoting the use of radioisotopes for food, agriculture, industry, medicine, water resources and the environment.

Isotope hydrology has been the focus area for the department at BARC. Naturally occurring isotopes as well as reactor-produced isotopes have been applied to understand a variety of hydrological processes and provide simple solutions to the growing water issues in the country, he said.

Some of the success stories include identification of source of fluoride in groundwater, estimation of groundwater age in deep zones, rejuvenating dying springs in Himalayan states, impact of climate change on glaciers and role of paleochannels on groundwater recharge.

In Telangana, Dr Keesari said, isotope techniques were employed to verify the positive impact of desiltation of natural tanks on groundwater levels as well as fluoride contamination. The programme was chaired by Dr B. Dinesh Kumar, president of Social Cause. Dr Pandith Madhnure, director ground water development, Dr B. Somaiah, Technology Director, Centre for Higher Energy Systems & Sciences, DRDO, Hyderabad, were guests of honour.

Tank Bund gets new 'antique look'

First NTR, now KTR works on beautification of Tank Bund, project costs about ₹38 cr

DC CORRESPONDENT
HYDERABAD, JAN. 23

A couple of decades after then Chief Minister N.T. Rama Rao took up measures to improve Tank Bund and its surroundings, municipal administration and urban development minister K.T. Rama Rao has embarked on a major beautification programme on the 2.2-km stretch of arterial road.

During N.T. Rama Rao's tenure, road widening and beautification of the Tank Bund took place in 1987-88 with the installation of statues of 33 renowned personalities, fountains and coloured lights. He was keen on installing the imposing 58-foot Buddha statue on the 'Rock of Gibraltar' in the middle of the Hussainsagar.

"NTR got that idea when he visited New York and

saw the Statue of Liberty on Staten Island", said a senior HMDA official.

The Buddha statue was hewn out of a white granite rock, weighing 450 tonnes. It was carved by 200 sculptors for two years. The statue was transported to Hyderabad in November 1988. After initial problems, it was erected on April 12, 1992, on a red lotus pedestal.

K.T. Rama Rao has instructed officials to take up the Tank Bund beautification works and complete them on a war footing. The electrical cables run through ducts and will leave the pavement undisturbed. The loose ends are being capped to prevent the cables from hanging

outside. To avoid stagnation, a proper drain system has been put in place.

Terming it as the first phase of development, the HMDA official said that the municipal authority would construct a boardwalk connecting Sagar Park, Boats Club, Buddha

Bhavan and Lumbini Park on the shoreline of Hussainsagar. This apart, the entire shoreline will get a complete makeover with state-of-the-art night bazaar beside Sanjeevaiyah Park, Necklace Road and Buddha Bhavan.

"The bazaar will have 150 to 200 shops, and would have boardwalks with landscapes in between, spacious sitting arenas, parking facilities in compliance with a Supreme Court Committee's recommendations.

The 1.3-km stretch would be transformed into a vibrant tourist attraction," the official said.

It will have bus bays, bus stands and structures on the shoreline that would

be restricted to give a complete heritage look.

A visitor, Prashanth, said at Tank Bund on Saturday, "It is very good on the part of the government to develop a tourist place like Tank Bund. The makeover gives a heritage feel."

However, Prashanth wondered, "Will the sophisticated beautification works be damaged during Ganesh immersion?"

Aditya, another visitor said the work is progressing at a good pace. "The makeover has completely changed the look and feel of the areas. I'm sure tourists or Hyderabadi will have a pleasant experience once all the developmental works are completed", he said.

Minister K.T. Rama Rao shakes hands with M.S. Chandrakanth Sagar of Pranav Enterprises after presenting him an award during the Federation of Telangana Chambers of Commerce and Industry (FTCCI) event on Saturday.

age to bring the economy back on track.

He said the the state government would clear the industrial incentives that were held back due to Covid-19 and associated issues. Rama Rao said the Telangana tops in rankings but is not allocated projects such as high-speed rail, or industrial corridors. "Numbers rule. Unfortunately we have only 17 (Lok Sabha seats). If you have 70 then you get things," he said.

"If the country has to prosper as per Prime

Minister Narendra Modi's slogan of *sab ka saath sa vikas*, those words should be translated into action.

Progressive states like Telangana should get incentives," he said. The government had been asking in vain for industrial

corridors to Nagpur, Bengaluru and Ramagundam.

"Our CM completed the world largest multi-stage lift irrigation project in three years. Is there any other CM who did this?

Such a progressive should be supported," Rama Rao said.

Undercooked comic meal with string of stale jokes

SASHIDHAR ADIVI | DC

Allari Naresh enjoys the reputation of bringing comic acts to the celluloid world. However, of late, his films are getting loaded with more "Allari" (nonsense) and less of comedy. Though Bangaru Bullodu is a comic caper set against a rustic backdrop, it has only added up to the list of dismal offerings from the comic hero.

Bhavani Prasad (Allari Naresh) is a bank employee with many predicaments. He learns that his grandfather (Tanikella Bharani) had used ornaments belonging to the village deity for his own benefit. In a payback, Prasad

wants to use the gold deposited in his bank for returning the ornaments to the temple. Things take a weird turn when Prasad accidentally locks horns with the villain.

Pooja Jhaveri appears to be without rhyme or reason. The biggest drawback

Naresh. Though he tries hard to press all buttons with his archetypal style, the story, set in a gimmicky world, offers routine and stale comedy. Even if you are someone who wants to laugh without wanting to think too hard, the film may still not work for you. Direction, cinematography, editing and every other aspect of the craft is mediocre. As a result, the remixed version of Swathilo Muthyamantha from yesterday's Bangara Bullodu offers some relief, though

NUMBER OF COVID CASES IN TS GO DOWN

DC CORRESPONDENT
HYDERABAD, JAN. 23

The daily new addition of Covid-19 cases now appears to be settling around the low 200s. The state health department said that for Friday, the state registered 211 Covid-19 cases and two deaths.

Since January 12, Telangana state had been reporting daily cases between 200 and 300. With fewer cases being reported, the number of tests being done, either on primary or secondary contacts who exhibit some symptoms has also fallen. Throughout the pandemic, the number of cases were found to be more on days when the testing was more. On Friday, the state conducted 30,000 tests.

This is a far cry more than 2,500 cases a day that was recorded in the state in the middle of last year when the disease spread was believed to be at its peak.

As many as 3,569 persons were listed by the department as being active Covid-19 cases on Friday, of whom 1,973 were in isolation at home or institutions.

Of the 211 cases on Friday, the GHMC area including Hyderabad city recorded 36, while Karimnagar district had 17, followed by Medchal-Malkajgiri with 16, Ranga Reddy 14 and Warangal Urban and Sangareddy districts with 10 cases each.

One of the largest heists in the country, in which about 25 kilos of gold ornaments was stolen in Tamil Nadu, ended up being one of the shortest ever.

The Cyberabad police on Saturday caught on the city outskirts, an eight member gang of dacoits that was trying to make good with the loot it had stolen from the Muthoot Finance office at Hosur in Tamil Nadu on Friday.

The committee members briefed on the campaign to collect donations in the state. They showed her photographs of the temple construction work in Ayodhya. The Governor inquired about issues related to the construction, the Abhiyan said in a press release.

Also seized by the police along with the gold ornaments, was ₹93,000, seven pistols, 10 magazines, 97 rounds of ammunition, a container lorry, a multi-utility vehicle and 13 cellphones.

According to Cyberabad

Around five days ago, Sajjanar said, the gang members brought the weapons and ammunition along with the lorry in which they planned to transport the stolen gold to Nagpur.

Police officials from Krishnagiri district, in which Hosur falls, alerted

the Telangana police about the heist and about the getaway vehicles. According to Sajjanar, armed checkposts were immediately put in place at the Raikal and Shamshabad toll plazas to check the vehicles passing by.

When the hired MUV passed Raikal, the cops posted there identified it and alerted officials who intercepted it and took into custody the gang members. Based on the information provided by them, the police intercepted the lorry carrying the gold at Medchal, seized it and arrested those in the vehicle.

The accused, the police said, were brothers Rup Singh Baghal, a 22-year-old student, and Shankar Singh Baghal, 36, a farmer, from Jabalpur in Madhya Pradesh. Amith from Indore who is absconding, Pavan Kumar Vishwakarma, 22, driver, Bupender Major, a 24-year-old labourer and Vivek Mandal, 32, both from Doranda village in Jharkhand, Rajiv Kumar, 35, cleaner of the lorry, from Meerut in Uttar Pradesh, and Lulya Pandey, weapons dealer from Nagpur, Maharashtra.

All in all, Bangaru Bullodu is an undercooked comic meal that works in parts and falls flat at many places. You expect a lot to happen given the nature of characters that spring up without any warning or notice. Like the saying too many cooks spoil the broth, this film walks the extra mile in proving that too many comic characters forcibly fitted in dilute the film's comedy and its flavour.

The belief in divine blessings is so immense that Adivasis who during poosmas worship tiger God and its deities that are located deep in the forests, are venturing into these spots barefoot without any fear of being attacked by the big cat.

Adivasis revere tiger God as 'Rajulkpen' in gondi. Tigers are called 'Duvval' and 'Vagoba' in Gondi.

Adivasis visit many popular places for tiger God deities that made of wood and perform special puja praying to the God not to cause any harm to their cattle that enter forests for grazing, and humans.

Govt workers strike for pay revision, held

Demand disclosure of PRC report, talks with unions

DC CORRESPONDENT
HYDERABAD, JAN. 23

The Hyderabad police arrested government employees who were staging a protest demanding implementation of the Pay Revision Commission (PRC) implementation.

Demanding that the government disclose the PRC report and hold negotiations with the staff unions immediately, members of the United Platform Steering Committee proposed to sit on a hunger strike on Saturday at Dharna Chowk.

The police quickly reached the spot. Though the steering committee members tried to explain to them that a limited number of people would sit peacefully, they were refused permission to enter Dharna Chowk. They then proceeded to

Indira Park square, said Chava Ravi, steering committee member of USPC, calling the police action undemocratic.

Fifty government employees were arrested by the police and sent to Gandhinagar, Musheerabad and Chikkadpally police stations.

Reiterating their demands on the PRC, they also asked the government for equal pay for equal work for contract and outsourced employees. They demanded abolishing of the contributory pension scheme and revival of the old pension scheme for teachers and staff recruited before September 2004.

The steering committee members said that the protest will be intensified under the leadership of the Aikya Vedika in February.

V-P URGES YOUTH TO GET INSPIRED BY NETAJI

Hyderabad, Jan. 23: Vice-President M. Venkaiah Naidu on Saturday urged youth to derive inspiration from the life of Netaji Subhas Chandra Bose and lead from the front in building a new India, a happy and prosperous nation where every citizen gets equal opportunity and where there is no discrimination.

Noting that about 65 per cent of the population is below the age of 35, he said it is time for the youth to be in the forefront in eradicating poverty, illiteracy, social and gender discrimination, casteism and communalism.

Naidu was addressing officer-trainees attending the foundation course at the MCR HRD Institute here on the occasion of 125th birth anniversary of Netaji which is being celebrated as Parakram Diwas. Referring to the role played by Netaji and freedom fighters, social reformers, including unsung heroes from different regions, Venkaiah Naidu said many people were not aware of their greatness.

GOVT TRAINS TRIBAL WOMEN FOR DIGITAL WORLD

DC CORRESPONDENT
HYDERABAD, JAN. 23

Tribal welfare minister Satyavathi Rathod asserted that the government has formulated plans to make tribal women digital media-ready in the course of time. Her department is all set to launch a digital leadership programme in tribal areas.

She was speaking at a review meeting with department officials here on Saturday where she explained that they had trained 50 tribal women on using digital devices. These tech-savvy women, who have been provided tabs, will emerge as leaders in the digital world, she said.

Although, most tribals lack education, it is a good augury that quite a few have completed graduation. The government is planning to support tribal unemployed youth by way of self-employment schemes.

The minister thanked Chief Minister K. Chandrashekhar Rao for his decision to establish gurukul schools for tribal students. With residential schools coming all over, parents are keen on sending their children to school.

She appealed to corporate houses to come forward and support dalit, tribal and down-trodden sections as part of their corporate social responsibility (CSR) activities. She said it was encouraging to note that some corporate companies are coming in support of digital leadership programmes for tribals.

TURMERIC FARMERS DEMAND MP ARVIND RESIGNATION

NARENDER PULLOOR | DC
NIZAMABAD, JAN. 23

The Turmeric Farmers Joint Action Committee demanded that Nizamabad MP Dharmapuri Arvind get a Turmeric Board set up in the city and secure minimum support price (MSP) for turmeric within 10 days, or keep his promise and resign. Arvind had promised on a bond paper during the 2019 Lok Sabha election campaign to get the Turmeric Board, or leave the seat.

The JAC met at Chowtpally village in Kammpally mandal on Saturday. A few turmeric farmers, who contested in the Parliament elections also took part in the meeting. Talks between the MP and farmers failed and Arvind left the meeting. Angered farmers raised slogans against him. Speaking at the meeting, a few farmers expressed displeasure with Arvind. "Despite sincere efforts for establishment of the Turmeric Board and getting MSP, the MP is trying to divert the issue," the farmers said. "We will take up agitation against the TRS government at an appropriate time, but the BJP should act swiftly on the turmeric farmers' issues," they said.

The cost of cultivation had increased and at least ₹15,000 should be given as MSP, they demanded.

Phase-I of GP polls on Feb. 5 stirs controversy

DC CORRESPONDENT
VIJAYAWADA, JAN. 23

The State Election Commission has issued notification for conduct of gram panchayat polls on February 5 from 6.30 am to 3.30 pm in 11 districts during Phase-I. The districts left out are Vizianagaram and Prakasam. Polling during Phase-II will be held on February 9, Phase-III on February 13 and Phase-IV on February 17.

As per the notification released on Saturday by State Election Commissioner N. Ramesh Kumar, the notice for Phase-I elections will be released by the returning officer concerned on January 25 seeking filing of nominations by contestants between 10.30 am and 5 pm.

Ward-wise electoral rolls of gram panchayats will be displayed on the same day.

Meanwhile, Yana-

malama Ramakrishnudu, Leader of Opposition in the AP Legislative Council, on Saturday expressed anguish that the YSR Congress government was working against the ideals of Mahatma Gandhi and Dr B.R. Ambedkar by resorting to unconstitutional and lawless practices.

He termed as a 'contempt of court' on the part of the state government to create obstacles for conducting panchayat elections in total disregard for the High Court division bench order. This was tantamount to contempt of court.

On the other hand, The YSR Congress on Saturday objected to State Election Commissioner Nimmagadda Ramesh Kumar issuing a notification for the four-phase panchayat polls.

The final list of contesting candidates will be published on January 31 after 3 pm.

the local body elections.

Party official spokesperson Ambati Rambabu speaking to the media alleged that Kumar was "behaving like a political leader" and the official's press meet earlier in the day reflected it. He alleged that Kumar was trying to conduct elections with the support of pro-Chandrababu Naidu officials to benefit the Telugu Desam.

Rambabu asked why Kumar did not conduct local body election on schedule in 2018 when the Telugu Desam was in power. "Why did the SEC not move court then for conducting the polls?" he asked.

Polling will be held in 14 revenue divisions covering 146 mandals in 11 districts.

MAHA TO START JAIL TOURISM FROM JAN 26

Nagpur, Jan. 23: The Maharashtra government will start 'jail tourism' in the state from Pune's Yerawada prison on January 26 to facilitate people to visit and see from close quarters the historical prisons, a minister said on Saturday.

Chief Minister Uddhav Thackeray and Deputy Chief Minister Ajit Pawar will inaugurate the jail tourism initiative at Yerawada Central Jail on the Republic Day, state Home Minister Anil Deshmukh said in a press conference.

This is the first of its kind initiative in the country, he claimed. "Jail tourism in the state will start from the Yerawada jail in the first phase. Students from schools, colleges and other people will get a chance to visit these historical places," he told reporters here.

"Under the British rule, several freedom fighters, including Mahatma Gandhi, Lokmanya Tilak, Motilal Nehru, Pandit Jawaharlal Nehru, Sardar Vallabhbhai Patel, Sarojini Naidu, Subhas Chandra Bose had been imprisoned in Yerawada jail and their memories have been preserved there," he said.

Deshmukh said that guides will be provided to the visitors and ticketed prices will range from ₹5 to ₹50. The prisons in Thane, Nashik and Ratnagiri will also be part of the jail tourism initiative, the minister added.

SOMNATH BHARTI SENTENCED TO 2 YEARS IN JAIL

DC CORRESPONDENT
NEW DELHI, JAN. 23

A court on Saturday sentenced AAP MLA Somnath Bharti to two years in jail for assaulting the AIIMS security staff in a case registered in 2016. Additional Chief Metropolitan Magistrate Ravindra Kumar Pandey also imposed a fine of Rs one lakh on the Aam Aadmi Party (AAP) leader.

Bharti, however, was granted bail to enable him to file an appeal before the high court against his conviction in the case and jail term.

According to the prosecution, on September 9, 2016, Bharti, along with nearly 300 others, brought down the fence of a boundary wall at the AIIMS here with a JCB operator.

"The court is of the considered view that the prosecution has duly proved its case beyond all reasonable doubt against accused Somnath Bharti," the magistrate said.

The court convicted Bharti for various offences under the IPC, including under sections 323 (voluntarily causing hurt), 353 (assault or use of criminal force to deter public servant from discharge of his duty) and 147 (rioting). It also held the AAP MLA guilty under section 3 (mischief causing damage to public property) of the Prevention of Damage to Public Property Act.

The offences carry a maximum punishment of five years in jail. The court, however, acquitted Bharti's associates and co-accused Jagat Saini, Dileep Jha, Sandeep Sonu and Rakesh Pandey - citing a lack of evidence against them.

The case was lodged on the basis of a complaint from R.S. Rawat, Chief Security Officer, AIIMS.

BSF DETECTS UNDERGROUND TUNNEL ALONG IB IN KATHUA

Jammu, Jan. 23: The Border Security Force (BSF) on Saturday detected a second underground tunnel constructed by Pakistan in Jammu and Kashmir's Kathua district to facilitate the infiltration of terrorists, a spokesperson of the border guarding force said.

This is the second such structure found in 10 days.

The secret tunnel was detected during an anti-tunnelling operation in the border outpost (BOP) Pansar area of Hiranagar sector, opposite Abhiy-Dogra and Kingde-Kothi in Shakargarh, the spokesperson said.

This is the second underground tunnel detected by BSF personnel in Hiranagar sector during the past 10 days, fourth in the past six months along the International Border (IB) in Samba and Kathua districts and 10th in the past decade.

On January 13, a 150-metre-long tunnel was detected in Bobiyaan village in the same sector.

The spokesperson said the latest tunnel was unearthed on a specific intelligence input in the early hours of the day during the anti-tunnelling drive. "The tunnel is about 150 metres long and 30 feet deep with about three feet diameter," he said, adding that the BSF had shot down a Pakistani Hexacopter carrying loads of weapons and ammunition in June 2020 in the same area besides foiling an infiltration bid by terrorists in November 2019. - PTI

INDIA-CHINA TO HOLD CORPS COMMANDERS MEETING TODAY

PAWAN BALI | DC
NEW DELHI, JAN. 23

India and China will hold ninth round of Corps Commanders meeting on Sunday at Moldo to try resolve the ongoing military stand-off in the Eastern Ladakh.

The last round of the Corps Commanders meeting was held on November 6. However, due to lack of any tangible progress no meeting was held between the army commanders in over two and a half months.

The military stand-off in Eastern Ladakh is in ninth month with both sides having deployed around 50,000 troops at each side of the line of actual control (LAC) in Eastern Ladakh. Farmer leaders allege conspiracy to kill them**MP CONGRESS PROTESTS OVER FARM LAWS**

RABINDRA NATH CHOUDHURY | DC
BHOPAL, JAN. 23

Police used tear gas shells and water cannons as Congress activists led by Madhya Pradesh party chief Kamal Nath here on Saturday staged a rally in protest against 3 farm laws brought by the Centre.

The police used 'mild force' to disperse the Congress workers and leaders who were marching towards Raj Bhavan to gherao it.

"Police used tear gas shells and water cannons after the demonstrators went unruly", a police officer said.

"The situation is now under control", Bhopal district deputy inspector general of police Irshad Wali said.

Congress on Saturday launched the state level rally here after holding rallies at district headquarters in the state over the last past couple of weeks in support of the farmers' demand to repeal the 3 farm laws.

He was subsequently handed over to the

Haryana police. Farmer leader Kulwant Singh Sandhu alleged that attempts are being made to disrupt the ongoing agitation against three farm laws.

The man, who had his face covered with a scarf, claimed at the press conference that a plan was hatched to shoot four farmer leaders, who are known faces in the media, at the stage on Saturday.

"On January 26, there was a plan to create disturbance during the tractor parade by opening fire on Delhi Police personnel, which would prompt them to retaliate against the protesting farmers in a strong manner," he said.

Thousands of farmers, mostly from Punjab, Haryana and western Uttar Pradesh, have been camping at several border points of Delhi since November 28 last year, demanding a repeal of the three farm laws and a legal guarantee to the minimum support price (MSP) for their crops.

Enacted in September last year, the three laws have been projected by the Centre as major reforms in the agriculture sector that will remove middlemen and allow farmers to sell their produce anywhere in the country.

However, the protesting farmers have expressed their apprehension over the new laws. - PTI

Mamata declines to speak at Netaji event after 'Jai Shree Ram' slogans were raised

India should have 4 capitals: Mamata

DC CORRESPONDENT
KOLKATA, JAN. 23

THE CHIEF MINISTER urged the Centre to declare Netaji Subhash Chandra Bose's birthday a national holiday.

through an inquiry. Netaji, according to us, was eliminated because his freedom struggle had scared many."

Countering the slogan 'one nation, one election' of Mr Modi and BJP, the TMC chief, in her bid to play up regional politics ahead of the polls, also called for regionwise bifurcation of the nation's capital into four including one at Kolkata to decentralise union powers from New Delhi. She argued that parliament sessions can be held in the four regional capitals in turns.

She added, "Kolkata once used to be the capital of the country. When the British used to rule the nation sitting here, why can't Kolkata be one of the capitals of the country? I feel it has to be done since it was the origin of renaissance and freedom movement. I ask the Centre to set up the country's capital in four corners: North, South, East and North East. Why would the parliamentary sessions be restricted to a particular place? What is there in Delhi? Maximum are outsiders there."

Prof Bose, also the NRB chairperson, said, "I had told the PMO that Mr Modi would pay a surprise visit to the Netaji Bhavan, the ancestral house of the family at Elgin Road in South Kolkata that now houses the Netaji Research Bureau, which was earlier not in his itinerary.

Some

BJP leaders including Kailash Vijayvargiya, who gathered outside the address, tried to enter but were stopped.

They however shouted "Jai Shree Ram" slogan when Mr Modi dropped at the Netaji Bhavan after landing in Kolkata.

On the Centre's 'Parakram Diwas' he added, "I do not like it because Netaji was not a mere warrior. I like Deshanayak Diwas."

SHORT TAKES

MORE THAN 20 HURT IN BLAST AT GAZA HOME

Gaza City, Palestinian Territories, Jan. 23: More than 20 people were injured and several homes destroyed by a large explosion Saturday in a residential area of the Hamas-ruled Gaza Strip, Palestinian officials said.

The source of the accidental explosion was apparently the home of a member of one of Gaza's armed groups.

"An explosion occurred in a house in Beit Hanoun this morning, resulting in a number of injuries," the interior ministry said, adding that an investigation had been launched into the cause of the blast.

Medical sources said more than 20 people were injured, two of them seriously.

Witnesses said several homes were damaged as a result of the explosion in the home of an "activist". Police cordoned off the area.

ITALY BLOCKS TIK TOK AFTER 10-YR-GIRL DIES

Milan, Jan. 23: Italy's data protection authority said it was imposing an immediate block on Tik Tok's access to data for any user whose age has not been verified.

The authority said it was acting with "urgency" following the death of a 10-year-old girl in Sicily, who died while participating in a so-called "blackout" challenge while using the Chinese-owned video-sharing social network.

Prosecutors in Sicily are investigating the case. The data protection authority noted it had advised Tik Tok in December of a series of violations, including scant attention to the protection of minors, the ease with which users under age 13 could sign up for the platform — against its own rules — the lack of transparency in information given to users and the use of automatic settings that did not respect privacy.

LICENCE OF PAK NEWS CHANNEL SUSPENDED

Islamabad, Jan. 23: Pakistan's media watchdog has suspended the licence of a TV channel for 30 days and imposed a fine of Rs 1 million on it after one of its controversial anchors voiced "contemptuous" remarks and "cast aspersions" on the judiciary.

The Pakistan Electronic Media Regulatory Authority (PEMRA) took action against Bol News on Friday, according to a statement.

"PEMRA suspends Bol News for 30 days, fine of Rupees one million is also imposed," PEMRA said in a tweet.

It said anchor Sami Ibrahim on January 13 "aired contemptuous remarks against the ... chief justice of the Lahore High Court (LHC) and other honourable judges while discussing the matter of appointment of judges in the LHC".

The anchor "cast aspersions on the superior judiciary in violation of Article 19 read with Article 68 of the Constitution [...] and the PEMRA laws including the PEMRA Code of Conduct, 2015", it said.

SAUDI TV: DRONE OR MISSILE INTERCEPTED

Dubai, Jan. 23: Saudi Arabia said Saturday it intercepted an apparent missile or drone attack over its capital, Riyadh, amid the kingdom's yearslong war against neighbouring Yemen's Houthi rebels.

Social media users posted video of what appeared to be an explosion in the air over Riyadh. Saudi state TV quoted authorities in the kingdom acknowledging the interception. The Houthis did not immediately acknowledge launching a missile or a drone toward Riyadh. The Houthis have held Yemen's capital, Sanaa, since September 2014.

Saudi Arabia and its allies launched a war against them in March 2015 in support of Yemen's internationally recognised government.

The war has been mired in a stalemate for years. Riyadh has been targeted in sporadic missile attacks in that time, while the Houthis also have launched missile and drone strikes.

Western experts, Saudi Arabia and the US say Iran has supplied arms, including ballistic missiles to the Houthis. Iran denies that, though devices in the weapons link back to Tehran.

Trump impeachment trial in Senate to begin on Feb. 8

VP Harris' crucial vote as Senate chairman gives Democrats a majority

Washington, Jan. 23: The United States Senate would begin the impeachment trial of former President Donald Trump on February 8, Senate Majority Leader Chuck Schumer said. "The January 6th insurrection at the Capitol, incited by Donald J. Trump was a day none of us will ever forget. We all want to put this awful chapter in our nation's history behind us. But healing and unity will only come if there is truth and accountability. And that is what this trial will provide," Schumer said on the senate floor.

Both the Republican and the Democratic Party now have 50 seats each in the 100 member Senate. However, the crucial vote of Vice President Kamala Harris in her capacity as the chairman of the senate gives the Democrats a majority in the upper chambers of the Congress.

Giving details of the impeachment process, Schumer said the house managers will come to read the article of impeachment at 7 pm on Monday. Members will then be sworn in the next day.

After that, both the house managers and the defense will have a period of time to draft their legal briefs, just as they did in previous trials, he said.

"During that period, the senate will continue to do other business for the American people, such as cabinet nominations and the Covid-relief bill, which would provide relief for millions of Americans who are suffering during this pandemic. Then, once the briefs are drafted, presentations by the parties will commence in the week of February 8th," Schumer said.

Senate Minority Leader Mitch McConnell said that the impeachment began with an unprecedentedly fast and minimal process in the house.

The sequel cannot be an insufficient senate process that denies former president Trump his due process or damages the senate or the presidency itself, he said.

Senate Republicans strongly believe we need a full and fair process where the former president can mount a defence and the senate can properly consider the factual, legal, and constitutional questions at stake," he said.

The Republican leader suggested that the impeachment trial begin on February 11. "That timeline would have provided the Senate some more floor time before we step fully into the unknown of a trial," he said.

Heads of America-funded global broadcasters resign

Washington, Jan. 23: The heads of three federally-funded international broadcasters were abruptly fired late Friday as the Biden administration completed a house-cleaning of Donald Trump-appointed officials to lead USAID only two hours after Joe Biden took office.

● **THE CHANGES** came a day after VoA director and his deputy were removed and the chief of the Office of Cuba Broadcasting stepped down. It followed the forced resignation of ex-Pres. Donald Trump's handpicked choice to lead USAID only two hours after Joe Biden took office.

BIDEN CALLS UP TRUDEAU, LÓPEZ OBRADOR

Washington, Jan. 23: President Joe Biden made his first calls to foreign leaders as America's commander in chief on Friday, dialing up Canadian Prime Minister Justin Trudeau and Mexican President Andres Manuel Lopez Obrador at a strained moment for the US relationship with its North American neighbours.

Biden's call to Trudeau came after the Canadian prime minister this week publicly expressed disappointment over Biden's decision — one of his first acts as president — to issue an executive order halting construction of the Keystone XL oil pipeline.

US to revisit its deal with Taliban

Washington, Jan. 23: The Biden administration has said it will review the US-Taliban deal to assess whether the militant group is reducing violence in keeping with its side of the agreement in the Afghan peace accord.

During a telephone conversation with his Afghan counterpart Hamidullah Mohib, National Security Advisor Jake Sullivan underscored that the US will support the peace process with a robust and regional diplomatic effort, "which will aim to help the two sides achieve a durable and just political settlement and permanent ceasefire", National Security Council spokeswoman Emily Horne said on Friday.

"Sullivan also made clear the United States' intention to review the February 2020 US-Taliban agreement, including to assess whether the Taliban was living up to its com-

mitments to cut ties with terrorist groups, to reduce violence in Afghanistan and to engage in meaningful negotiations with the Afghan government and other stakeholders," she said.

The Trump administration had signed the peace deal with Taliban in February last in Doha.

The accord drew up plans for withdrawal of United States troops from Afghanistan in exchange for security guarantees from the insurgent group. As part of the deal, the US committed to withdraw its 12,000 troops within 14 months.

There are currently only 2,500 American troops left in the country. The Taliban committed to prevent other groups, including Al Qaeda, from using Afghan soil to recruit, train or fund raise toward activities that threaten the US or its allies.

Biden orders intel review of domestic extremism threat

Washington, Jan. 23: President Joe Biden has directed his intelligence community to study the threat of domestic extremism in the United States, an undertaking being launched weeks after a violent mob loyal to Donald Trump stormed the US Capitol.

The disclosure Friday by White House press secretary Jen Psaki is a stark acknowledgment focus on vio-

lence from radical extremists at home.

Federal Bureau of Investigation Director Chris Wray has said that, over the last year, the most lethal violence has come from anti-government activists, such as anarchists and militia types. The rise of domestic violent extremism is a serious and growing national security threat,

Psaki said. — PTI

NEVER INTERESTED

It's clear other members do not want Donald for now

Trump shuns 'ex-presidents club'

Washington, Jan. 23: It's a club Donald Trump was never really interested in joining and certainly not so soon: the cadre of former commanders in chief who revere the presidency enough to put aside often bitter political differences and even join together in common cause.

Members of the ex-presidents club pose together for pictures. They smile and pat each other on the back while milling around historic events, or sit somberly side by side at VIP funerals.

They take on special projects together. They rarely criticise one another and tend to offer even fewer harsh words about their White House successors. Like so many other presidential traditions, however, this is one Trump seems likely to trout. Now that he's left office, it's hard to see him embracing the stately, exclusive club of living former presidents.

"He kind of laughed at the very notion that he would be accepted in the presidents' club," said

Kate Andersen Brower who interviewed Trump in 2019 for her book "Team of Five: The Presidents' Club in the Age of Trump."

"He was like, 'I don't think I'll be accepted.'" It's equally clear that the club's other members don't much want him — at least for now. Former Presidents Barack Obama, George W. Bush and Bill Clinton recorded a three-minute video from Arlington National Cemetery after President Joe Biden's inauguration this week,

praising peaceful presidential succession as a core of American democracy. The segment included no mention of Trump by name, but stood as a stark rebuke of his behaviour since losing November's election.

"I think the fact that the three of us are standing here, talking about a peaceful transfer of power, speaks to the institutional integrity of our country," Bush said.

Obama called inaugurations "a reminder that we can have fierce disagree-

ments and yet recognise each other's common humanity, and that, as Americans, we have more in common than what separates us."

Trump spent months making baseless claims that the election had been stolen from him through fraud and eventually helped incite a deadly insurrection at the US Capitol. He left the White House without attending Biden's swearing-in, the first president to skip his successor's inauguration in 152 years. — AP

Hong Kong in strict lockdown

COVID DEATHS COULD SURPASS 600,000: BIDEN

Hong Kong, Jan. 23: Thousands of Hong Kong residents were locked down on Saturday in an unprecedented move to contain a worsening outbreak in the city, authorities said.

Hong Kong has been grappling to contain a fresh wave of the coronavirus since November. Over 4,300 cases have been recorded in the last two months, making up nearly 40 per cent of the city's total.

Coronavirus cases in Hong Kong's Yau Tsim Mong district — a working-class neighbourhood with old buildings and subdivided flats — made up about half of the infections in the past week.

Sewage testing in the area picked up more concentrated traces of the Covid-19 virus, prompting concerns that poorly built plumbing systems and a lack of ventilation in subdivided units may present a possible path for the virus to spread.

Authorities said in a statement Saturday that an area comprising 16 buildings in Yau Tsim Mong will be locked down until all residents have undergone tests. Residents will not be allowed to leave their homes until they have received their test results to prevent cross-infection. "Persons subject to compulsory testing are required to stay in their premises until all such persons identified in the area have undergone testing and the test results are mostly ascertained," the government said in a statement.

Hong Kong has previously avoided lockdowns in the city during the pandemic, with leader Carrie Lam stating in July last year that authorities will avoid taking such "extreme measures" unless it had no other choice. The restrictions, which were announced at 4 am in Hong Kong, are expected to end within 48 hours, the government said.

It appealed to employers to exercise discretion and avoid docking the salary of employees who were affected by the restrictions and may not be able to go to work.

Hospitals fill up fast in Portugal

EU TRAVELLERS MUST TEST NEGATIVE TO ENTER FRANCE

Lisbon, Jan. 23: Ambulances waiting to deliver Covid-19 patients queued outside hospital emergency departments. Friday as Portugal's Covid-19 surge continued unabated, adding a new record of daily deaths for the fifth day in a row.

The number of Covid-19 hospitalisations and patients in intensive care also reached new highs over the previous 24 hours, placing the public health system under severe strain, health authorities said.

Authorities reported 234 deaths, bringing the total in the country to 10.3 million to 9,920.

Hospitals added another 149 Covid-19 patients to their wards, with another 13 in ICUs.

Hospital Covid-19 wards and ICUs are on average around 90 per cent full. The almost 14,000 officially reported new cases was the second highest number during the pandemic. Portugal has the highest seven-day average rate in the world of new cases per 100,000 population and the highest rate of new deaths, according to data collated through Thursday by Johns Hopkins University.

At Lisbon's Santa Maria Hospital, the capital's largest

gest, more than a dozen ambulances queued along an approach road, waiting to hand over their Covid-19 patients to medics. At some hospitals, ambulance drivers have complained about waiting for hours. — AP

UK docs debate gap for vaccine

London, Jan. 23: Senior medics are at odds in the UK over the optimum gap between the two doses of vaccines being administered for protection against Covid-19.

The two vaccines currently being injected among the country's priority groups, Pfizer/BioNTech and Oxford/AstraZeneca, both require a booster shot a few weeks later.

Initial advice for the second dose to be delivered within 21 days was modified by the UK government scientists to up to 12 weeks apart, with the aim

of vaccinating larger numbers with at least one jab to inject some level of immediate protection. The government's Joint Committee on Vaccination and Immunisation (JCVI) claims unpublished data suggest that the Oxford-AstraZeneca vaccine is still effective with doses 12 weeks apart. But American pharma major Pfizer has said it has tested its vaccine's efficacy only when the two doses were given up to 21 days apart, creating some doubt over its efficacy with a larger time gap. — PTI

Mallya 'trying' to stay on in UK

London, Jan. 23: Vijay Mallya, who is due to be extradited to India, has applied for "another route" to be able to stay in the UK, the embattled liquor tycoon's barrister representing him in bankruptcy proceedings in the High Court here confirmed in the court

for the first time.

The 65-year-old businessman, whose legal challenge to the Indian government's extradition request was turned down at the Supreme Court level in the UK last year, remains in Britain on bail until UK Home Secretary Priti Patel signs

off on the order for him to be extradited to India to face charges of fraud and money laundering related to the now-defunct Kingfisher Airlines.

"The extradition was upheld but he [Mallya] is still here because as you know there is another route for him to apply to

the Secretary of State [Patel] for status," said barrister Philip Marshall, when specifically asked by Deputy Insolvency and Companies Court Judge Nigel Barnett about the status of the extradition proceedings during a remote hearing on Friday. — PTI

Navalny wife, supporters held at anti-Putin protests

Moscow, Jan. 23: Russian police on Saturday detained over 1,000 protesters, including the wife of jailed Kremlin critic Alexei Navalny, as several thousands took to the streets nationwide to denounce President Vladimir Putin's rule.

Thousands of people, including teenagers, packed Moscow's central Pushkin Square and nearby streets as riot police hauled off demonstrators and beat others with batons.

Among those detained were Navalny's wife Yulia Navalnaya and his prominent aide Lyubov Sobol. AFP journalists saw several protesters left badly injured after clashing with police in Moscow.

"What a joy that you are here!" Navalnaya wrote before being detained and posting a picture of herself from inside a police van.

Lahore, Jan. 23: A Pakistani Anti-Terrorism Court has sentenced three leaders of Mumbai attack mastermind Hafiz Saeed's Jamaat-ud-Dawa (JuD) terrorist organisation to six months in prison in a case of terror financing.

Saeed's brother-in-law Hafiz Abdur Rehman Makki, JuD spokesman Yahya Mujahid and Zafar Iqbal were handed down the six-month imprisonment each by the Anti-Terrorism Court (ATC) Lahore.

With Friday's sentencing, the collective imprisonment of Mujahid and Iqbal has climbed to 80 and 56 years respectively. The verdicts against them will run concurrently in the terror financing cases registered by the Counter-Terrorism Department (CTD) of the Punjab police.

NO-CONFIDENCE MOTION TO OUST GOVT: BILAWAL

Islamabad, Jan. 23: Pakistan Peoples Party chairman Bilawal Bhutto-Zardari on Friday said the Opposition parties should bring a no-confidence motion against the PM Imran Khan-led government, as a majority vote in the House would be the most effective method to topple the government. Addressing the public at an event in Sindh province's Larkana city, the Opposition leader said he would talk to other Pakistan Democratic Movement (PDM) leaders on the no-confidence motion as it would be better than continuing their protest movement. The 11-party PDM, formed in September last year, has demanded the present government resign, alleging the 2018 elections were rigged.

Levante, Valladolid play out stalemate

Valencia, Spain: Levante needed Roger Martí's late goal to salvage a 2-2 home draw with Valladolid in the Spanish league on Friday.

The match came alive when Levante's Dani Gomez scored in the 62nd minute from a pass by Jorge Frutos after the midfielder sped down the left and set up the forward.

Ruben Alcaraz made up for two misses in the first half when he helped rob the ball from

Levante's Mickael Malsa and scored from outside the area to level in the 73rd.

Oscar Plano appeared to have given Valladolid the winning goal five minutes later after a pass by Pablo Hervias.

But Martí dribbled around his marker to open a tight shooting angle.

He drove a shot that took a deflection off a defender before finding the net to seal the draw in the 83rd.

Levante moved into 10th place and Valladolid into 15th.

Roma handed 3-0 loss in Italian Cup

Rome: Roma were handed a 3-0 Italian Cup defeat to Spezia on Friday after they made six substitutions during a chaotic Last 16 clash they had already lost earlier in the week.

Paulo Fonseca's side were eliminated on Tuesday after a 4-2 extra-time defeat at the Stadio Olimpico, which they finished with nine-men after initially recovering from an early two-goal deficit to take the match beyond 90 minutes.

The capital city club were down to nine less than two minutes into extra time after Gianluca Mancini and goalkeeper Pau Lopez were both dismissed, and in the aftermath of the second red card brought on Daniel Fuzato and Roger Ibanez to take their total of subs over the allowed maximum of five.

In a statement Serie 'A', which organises the Italian Cup, said the 3-0 loss has been awarded because it was a larger margin of defeat than the one handed to Roma on the field.

Kerala held by 10-men Goa

Bambolin: A 10-men FC Goa managed to fend off a tough press from Kerala Blasters to settle for a point with a 1-1 draw in the Indian Super League here on Saturday.

The Gauks took the lead through a 25-minute strike from Jorge Ortiz Mendoza, while Rahul KP (57th) scored with a brilliant header in the second half.

Goa were reduced to 10 men in the second half after Ivan Gonzalez received marching orders following two yellow cards within a span of seconds. Goa started with what they do best — playing intriguing short passes, maintaining maximum ball possession and keeping Kerala on the back foot.

Kerala were lucky not to concede early in the game.

Ortiz played a one-two with Noguera at the edge of the box, and shot past the keeper Albino Gomes. The effort hit the woodwork not once, but thrice before the ball bounced back into play.

Wolves move ahead

Vitinha takes Wanderers into FA Cup fifth round

London, Jan. 23: Nuno Espírito Santo admitted Wolves had been lucky to scrape into the FA Cup fifth round as Vitinha's sublime strike sealed a hard-fought 1-0 win against non-league Chorley on Friday.

Nuno's side were fortunate to avoid an embarrassing upset after a lacklustre display at Victory Park.

Vitinha's brilliant long-range drive put Wolves ahead early in the first half.

But sixth tier Chorley, the last non-league club standing in this season's competition, pushed Wolves all the way and could easily have forced extra-time.

Wolves keeper John Ruddy had to make several good saves before they secured a Last 16 tie against Southampton or Arsenal.

"They were well organised. We should have moved the ball faster but a win is a win. They were tough," Wolves coach Nuno said.

Wolves are winless in their past six Premier League games and Nuno will hardly have been encouraged that a revival is around the corner after their trip to suburban Lancashire.

Taking possession 35 yards from goal, Vitinha set his sights and unleashed a ferocious, swerving drive that flashed over startled Chorley keeper Matthew Unwin.

It is doubtful Unwin faced many shots of that quality in the National League North, but the on-loan Porto midfielder's first senior goal was Wolves' only strike on target in the entire game.

Patrick Cutrone did go close for the visitors with a rising drive that just cleared the bar.

Connor Hall threatened an equaliser when his header forced Ruddy to save early in the second half.

Wolves were struggling to keep Chorley at bay and Ruddy had to tip over Andy Halls' header before the plucky underdogs eventually ran out of steam.

Neymar, Kylian roar for PSG

Paris, Jan. 23: Neymar made his 100th appearance for Paris Saint-Germain on Friday and marked the occasion with a goal in a 4-0 rout of 10-man Montpellier that took Mauricio Pochettino's first senior goal was Wolves' only strike on target in the entire game.

Kylian Mbappe scored twice and Mauro Icardi was also on target with PSG leading 1-0 before netting three times in the space of four minutes around the hour mark.

The game, played behind closed doors at the Parc des Princes, was conditioned by the early sending-off of Montpellier goalkeeper Jonas Omlin for a foul on Mbappe, as PSG made the most of their extra man.

It was their fourth straight win since drawing at Saint-Etienne in Pochettino's first match in charge after the Argentine was appointed as coach on January 2.

The former Tottenham Hotspur boss was back on the Paris bench having spent a week self-isolating following a positive Covid-19 test that forced him to miss his new team's 1-0 win at Angers last weekend.

PSG are now three points clear of second-placed Lille, who go to inform Rennes on Sunday.

rivals Saint-Etienne, who will be without seven players because of a coronavirus outbreak.

The capital club's rivals may have their work cut out trying to overtake the reigning champions on this evidence, with the attacking quartet of Neymar, Mbappe, Icardi and Angel Di Maria running riot.

Neymar's goal took his tally to 81 in 100 appearances for PSG since his world-record \$264m move from Barcelona in August 2017. His time in Paris has

been marred by injuries at important moments but there can be no disputing his impressive record in front of goal as he prepares to face his old club in the last 16 of the Champions League next month.

MBAPPE BACK IN FORM

Mbappe was more prominent in this game, however, as he scored his first goals of the Pochettino era.

Pochettino said: "I was already happy with Mbappe's performances before tonight. I am

pleased that he scored because scoring goals is crucial for a striker's confidence. But we knew it was only a matter of time," he added.

The France World Cup-winning star was scythed down just outside the box by Omlin in the 16th minute, with the Swiss goalkeeper initially shown a yellow card before the punishment was upgraded to red following a VAR review.

PSG made the extra man count as Di Maria played in Mbappe to open the scoring with a dinked finish over substitute goalkeeper Dimitry Bertrand in the 34th minute.

Pochettino lost goalkeeper Keylor Navas to injury at half-time, while captain Marquinhos was also forced off early in the second half. The coach later said he thought it was "nothing serious" for either player.

Mbappe cut the ball back for Neymar to make it 2-0 on the hour mark, before Icardi tucked in his third goal in four games.

It was 4-0 in the 63rd minute when Icardi set up Ligue 1's leading scorer Mbappe to finish for his second of the night and 14th of the season. Layvin Kurzawa almost provided the cherry on top of the cake soon after, but his stunning overhead kick was tipped onto the crossbar by Bertrand. — AFP

Elvedi nets brace to down Dortmund

Nico Elvedi (right) of Moenchengladbach scores the opening goal against Borussia Dortmund during their German league match in Moenchengladbach, Germany, on Friday. Moenchengladbach won 4-2. — AP

RB Leipzig already this season, Gladbach claimed another big-name Bundesliga scalp.

It was also a significant win for their coach Marco Rose, who the German media are tipping to replace caretaker boss Edin Terzic at Dortmund next season.

After 12 straight defeats

headed home by Elvedi. Dortmund roared back with two goals inside six minutes, both created by Jadon Sancho for Haaland, who fired home his first from a tight angle on 22 minutes.

After Jude Bellingham took the ball back for Dortmund, great footwork by Sancho then again unpicked Gladbach's defence for Haaland to blast his side 2-1 ahead on 28 minutes.

However, another Stindl free-kick on 32 minutes could only be parried by Roman Buerki and Elvedi tapped home the rebound from close range to make it 2-2 at the break.

Gladbach regained the lead five minutes into the second-half when Bensebaini swung in a shot which curled outside Buerki's grasp.

Dortmund conceded their third goal of the night from a set-piece when Thuram headed home a Florian Neuhaus corner 11 minutes from the whistle.

It was the France forward's first appearance after suspension for a spitting at an opponent last month. — AFP

Murray pulls out of Oz Open

Melbourne: Five-time Australian Open finalist Andy Murray withdrew from the year's first Grand Slam tournament, saying on Friday he could not figure out a workable quarantine that would allow him to compete amid the coronavirus pandemic. The announcement comes a little more than a week after Murray, who has won three Grand Slam singles titles elsewhere, said he tested positive for Covid-19 shortly before he was due to board a charter flight to Melbourne. "Gutted to share that I won't be flying out to Australia to compete at the Australian Open. We've been in constant dialogue with Tennis Australia to try and find a solution which would allow some form of workable quarantine, but we couldn't make it work," Murray said. — AP

Hockey women
slump to 1st loss

Buenos Aires: Indian women's hockey team suffered their first defeat on the tour of Argentina when they lost 1-2 to B side of the hosts, letting Agustina Gorzelany strike late in the match.

Sol Pagella (11') put the Argentina side ahead while Indian forward Salima Tete (54') scored in the final quarter. However, the Indian defence let Gorzelany score three minutes after finding the equaliser. In the previous matches, India drew 2-2 and 1-1 respectively with the Argentina junior team. "Today we played against a stronger Argentina squad consisting many of their senior players. This was a perfect practice match for us ahead of next week's schedule where we play against the Senior side," said chief coach Sjoerd Marijne. — PTI

Clippers score
6th straight win

Los Angeles: Kawhi Leonard scored 31 points, Paul George added 29 and the Los Angeles Clippers beat the Oklahoma City Thunder 120-106 on Friday night for their sixth straight win.

Serge Ibaka had 17 points and 11 rebounds to help the Clippers improve to 12-4, tying the Lakers for the NBA's best record.

Shai Gilgeous-Alexander led the Thunder with 30 points and eight assists against his former team. Lu Dort added 19 points. The Thunder were in catch-up mode most of the way before dropping their second straight and fourth in five games. They were just 14 of 42 from 3-point range and only got to the free throw line 13 times.

The Clippers grabbed control in the first half, scoring 36 points in the first quarter and 34 in the second on 63 per cent shooting. They had scoring runs of 21-2 and 11-4 in the first. They opened the second quarter with a 19-10 spurt, including George's steal and dunk followed by his consecutive 3-pointers, for their largest lead of 27 points. From there, the Thunder put together a 25-15 surge, hitting five 3-pointers, to trail 70-53 at halftime. The Thunder worked to reduce a 23-point deficit to 10 points in the third. They outscored the Clippers 15-2 during one stretch, helped by eight points from Dort and Muscala's first 3-pointer after he missed four attempts in the first half. — AP

NO PAIN NO GAIN

Saini says he risked aggravating his injury to play in Brisbane Test

New Delhi, Jan. 23: A groin strain prevented India pacer Navdeep Saini from giving his best in the Brisbane Test but fearing that he may not get such a big stage again, he remained at the beck and call of his captain and ended up bowling five overs despite injury.

Saini finally made his Test debut in the Australia series after years of wait, said he risked aggravating his injury by bowling in the second innings but given what was at stake, "it was a no brainer".

"Ajinkya bhaiya asked me if I would be able to bowl with the injury, I just had to say yes," Saini said.

Having taken four wickets in his debut game at Sydney, Saini suffered a groin strain in Australia's first innings and could bowl only 7.5 overs at the Gabba, increasing concerns for an already injury-hit India, who were forced to go into the game with a bowling attack which had the combined experience of four games.

For someone who made a massive leap of playing Ranji Trophy for Delhi in 2013 straight from making a quick buck in tennis ball cricket across Haryana, Saini wondered about the timing of his injury as he had just realised his dream of playing Tests.

But the like of the rest of his teammates, he showed a steely resolve and carried on.

"I was fine and suddenly I got injured. I was wondering why it is happening in such a crucial game and have got the opportunity to play after a long time."

"I just wished if could keep going with that injury and support my team. I knew I might not

get a stage like that again. Captain asked me if I could do it. I was in pain but said I would do with whatever I could," he added.

Mohammed Siraj was seen counselling Saini

consistently in the latter's maiden Test. It helped the Delhi pacer immensely as he and Siraj go back a long way.

"He is one of my best mates. We have played a lot together (for India A).

ANDERSON'S 6-FOR KEEPS SL IN CHECK

Galle (Sri Lanka), Jan. 23: England paceman James Anderson returned his best figures of 6-40 in Asia to help bowl out Sri Lanka for 381 on Day Two of the second Test on Saturday.

The tourists were 98/2 at stumps after Lasith Embuldeniya struck early to remove the openers. Skipper Joe Root, on 67, and Jonny Bairstow, on 24, were batting as England trail by 283 runs in Galle.

Anderson, 38, denied wicketkeeper-batsman Niroshan Dickwella a century after sending him back on 92 to claim his 30th five-wicket haul and second in Sri Lanka — his previous best was 5-75 in 2012.

The pace spearhead struck in his first over of the day to send Angelo Mathews caught behind for 110 after the former captain added just three runs in the morning.

But the dismissal was Joe Root's mastermind after he reviewed the umpire's call, which was not out, and replays suggested the ball had grazed Mathews' bat.

Wood sent debutant Ramesh Mendis trudging back to the pavilion for nought with wicketkeeper Jos Buttler taking a one-handed diving catch towards his left. — AFP

Neeraj worried about Olympics

There is some anxiety for sure. If Olympics are happening, the target is clear, I have to give my 100 per cent at the Games. But by chance if Olympics are not held, I may plan differently.

— NEERAJ CHOPRA

star javelin thrower

Neeraj will be competing in his first Olympics and he has already qualified for the Tokyo Games early last year before the Covid-19 pandemic began. He said he will be disappointed if the Tokyo Olympics is cancelled.

"I was late in qualifying for 2016 Rio Olympics but my performance while winning the junior world championships in 2016 or even I'm less than that would have given me a medal.

"If Tokyo Olympics is cancelled, it will be like I have lost two chances to win a medal in Olympics," Neeraj said.

"If Olympics is happening, I will go for selective high intensity competitions against top javelin throwers who are going to take part in Olympics. It is currently training at Kalinga Stadium in Bhubaneswar.

"I am just hoping that things move forward positively and Tokyo Games are held," he added. — PTI

PIETERSEN SHARES DRAVID'S SPIN TRICKS

New Delhi, Jan. 23: With England set to tour India, former captain Kevin Pietersen on Saturday shared tips on how to go about tackling quality spin bowling given to him by Rahul Dravid some years ago.

Sharing the email sent to him by the Indian batting great in 2017, Pietersen urged the England & Wales Cricket Board (ECB) to give it to struggling duo of Dom Sibley and Zak Crawley.

Sharing two pages of the email sent to him by Dravid, Pietersen wrote on his Twitter handle: "Hey @englandcricket, print this and give it to Sibley

& Crawley. They can call me to discuss it at length if they want."

"Crawley & Sibley need to go find the email that Dravid sent me about playing spin. Changed my game," he wrote in an earlier tweet.
