Nithin Babu

He appeared in FIITJEE Admission Test on 6th April 2014 and scored just 33% Marks in FIITJEE Test (& no Scholarship). He joined FIITJEE's Four Year Classroom Program and secured All India Rank 216 in JEE Advanced.

Currently, he is studying at IIT Madras.

"Taking off from 33% marks in FIITJEE Admission Test to All India Rank 216 in JEE Advanced could only be possible with FIITJEE. The only institute that has transformed not only my life but hundreds of others"

To become an IITian is one dream that I always wanted to fulfill, but being an average performer, I was never encouraged until I approached FIITJEE. Convinced with the proven results of FIITJEE for decades, I decided to appear for its Admission Test on 6th April 2014, in which I scored only 33%. with no scholarship. I then joined FIITJEE Four Year Classroom Program wherein I witnessed many other students like me already gaining benefits from the guidance of its expert faculty. The teachers worked 360° to plug in my academic loopholes. FIITJEE's support and my determination together have made me a present IITian with All India Rank 216 in JEE Advanced 2018.

Big thanks to FIITJEE !

Such Success Stories are Numerous !

FIITJEE not only transforms brilliant students into toppers but also catapults average & above average students (by JEE Advanced standards) to good ranks in JEE Advanced. In fact, if a student follows us sincerely & works hard, he / she is sure to get through JEE Main & JEE Advanced. Look at the sample data of students who did not get a scholarship in our Financial Assistance Eligibility Test but attempted **JEE Advanced in 2018, 2019 & 2020** only and excelled

**Kartikay Goel**

He appeared in FIITJEE Admission Test on 27th April 2014 and scored just 30% Marks in FIITJEE Test (& no Scholarship).

He joined FIITJEE's Four Year Classroom Program and secured All India Rank 518 in JEE Advanced. Currently, he is studying at IIT Guwahati.

"With my remarkable experience of four years with FIITJEE, I can definitely say that studying at FIITJEE at least till class X is a must irrespective of your stream choice. It's sure to bring you the desired results"

I thank the day when I decided to join FIITJEE. Even after being an average academic performer, I planned to appear for FIITJEE Admission Test in 2014 but attained only 30% with no scholarship. I joined its Four Year Classroom Program. Since I joined it in Class IX only, I could take the maximum benefit of the provided study material and schematic test schedule. Joining early made my foundation concrete by the time I reached class X, which ultimately boosted my performance in secondary classes. Only by following FIITJEE, my dream of becoming an IITian was accomplished. Yes, I cleared JEE Advanced (2018) with an All India Rank 518.

Heartily thanks to FIITJEE.
